THE ICE KING'S BREATH

Arctic Zephyrs Still Sweep the Middle West.

ILLINOIS SUFFERS VERY HEAVILY

The Damage Was Comparatively Light—Snow Fell as Far South as North Carolina.

St. Louis, May 14.—The signal office reports a killing frost at Springfield, Ill., and vicinity last night and a light frost in this vicinity and throughout Missouri, extending up into Iowa. It is not thought serious damage to crops resulted, except in the lowlands. A dispatch received by the Missouri state board of agriculture reports some damage to crops by frost Saturday and Sunday nights in the northwest and north central sections of the state. Beans and potatoes suffered particularly.

Snow Seven Inches Deep.

CHICAGO, May 14.—A heavy frost occurred this morning in Wisconsin, Michigan, Illinois, Indiana and eastern Minnesota, with seven inches of snow in the central and northern part of lower Michigan. The temperature is 5 to 10 degrees lower this morning in lower Michigan, the Ohio valley, Tennessee and Missouri.

Cloudy at Cleveland.

CLEVELAND, May 14.—While the weather continues cold, there was no frost in northern Ohio last night, as the skies were generally cloudy. Conditions favor a heavy frost tonight. Reports continue to come in of general destruction of fruit and early vegetables by the heavy frost Sunday night.

Not So Bad Near Detroit.

DETROIT, May 14.—Reports from the fruit belt in the western part of the state are conflicting, but most of them agree that no serious damage has been done, and if the wind continues until tomorrow all danger from frost will be over. Garden truck has been badly nipped.

Freezing Weather Predicted.

PITTSBURG, Pa., May 14.—The weather here is cold and cloudy, with light dashes of rain. The lowest temperature reached was 39 deg., but freezing weather is predicted by the weather bureau tonight. The damage to fruit and vegetables will be great.

Thick Ice Formed.

GALESBURG, Ill., May 14.—Everything was frozen stiff last night. Ice a quarter of an inch was formed. The grape and strawberry crop was killed. It is feared fruit of all kinds is badly injured. Corn was cut down.

Even the Ground Is Frozen.

OSHKOSH, Wis., May 14.—There was another heavy frost last night, and the destruction of gardens, fruit and early grain is almost complete. The ground is frozen to a depth of nearly two inches.

Snow in North Carolina.

ASHEVILLE, N. C., May 14.—Snow can plainly be seen for a distance of several miles on the mountains in this vicinity. Very little damage has been done to vegetables in the valley.

Snow Still Falling.

WAPAKONETA, O., May 14.—It has been snowing here all morning. The thermometer registered 20 deg. The damage to fruits and crops cannot be estimated.

Cold in New Jersey.

ELIZABETHTOWN, N. J., May 14.—The mercury fell to 20 deg. at 5 a. m. today. Fruits are blasted and foliage is dropping. The ground is frozen hard.

More Damage Last Night.

WHITEHALL, N. Y., May 14.—There was a heavy frost last night, doing considerable damage to fruit trees and crops.

Gardens Totally Destroyed.

MOWEQUA, Ill., May 14.—Heavy frost last night totally destroyed the fruit and berry crop in this section. Gardens are blackened to the ground.

Enormous Damage at Peoria.

PEORIA, Ill., May 14.—A very heavy frost in this section last night did enormous damage. Grapes and vegetables are all gone.

Estimates Differ.

DUNKIRK, N. Y., May 14.—Damage by frost to grape crop in Chautauqua county is estimated at from \$25,000 to \$200,000.

The Pacific Cable.

VANCOUVER, B. C., May 14.—Mail advices by steamer Miowera from Australia say that the British Pacific cable scheme is booming in Australia. Each of the colonies has agitators who are systematically enthusing the people. Large numbers of circulars and financial statements are being struck off. They are of a most plausible nature, tending to show that the cable would be a paying affair from the start, and that if Great Britain, Australia and Canada did not move quickly, America would forestall them.

Some of the colonies guarantee, besides a bonus, that a trade equal to the entire trade now going over the Asiatic route will be sent by the Pacific route. The feeling in favor of the Pacific cable is spreading, and not a colony in Australasia will withhold a bonus.

An adventurous young Englishman named Carr, who it is quite possible, may be Lieutenant Seton Carr, a most dangerous mountain-climber and a pioneer of the British Geographical Society, narrowly escaped destruction in a whirlwind of steam, cinders and stones preceding the deluge of lava emitted by Old Ruapehu, New Zealand's famous volcano, late in March. The eruption still continues intermittently, and the sky for hundreds of miles has been fiery red for weeks. Carr is now at Auckland hospital recovering from injuries received in his strange adventure.

News is also brought of an accident which occurred at Gympie, N. S. W., a few days before the ship sailed, by which Miss Essie Viola, of San Francisco, known as the queen of American aeronauts, nearly lost her life. When the balloon in which Miss Viola ascended reached an altitude of over 1000 feet, the thousands of spectators below were shocked at the appearance of flames bursting through the huge silken bag. With great difficulty the aeronaut released the parachute, but this, too, caught fire as she was about to jump from the balloon. Nevertheless Miss Viola leaped from the cage and with her burning parachute fluttered down to earth. The strangest feature of the accident, which is authenticated by copies of a number of Australian papers, is that the young woman was not seriously injured by the fall.

A Good Offer Made.

SAN ANTONIO, Tex., May 14.—It is said that a purse of \$40,000 for the Corbett-Fitzsimmons fight has been subscribed here and the backers of the two principals have consented to give the proposition consideration. It is hoped to pull the fight off in Nuevo Laredo, 150 miles south of here, if the offer is accepted.

Coming to Portland.

SAN FRANCISCO, May 14.—Frank M. Byrne, the Imperial Club racer who broke the five-mile road record Sunday, left for Portland this morning. From Portland he will ride to this city with two of his clubmates, W. C. Howe and C. W. Conger, who are making the trip here from British Columbia by wheel.

Aftermath of the Great Strike.

HOLLY, Mich., May 14.—William H. Smith, one of the leaders of the strike on the Grand Trunk line last summer, was arrested this morning, charged with causing a fatal wreck at Battle Creek July last.

Several Men Killed.

WELLSVILLE, N. Y., May 14.—By the explosion of a boiler in a sawmill, 15 miles from here, seven men were killed.

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated work room to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Blakeley & Houghton, Druggists.

Rebels Reported Defeated.

MADRID, May 14.—A dispatch from Havana says that Colonel Arizan, with 70 cavalry, defeated 200 insurgents. The dispatch adds that the rebels commanded by Carlos Costillo have been dispersed.

While in Stockton, Cal., some time ago, Thos. F. Langan, of Los Banos, that state, was taken very severely cramps and diarrhoea. He chanced to meet Mr. C. M. Carter, who was similarly afflicted. He says: "I told him of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and we went to the Holden Drug Store and procured a bottle of it. It gave Mr. Carter prompt relief and I can vouch for its having cured me." For sale by Blakeley & Houghton, Druggists.

New Naval Commander.

BERLIN, May 14.—The National Zeitung says Emperor William has accepted the resignation of Freiherr Vondergoltz as commander-in-chief of the German navy. Admiral Von Knorr succeeds him.

J. A. Richardson, of Jefferson City Mo., Chief Enrolling force 38th general assembly of Missouri, writes: I wish to testify to the merits of One Minute Cough Cure.
