

All the talking and advertising on earth won't sell our Clothing unless it is right in price, quality and style. Now, we devoted a great deal of time to the selection of this part of our stock, and we are willing to risk our reputation for veracity upon the proposition that our Clothing is all that anyone will ask for.

Suppose you confer a favor on us, when you have a little leisure time, by dropping into our store and trying on a suit or two. Then we want you to examine the cloth, the linings, the workmanship, the fit, the price—in fact everything about the Suit—and convince yourself.

- \$3.50 Is not a large sum; still it is large enough to buy a Man's Suit of Clothes from us. Sizes 35 to 40.
\$5.00 Gives you an opportunity of making your selection from several lines of goods.
\$7.50 Enables you to choose a handsome Summer Suit from our stock. Light, tasty patterns and well made. These Suits have the style and fit of those sold for twice the money.
\$8.00 Buys an All-Wool Suit. Good, serviceable Greys, Small Checks, and Dark Mixtures.
\$9.50 Is the price attached to our Suits made of Oregon Cassimeres. All-Wool and the best goods for wear and service.

Can We Suit You? PEASE & MAYS. ALL GOODS MARKED IN PLAIN FIGURES.

BRIEF MENTION.

Leaves From the Notebook of Chronicle Reporters.

License to marry was issued today to George Johnston and Esther C. Singleton.

The Herick cannery made quite a good run this morning. The catch is improving steadily.

"Sweets to the sweet," and that is why the subscription of the Umatilla House to the San Francisco Examiner drew a case of wine.

While the East is having its second winter, here the balmy breezes flutter down from the Cascades and become sleepy with the odor of locust blossoms.

The Cavalry Baptist church will give a strawberry and ice cream festival at the old Dunham drugstore, in Union block, tomorrow night. Ice cream and cake 15 cents, and with strawberries, 25 cents. Open from 7:30 to 12 o'clock.

Hon. W. H. Dufur was in the city today. He reports an army of caterpillars as having taken possession of the country about Dufur, and says the alders and willows along the creeks, as well as the orchards, are covered with the pests. Now then, who knows how to destroy the 'pillars?

Some of our exchanges having credited Bro. Michell with a skit that appeared in THE CHRONICLE concerning the bloomers, he gracefully denies the impeachment and puts the bloomer back on us. As the article was really of our make, we suppose we will have to wear it, whether it fits or not.

When the breezy bloomers are the universal go, how will tailors press the creases into them? I'd like to know. When the baby's head is nodding, and wants to take a nap, how can mamma lull her darling in a bifurcated lap? When the chickens go a grubbing in the garden in the spring, how can Bridget 'shoo' the creatures with no skirt to flop or sling.—Klamath Falls Express

Great Britain refuses to enforce the Behring sea regulation. Now if this country will do the same thing and let the seals be killed off entirely, it will be a good thing. No American outside of the Alaska Commercial company ever got a dollar out of the business and that rotten corporation got it all, and cost the government thousands of dollars too. The quicker the seals are killed off under the circumstances the better.

Headaches and Neuralgia cured by Dr. Miles' Pain Pills. "One cent a dose."

"Lightning Rod Agent" Tonight.

"The Gold King" drew a fairly good house last evening, and should have drawn a much better one. Mr. Payton showed not only that he had genius, but of a very versatile quality, and the support was much better than on Monday night. Miss Lucy Payton is a charming little lady and a favorite with the audience. Mr. Curtis as "Jack Redmond" was a surprise to those who had seen him in the character of the villain in the play Monday night, taking the part with a great deal of power, and making a much better gentleman than he did a villain.

Tonight the play will be "The Lightning Rod Agent," a play written for Mr. Payton, and in which he is said to appear at his best. Saturday afternoon there will be a matinee, with the old favorite "East Lynne," to which the admission will be 10 and 20 cents.

Under the law, only third grade certificates can be issued to those who have never taught, regardless of their rating in the examination.

When baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

B. H. Bowman; Pub. Enquirer, of Bremen, Ind., writes: Last week our little girl baby, the only one we have, was taken sick with croup. After two Doctors failed to give relief and life was hanging on a mere thread we tried One Minute Cough Care and its life was saved. Snipes-Kineraly Drug Co.

PERSONAL MENTION.

Constable Trana was up from the Cascades today. Mr. J. A. Waddle of Portland, is registered at the Umatilla. Mrs. M. E. Biggs left yesterday for Roseburg, to attend the state convention of the W. C. T. U., representing that society from Sherman county.

J. W. Howard, county commissioner of Crook county and L. S. Logan of the same county and both cattle kings, came up from Portland yesterday, on their way home. Mr. Logan bought 500 head of stock cattle, which he will drive across the Cascades to his range as soon as the snow is gone.
