

Kingsley Notes.

Died, May 9th, at the residence of James Kelly near Kingsley of consumption, George Roeder, aged 14. Outworms are doing considerable damage in our neighborhood. We are informed the crops of P. C. Ward and Tommy Morris are being badly injured. Davis Hix has been awarded the contract of hauling 30,000 feet of lumber for the lumber yard to be established at this place. It took the United efforts of James Ward, Miss Emma Ward and Miss Lissie Cox to rescue a young lady who had mistaken the floor for a sofa, last Sunday evening. We promised Jimmie not to say anything about it; but we wonder if that soda water had anything to do with it. George McLeod is recovering from his third attack of la grippe. Geo. says he is tough, and can stand it another twist. A more forlorn, dilapidated looking place than the Kingsley cemetery could not be found in six months travel. It is simply a conglomeration of old posts, broken boards, pickets etc. The fence is all down, headstones lying flat on the ground, and otherwise gone to ruin. Let us set a day and all turn out and fix it up. We'll be there. The law suit at Dufur last Monday between Hugh Jackson and Ed Wing, over the "scrapping match" ended in a compromise. John Roth says he fought, bled and died for his country, and that now the time has come when we, as a people, are learning to appreciate his services. John has already commenced his wire pulling and says he will certainly break the r-republican combine next year. Mrs. Emerson Williams is, we are sorry to state, gradually becoming blind. She has become entirely blind in one eye, and the other is constantly becoming worse. Mr. Williams will take her to Portland for treatment this fall. Last week Mr. J. O. Thrall was the happy possessor of a pet coyote, which attracted the attention and admiration of all. He was at a loss for an appropriate name for the little pet, until Mr. J. C. Cox suggested that, owing to a peculiar baldness on the top of the head, the name of Frank Day would fill the bill. That settled it, and everything was lovely until last Saturday, when Geo. Friend's dog got a "swipe" at the coyote and now Jim sings "empty is the collar, Frankie's gone." Mz. What He Thinks Of Silver. New York, May 16.—Senator Elkins, of West Virginia, says he was frequently misquoted on his Western trip as being in favor of free silver. "I believe in bimetallism and in the use of silver in the furthest possible way consistent with sound money," he added. "I am not for silver to any extent hurtful to the country. The government has power to limit the use of metals. Republicans of the East and West must get together on the silver question. I believe the silver question will settle itself and when we come to meet next year at the national convention there will not be any antagonism between the East and West. A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists. All Free. Those who have used Dr. King's New Discovery know its value, and those who have not, have now the opportunity to try it free. Call on the advertised druggist and get a trial bottle, free. It liquefies the tough mucus and aids its expectoration. It also lessens the severity and frequency of paroxysms of coughing, and insures a speedy recovery. There is not the least danger in giving the remedy to children or babies, as it contains no injurious substance. For sale by Blakeley & Houghton, Druggists. In the spring, the human body needs assistance to throw off the stagnation produced by winter diet. As the temperature rises under the growing heat of the sun's rays we feel tired, half-sick and low in spirits, because the blood is sluggish and full of impurities. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is a reliable spring remedy to invigorate the body and give tone to the digestion. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c. When your heart pains you and unusual palpitation is frequent, accompanied sometimes with shortness of breath and low spirits you are suffering from a disordered state of the liver, digestion is imperfect and there is wind on the stomach. If allowed to remain the trouble will ultimately reach the kidneys and then become dangerous to life. Steps should be taken to stay its progress on the appearance of the first symptoms. Dr. J. H. McLean's Liver and Kidney Balm is especially adapted for disorders of this kind. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co. Free Pills. Send your address to H. E. Bucklen & Co., Chicago, and get a free sample box of Dr. King's New Life Pills. A trial will convince you of their merits. These pills are easy in action and are particularly effective in the cure of Constipation and Sick Headache. For Malaria and Liver troubles they have been proved invaluable. They are guaranteed to be perfectly free from every deleterious substance and to be purely vegetable. They do not weaken by their action, but by giving tone to stomach and bowels greatly invigorate the system. Regular size 25c. per box. Sold by Snipes & Kinersly. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is admirably adapted to make "a little health go a long way." Its curative power is largely attributable to its stimulant, tonic and nutritive properties, by which the energy of the system is recruited. It is pleasant to taste, easily borne on the stomach and harmless under prolonged use. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co. B. H. Bowman; Pub. Are the Highest of all High Grades. Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers, who has sold hundreds of these wheels: RICHMOND, Va., Oct. 2, 1894. Indiana Bicycle Co., Indianapolis, Ind.: GENTLEMEN—The Waverley Scorchers and Be's came to hand yesterday. We are afraid you have sent us the high-priced wheels by mistake. You can't mean to tell us that this wheel retails for \$65? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for all Waverley wheels we have sold this year and last [and you know that is a right good number], we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so-called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MERRICK & Co.
