

**A Tramp's Home.**  
 PHILADELPHIA, May 17.—Ex-Postmaster-General Wanamaker proposes to build a hotel in this city at which any one may be fed and housed free of any cost whatever. The primary object of Mr. Wanamaker was to establish an institution for the reformation of inebriates, and in connection with this to build an inn where unfortunates could find a home. He has been giving the matter considerable attention of late and is now determined to carry his plans out. Since the matter first occurred to him he has been broadening the scheme, and now intends to not only establish a stopping-place for drunkards who may desire to reform, but to provide a temporary home for any unfortunate sojourner who may be without funds, but possessed of a healthy appetite and a desire to sleep elsewhere than in a warm corner or in a cheerless freight car.

 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

**Tried To Drown His Mother.**  
 FALL CITY, Neb., May 17.—George Powell, a well-known farmer, who was shot by James Broaden, another farmer, on Sunday, made an ante-mortem statement in which he accused Broaden of giving him his fatal wound while he was attempting to rescue his slayer's mother from the Nemaha river where she had been thrown by her unnatural son. Broaden is to come into possession of a large amount of property upon the death of his mother, and it is said that he attempted to drown her for this reason. He is in jail.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. He now recommends it to persons similarly afflicted. It is for sale by Blakely & Houghton Druggists.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:  
 RICHMOND, VA., Oct. 2, 1894.  
 Indiana Bicycle Co., Indianapolis, Ind.  
 GENTLEMEN—The Waverley Searcher and Be'le came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$35? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverley wheels we have sold this year and last (and you know that is a right good number), we have never had a single frame or fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.  
 Yours truly,
