

**A Terrible Revenge For a Horrible Crime.**

MADISON, Fla., May 20.—There is no longer any doubt that Sam Echols, Sim Crowley and John Brooks, the negroes who outraged and murdered Miss Armstrong, in Lafayette county, were flayed and burned. A man who has just reached here from Lafayette county says the belief is general that the negroes were tortured to death. One man who ventured into the swamp into which the negroes were carried asserts that he found the place where the negroes were put to death. He says that it was evident that the negroes were tied to trees and the skin stripped from them with knives. Then wood was heaped about the bleeding forms, the match applied and the wretches were soon dead. This man says that he found some strips of skin about the place which bears out the assertion that they were flayed. Everything is quiet in Lafayette county, and there is no fear of trouble between the races. The better class of negroes denounce the outrage and murder of Miss Armstrong as bitterly as the whites. Twelve negroes have now been lynched in six months, and it would seem that the horrible fate of the last three should prevent further attacks upon white women. The whites have formed a band and are determined to protect their wives and daughters.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c.

**Admiral Stevenson's Alleged Remarkable Statement.**

New York, May 20.—A special to the Herald from Managua says: It is learned that Admiral Stevenson and other officers of the British squadron which invested Corinto, both before and after the occupation of the town, publicly declared to a party of Americans that the Monroe doctrine was a myth which the United States would not and could not enforce, and that the British occupation of Corinto was simply intended as a test to definitely dispose of that question.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakely & Houghton Druggists.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:

RICHMOND, VA., Oct. 2, 1894. Indiana Bicycle Co., Indianapolis, Ind.: GENTLEMEN—The Waverley Scorchers and Be's came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$55? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all we see we have sold this year and last (and you know that is a right good number), we have never had a single frame or fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MERRICK & Co.
