

When your heart pains you and unusual palpitation is frequent, accompanied sometimes with shortness of breath and low spirits you are suffering from a disordered state of the liver, digestion is imperfect and there is wind on the stomach. If allowed to remain the trouble will ultimately reach the kidneys and then become dangerous to life. Steps should be taken to stay its progress on the appearance of the first symptoms. Dr. J. H. McLean's Liver and Kidney Balm is especially adapted for disorders of this kind. Price \$1.00 per bottle. For sale by Snipes-Kinnersly Drug Co.

Production of Gold.

WASHINGTON, May 21.—Director of the mint Preston will tomorrow make public the gold production of the United States for 1894. While the exact figures cannot be ascertained it is known the total will fall far below that of 1893, especially in Colorado. This is attributed to the strikes. Director Preston had estimated a total of \$43,000,000. It will not be nearly that amount.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists.

In the spring, the human body needs assistance to throw off the stagnation produced by winter diet. As the temperature rises under the growing heat of the sun's rays we feel tired, half-sick and low in spirits, because the blood is sluggish and full of impurities. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is a reliable spring remedy to invigorate the body and give tone to the digestion. Price \$1.00 per bottle. For sale by Snipes-Kinnersly Drug Co.

Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is admirably adapted to make "a little health go a long way." Its curative power is largely attributable to its stimulant, tonic and nutritive properties, by which the energy of the system is recruited. It is pleasant to taste, easily borne on the stomach and harmless under prolonged use. Price \$1.00 per bottle. For sale by Snipes-Kinnersly Drug Co.

Whooping Cough

There is no danger from this disease Chamberlain's Cough Remedy is freely given. It liquefies the tough mucus and aids its expectoration. It also lessens the severity and frequency of paroxysms of coughing, and insures a speedy recovery. There is not the least danger in giving the remedy to children or babies, as it contains no injurious substance. For sale by Blakeley & Houghton, Druggists.

Possibilities

For Making a Fortune Lost
REGAINED.

There are many people who spend the last half of their lives weighted down under the burden of disease. With ill health, life drags so; opportunities for travel and pleasure are lost; possibilities for making a fortune in business are thrown away. They stand passively by and see others, with no better natural abilities or advantages, carry off the prize in life, having won them because they tried for them.

Half of success in life, is in daring to try. Are you a little nervous?
Nervousness is prostrating and is followed by sleeplessness, exhaustion, hysteria, mental depression.
Nervous prostration is followed by nervous debility, nervous debility left alone, soon becomes paresis, (softening of the brain) a complete breaking down of the system.
Insanity and death.

There are remedies in life, enough to burden us down, that are unavoidable; without disease; especially, when a little care, a little medicine, and you are rid of it.
—Albert Denno, 17 Engrow Ave., Rutland, Vt., under date of April 2, 1894, writes:
"Dr. Miles' Nervine is a wonderful medicine, my wife has taken it and has had Grippe and it has helped her very much when everything else had failed."

Mrs. Anna Fenner, wife of the proprietor of the North Side Brush Works, 938 3rd St., Milwaukee, Wis., writes, May 3, 1894:
"I had been suffering for years from headaches, neuralgia, sleeplessness and general nervous prostration, unfitting me for social and household duties, and at times I was completely prostrated with pain. I tried several physicians and many remedies, but received no benefit until I used Dr. Miles' Restorative Nervine, which I had almost immediately relief and in a brief time have become quite my former self. I have since recommended the Nervine to others who have used it with the same good results."
Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.00 bottles for \$5.00, or it will be sent prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:
RICHMOND, VA., Oct. 2, 1894.

Indiana Bicycle Co., Indianapolis, Ind.:
GENTLEMEN—The Waverley Scotch and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$57? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverley wheels we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.
Yours truly,
