

MOSIER BREEZES.

Some Items of Interest From Our Neighboring Towns.

Strawberries are here and the best season of the year is at hand. Who can fall to enjoy it? Some of the people think it strange that some of our strawberry men should import foreigners (Japs) to pick their berries, when there are so many of the neighbors that would like the job and are needing it.

Mr. Frank Hunter, a tamale maker of Portland, is here with his brother, who is not expected to live.

Mrs. Root and sister, Mrs. Wagner, took a pleasure trip to Cascade Locks last Tuesday.

The concert was a grand success in every way. Some splendid singing and speaking and the receipts were far beyond what was expected.

Mr. Geo. Sellinger is remodeling his house. He will finish it now by lathing and plastering it.

Mr. Kelley, a fruit commission merchant of Butte, Mont., was in this vicinity looking for customers. He was well pleased with the prospects for a fruit crop and the way they prune and cultivate these orchards here.

Mrs. Kincaid of Portland, is visiting Mr. and Mrs. Powers.

Thursday we were called to attend the funeral of Grandpa McClure. He passed away Tuesday night, being 77 years and 9 months old, and if he had lived but a few days longer he and his wife would have been married 53 years. A large crowd was out. Rev. Johns of Hood River preached the funeral sermon followed by a few touching remarks by Mr. Mitchell of The Dalles. The family has the sympathy of the writer and all friends in the neighborhood.

Deschutes Precinct.

The farmers are looking with longing eyes for the much-needed rain, that still persists in not coming. It is very dry, and vegetation needs a soaking rain.

The present prospects for fruit demonstrate that the high ridges and uplands of the Deschutes will raise fruit abundantly.

Sheep shearing is about over. Some of the sheep are already in the mountains. The sheepmen seem to feel hard, and justly too, at the course of the officials at Washington in regard to the Mt. Hood Reserve, that they cannot graze their stock within its limits. They "hold up their hands" and wonder what is the next calamity to come. This administration seems to be "into the wool" of the sheepmen in particular. It had better offer a bounty on their scalps, and finish the "good work" at once.

The roads all over the county are in unusually good repair, and are a credit to their respective supervisors. Let them keep up the present condition.

TREBLA.

Mr. Geo. A. Young is moving his sheep to the summer range near Mt. Adams. They arrived here this morning and the ferryboat has been busy all morning, transferring to the number of several thousand. As they came down Second street they filled it completely for a distance of several blocks. Many people found it an amusement to stand on the railroad bridge and watch the efforts of the ferrymen and herdners to get them on the boat. Looking at their actions one could not help agreeing that of all animals the sheep is the stupidest.

In the spring, the human body needs assistance to throw off the stagnation produced by winter diet. As the temperature rises under the growing heat of the sun's rays we feel tired, half-sick and low in spirits, because the blood is sluggish and full of impurities. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is a reliable spring remedy to invigorate the body and give tone to the digestion. Price \$1.00 per bottle. For sale by Snipes-Kinersley Drug Co.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakely & Houghton Druggists.

When your heart pains you and unusual palpitation is frequent, accompanied sometimes with shortness of breath and low spirits you are suffering from a disordered state of the liver, digestion is imperfect and there is wind on the stomach. If allowed to remain the trouble will ultimately reach the kidneys and then become dangerous to life. Steps should be taken to stay its progress on the appearance of the first symptoms. Dr. J. H. McLean's Liver and Kidney Balm is especially adapted for disorders of this kind. Price \$1.00 per bottle. For sale by Snipes-Kinersley Drug Co.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else, then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles at the Snipes-Kinersley Drug Store. Regular size 50c. and \$1.00.

Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is admirably adapted to make "a little health go a long way." Its curative power is largely attributable to its stimulant, tonic and nutritive properties, by which the energy of the system is recruited. It is pleasant to taste, easily borne on the stomach and harmless under prolonged use. Price \$1.00 per bottle. For sale by Snipes-Kinersley Drug Co.

Possibilities

For Making a Fortune Lost! REGAINED.

There are many people who spend the last half of their lives weighted down under the burden of disease. With ill health, life drags on, opportunities for travel and pleasure are lost; possibilities for making a fortune in business are thrown away. They stand passively by and see others, without better natural abilities or advantages, carry off the prizes in life, having won them because they tried for them.

Half of success in life, is in daring to try. Are you a little nervous? Nervousness is prostrating and is followed by sleeplessness, exhaustion, hysteria, mental depression. Nervous prostration is followed by nervous debility, nervous debility left alone, soon becomes paralytic, (softening of the brain) a complete breaking down of the system. Insanity, and death. There are troubles in life, enough to burden us down, that are unavoidable; without disease; especially, when a little care, a little medicine, and you are rid of it. A. M. Bennett, 17 Emory Ave., Rutland, Vt., under date of April 2, 1894, writes: "Dr. Miles' Nervine is a wonderful medicine, my wife has taken it after having had Grippe and it has helped her very much when everything else had failed." Mrs. Anna Foster, wife of the proprietor of the North Side Brush Works, 333 1/2 St. Milwaukee, Wis., writes, May 3, 1894: "I had been suffering for years from headaches, neuralgia, dizziness and general nervous prostration, unfitting me for social and household duties, and at times I was completely prostrated with pain. I tried several physicians and many remedies, but received no benefit until I used Dr. Miles' Restorative Nervine, when I found almost immediate relief and a great deal of time have been quite my former self. I have since recommended the Nervine to others who have used it with the same good results."

Dr. Miles' Nervine is sold on a positive guarantee. It is sold in bottles for \$1.00, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

Dr. Miles' Nervine Cures.

BEFORE I could get relief from a most horrible blood disease, I had spent hundreds of dollars TRYING various remedies and physicians, none of which did me any good. My finger nails came off, and my hair came out, leaving me perfectly bald. I then went to HOT SPRINGS

Hoping to be cured by this celebrated treatment, but very soon became disgusted, and decided to TRY SSS. The effect was truly wonderful. I commenced to cover after taking the first bottle, and by the time I had taken twelve bottles I was entirely cured— cured by S. S. S. when the world-renowned Hot Springs had failed. WM. S. Waverley Bicycles.

Are the Highest of all High Grades.

Warranted Superior to any Bicycle built in the World. Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels: RICHMOND, Va., Oct. 2, 1894. Indiana Bicycle Co., Indianapolis, Ind. GENTLEMEN—The Waverley Scooter and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$50? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last [and you know that is a right good number], we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MERCEE & Co.
