

Sherman County Items.

EDITOR CHRONICLE:—Following are a few items of news which may be of interest to your readers:

Last Sunday memorial services were held in the Christian church at Wasco, Rev. Barnes officiating. The attendance of old soldiers was not as large as might have been expected, but those who were present enjoyed the services greatly and speak in high terms of the sermon preached by Rev. Barnes.

Memorial day will be observed in Moro with appropriate exercises. Hon. G. M. Irwin, state superintendent of public instruction, will be present and will deliver the oration. A procession, composed of members of the Grand Army, the I. O. O. F., the Masons, K. of P., order of the A. O. U. W., the pupils of the public schools and citizens generally, will form at the Presbyterian church at 10 o'clock a. m., and will march to the grounds where the exercises will be rendered. Good music will be furnished by the Moro and Michigan brass bands. The forenoon exercises will consist of vocal and instrumental music, recitations and short speeches, etc. In the afternoon, at 2 o'clock, Hon. G. M. Irwin will deliver an oration, and as he is a cultured speaker, it is expected that he will have a large and appreciative audience. In the evening Mr. Irwin will deliver a lecture on education, which will doubtless prove most interesting and instructive.

I regret to say that H. F. Powell is still very low, but he is receiving all the care and attention that loving parents and kind friends can bestow.

The latest dispatch from Emigrant Springs is to the effect that the residence of Samuel Ornduff was burglarized last Saturday. A quantity of clothing was taken, but it is thought that little, if any, money was found. Emigrant Springs is rapidly carving for itself a niche in the temple of (criminal) fame. It is but a short time ago that the house of Allen Gilmour, one of Sherman county's respected citizens, was entered by a desperado (?), who with a revolver pointed at Mr. Gilmour, demanded all the spare cash there was in the house. The next item on the program was the burning of C. E. Jones' house and barn, while Mr. Jones was away hauling wood at Antelope. The stealing of a saddle, belonging to T. J. Yarbrough had hardly ceased to be food for the gossips, when a fresh topic was furnished by the robbery of Ornduff's house. Oh! I had almost forgotten the malicious cutting down of Charley Hill's fence, which took place a few weeks ago. Charlie is one of the best fellows in the county, and whoever wantonly destroyed his property must be possessed of an infinitesimally small soul—small enough to go through the eye of a needle.

The Sunday school picnic held at Moro last Saturday was well attended, and an interesting programme was rendered.

The recent rains have wrought a wonderful change in the appearance of the Sherman county wheat fields, and the farmers are correspondingly jubilant.

Wishing the CHRONICLE success under the new management, I sign myself,

YAGA.

Miss Alice Duffy Receives Honor

The following, taken from an eastern paper, will be of great interest to many people in The Dalles:

"The undersigned, surviving members of the committee appointed by The American Humane Education Society to decide who are entitled to the two \$100 prizes offered by said society for 'The best plan of peacefully settling the difficulties between capital and labor,' and 'The best plan of preventing poverty and relieving the poor,' respectfully report: That ninety-five essays were received from writers in twenty-two states. That the essay signed 'John Dillard,' and which proves to have been written by Henry Childs Merwin, Esq., of Boston, is entitled to the prize for 'The best plan of peacefully settling the difficulties between capital and labor,' and the essay signed 'Jason Courtland Dutton' and which proves to have been written by Alice E. Duffy of Waukon, Allamakee county, Iowa, is entitled to the prize for 'The best plan of preventing poverty and relieving the poor.' Until after this decision was made, we had opened none of the sealed letters, and the name of no one of the essayists was known to the committee.

"HENRY O. HOUGHTON, 'EDMUND H. BENNETT.'"

Miss Duffy, who has been so signally honored was a resident of The Dalles several years ago, and occupied the position of assistant principal of our public schools. Since her removal many friends have heard from her, and of her, so that none who know her superior mental gifts will be surprised that she was selected as the prize winner from so large a number. Miss Duffy's many friends heartily congratulate her.

Mr. Houghton, one of the judges, is senior member of the publishing firm of Houghton Mifflin & Co., while Mr. Bennett is dean of the Boston law school.

The Latest From Cascade Locks.

Mr. Bergeron of Cascade Locks visited our office today and told of the condition of affairs at the government works. A temporary bulkhead has been built over the gates and thus far has kept out the water, which is higher than the gates. The contractors allowed the canal to fill to the depth of sixteen feet in order to lessen the pressure against the gates. If the water rises no higher this season than it now is pumps will be set to work that will soon empty the canal and allow work to be resumed.

Mr. I. N. Day said Sunday evening that if the river stopped rising, a large force of men would be put to work next week to continue through the season. There are now between 150 and 200 men at work including stone cutters, but with the increased force the number will again reach its former size. The past year has seen much work done on the locks and light is beginning to shine through the darkness. A year ago at this time great damage was threatened to the canal by the water but now the discomfiture is only temporary.

Two Lives Saved. Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else, then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles at the Snipes-Kinnersly Drug Store. Regular size 50c. and \$1.00.

Sealed Proposals. Bids will be received by the Water Commission for digging a ditch, from Liberty street to the residence of Dr. Shackelford, on Fourth street, sufficient to lay a four inch pipe, and for filling the ditch after the pipe has been laid, at the office of the Water Commission in this city, until noon of May 31, 1895. For plans and specifications and full information apply to the superintendent of the water works.

If allowed to remain the trouble will ultimately reach the kidneys and then become dangerous to life. Steps should be taken to stay its progress on the appearance of the first symptoms. Dr. J. H. McLean's Liver and Kidney Balm is especially adapted for disorders of this kind. Price \$1.00 per bottle. For sale by Snipes-Kinnersly Drug Co.

Snow in Wisconsin. MILWAUKEE, May 27.—About two inches of snow fell throughout northern Wisconsin last night. The snow was preceded by a rain which put out the forest fires.

Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is admirably adapted to make "a little health go a long way." It gave Mr. Carter prompt relief and I can vouch for its having cured me." For sale by Blakeley & Houghton, Druggists.

In the spring, the human body needs assistance to throw off the stagnation produced by winter diet. As the temperature rises under the growing heat of the sun's rays we feel tired, half-sick and low in spirits, because the blood is sluggish and full of impurities. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is a reliable spring remedy to invigorate the body and give tone to the digestion. Price \$1.00 per bottle. For sale by Snipes-Kinnersly Drug Co.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists.

Whooping Cough. There is no danger from this disease Chamberlain's Cough Remedy is freely given. It liquefies the tough mucus and aids its expectoration. It also lessens the severity and frequency of paroxysms of coughing, and insures a speedy recovery. Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:

RICHMOND, VA., Oct. 2, 1894. Indiana Bicycle Co., Indianapolis, Ind. GENTLEMEN—The Waverley Scooter and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$60? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MEEBCK & Co.
