A Fatal Accident at Antelope.

ANTELOPE, May 26, 1895. To THE EDITOR :- About three miles from Antelope, on the Dickerson place, a young man named S. B. White met with a serious accident that terminated fatally. It seems that he was in a corral saddling a young horse, having hitched the team he was driving to a fence. The colt backed against the fence and scared the team, which started to run. White took after them and caught them by the bit, but, etumbling, fell beneath the horses and was trampled upon. Several parties saw the accident and immediately went to his rescue. The doctor was sent for, but shortly after he arrived white died. The body was brought to town and an inquest held. Sunday the remains were laid to rest in the city cem-

Mr. White was a young man, aged about 20, and was industrious, honorable and upright. As far as can be learned he was from Corvallis and has no zelations in this country.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive care known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assieting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimo mials. Address,

GENTLEMEN—The Waverley Scorcher and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$50? We must say that it is, without exception, the prattiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last [and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.

Yours truly. Walter C. Mercer & Co.
