

Boyd Locals.

An accident occurred here on the 24th inst., which might have cost two lives. While Mr. Robt. Snodgrass, known as "Uncle Robert," and a man named Williams were on their way to the mountains for a load of logs, they met a young steer with a five-gallon tin can fastened to its tail. As the steer approached the team, which was being driven by Mr. Snodgrass, they became terribly frightened, and when just opposite the horses, they made one vigorous plunge, causing Mr. Snodgrass to lose his balance on the seat and fall to the ground, carrying the reins with him. The heavy wagon struck him on the right hip, and bounding into the air it came down a second time on his ankle with great force, causing an ugly wound. He was also cut and bruised about the head, and shaken up in general. Considering that Mr. Snodgrass is a man 73 years of age, we scarcely know how he ever escaped with his life. Mr. Williams made an effort to get the reins, but in vain; and he also was thrown to ground, when the wagon ran over his leg near the knee. Williams, however, escaped without serious injury. Mr. Snodgrass is getting on as well as could be expected, and it is hoped will be able to be about in two or three weeks.

Before leaving this subject, I will ask THE CHRONICLE to inform me as to the law regarding the attachment of tin cans to the tails of animals belonging to a neighbor, and then turning them into the public roads. Is there a law to prevent such action? or is a man who acts as though he were born in a saw-mill, and all sense he ever possessed gone to the winds, to go on without chastisements? However this may be, I would advise him to use his tin cans for a rattlebox at home; he may find amusement in that. More sensible people have ways less idiotic from whence come their pleasures.

The recent rains have done much to promote growth in the crops in this locality. The grain, and in fact all vegetation, is looking bright, and the farmers anticipate a good harvest.

Bill and John caught a fine string of fish last Saturday. John caught eighteen fine salmon trout. Well, Bill caught two. Mr. Gailley is also a good fisherman. He brought home a large pan full of shell-fish, known as periwinkles, which roused the antipathy of the cook to the extent of serving Ralph with mush straight up for his evening meal. What's the matter with Ralph? Ah, yes! I forgot what that nasty pole did to him.

When your heart pains you and unusual palpitation is frequent, accompanied sometimes with shortness of breath and low spirits you are suffering from a disordered state of the liver, digestion is imperfect and there is wind on the stomach. If allowed to remain the trouble will ultimately reach the kidneys and then become dangerous to life. Steps should be taken to stay its progress on the appearance of the first symptoms. Dr. J. H. McLean's Liver and Kidney Balm is especially adapted for disorders of this kind. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 189 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else, then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are examples, that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles at the Snipes-Kinersly Drug Store. Regular size 50c. and \$1.00.

Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is admirably adapted to make "a little health go a long way." In the spring, the human body needs assistance to throw off the stagnation produced by winter diet. As the temperature rises under the growing heat of the sun's rays we feel tired, half-sick and low in spirits, because the blood is sluggish and full of impurities. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is a reliable spring remedy to invigorate the body and give tone to the digestion. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

SCROFULA 12 YEARS

Always Sore. Face Burned Like Fire. Ashamed to be Seen. Four Doctors but Little Benefit. Cured by CUTICURA.

For about ten or twelve years I have been troubled with scrofula. My head was always sore, my face was dry and scaly, and burned like fire most of the time. My body had big red spots on it, and I did not know what to do. I went to four different doctors and they helped me at first. In the fall I got worse again; then I tried other remedies, but they did me no good. I was ashamed to go into public. I was a sight to look at. Every one would say, "What is the matter, why don't you take something?" Even at my daily labor I had to wear a sort of cap to keep the dirt from getting into the sores. After I would wash, I would be covered with big red pimples all over my neck and face. Some two or three people advised me to try the CUTICURA REMEDY. I did try them, and am glad I have done so. Glad to say I am a well man, and in the best of health since. I cannot praise the CUTICURA REMEDY too highly. I enclose my portrait.

Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:
RICHMOND, Va., Oct. 2, 1894.
GENTLEMEN—The Waverley Scooter and Belle came to hand yesterday. We are afraid you have sent us the high priced wheel by mistake. You can't mean to tell us that this wheel retails for \$50? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverley wheels we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.

Yours truly,
