

WEATHER BUREAU.

Weather Crop Bulletin No 10 of the Oregon State Weather Service for Eastern Oregon.

WEATHER: Showers prevailed in the fore part of the week. Since Tuesday the weather has been cool and cloudy. Frosts occurred in the greater portion of this section of the state on the 28th, 30th and 31st of May, being especially heavy south of the Blue mountains. The total rainfall for the week amounted to about one-quarter of an inch. The maximum temperature ranged from 52 to 76 deg; the minimum from 40 to 46 deg.; except south of the Blue mountains, where it ranged from 30 to 42 deg. Freezing temperature prevailed over the greater portion of the country south of the Blue mountains, which has an elevation of from 2,000 to 5,000 feet, on the 28th and 31 of May.

CROPS: There was no damage done by the frosts. Where the frosts were heavy the vegetation has not advanced sufficiently for damage to be done; in the Columbia river valley the frosts were too light to do injury. Strawberries are ripening rapidly throughout the Columbia river valley and large shipments are being daily made. The crop is an unusually heavy one. Cherries are ripe at Hood River and at The Dalles.

The rain was of great benefit to the grain crop. There is a large acreage of spring and volunteer grain this year, especially in Gilliam and Morrow counties; more than the usual grain of this kind is in Wasco, Sherman and Umatilla counties; spring and volunteer grain requires frequent and timely rain to make a crop; the past rains have been very beneficial; but more will be required during this month to make good yields. The present condition is good, but the farmers are nervous over possible hot, dry winds this month. Fall-sown or summer-fallow grain was never more promising; it has stood well and has a good stand. It is now heading rapidly. Rye has headed and will soon be ready to cut. The hay crop has been greatly benefited by the rains, and like in the western portion of the state, a heavy hay crop will be secured. Grasshoppers are unusually plentiful in portions of Gilliam and Morrow counties. Range grass is good and the cattle present an excellent appearance. They are fat and in prime condition. Every correspondent except a few in Morrow and Gilliam counties reports excellent prospects for large yields of all crops.

The average June rainfall ranges from 1/4 to 1 1/4 inches in the Columbia river valley, and from 1/4 to 1 1/4 inches south of the Blue mountains; as a rule the rainfall is more in the form of heavy spring showers than in long-continued gentle showers. The condition for bounteous crops of all descriptions have seldom, if ever, been better in years gone by than they are at the present time.

Notes From Antelope.

TO THE EDITOR—Postmaster Wm. Menefee and wife returned Wednesday from their wedding trip. They visited at Portland and in the Willamette valley. Their many friends were pleased to see them again, and are glad to know that they will remain in Antelope.

Mrs. Frank Irvine made a trip to lower Antelope Thursday, the guest of Mrs. Kinsey.

Charles Durham, the sawmill man from Hay Creek, was in town this week looking after his lumber interests here.

Mr. Newton, who has been on the sick list for some time, is slowly improving.

Antelope has decided to celebrate the Fourth, and a good program of literary exercises and sports have been arranged for the day. Miss Lillie Hinton of Bake Oven will read the Declaration of Independence.

Uncle Billy Kelsey and family were in from Buck Hollow Sunday.

It is announced that Father Wright of Umatilla county will preach here June 9th. Father Wright was stationed here two years ago, and his friends will be pleased to see him.

A large quantity of wool is passing through Antelope for The Dalles, there being over twenty teams on our streets at one time Thursday.

Thos. Harper, the popular stage man, is buying up horses for use on the Bake Oven and Mitchell route.

Peter Kirchheimer, who lately purchased the Jones residence, has had it newly re-painted and re-papered.

Mr. Wallace has had his house re-papered and calcimined throughout.

E. C. Dickerson is having a Cyclone windmill placed for use at his livery stable.

W. D. Jones is having a grain warehouse erected. Stewart & Glisan are the lucky bidders for the contract.

The pleasant rains of the week have insured good crops in this vicinity.

Headache and Neuralgia cured by Dr. MILES' PAIN PILLS. "One cent a dose."

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated work room to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Blakeley & Houghton, Druggists.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else, then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles at the Snipes-Kinersley Drug Store. Regular size 50c. and \$1.00.

Knights of the Maccabees.

The State Commander writes us from Lincoln, Neb., as follows: "After trying other medicines for what seemed to be a very obstinate cough in our two children we tried Dr. King's New Discovery and at the end of two days the cough entirely left them. We will not be without it hereafter, as our experience proves that it cures where all other remedies fail."—Signed F. W. Stevens, State Com.—Why not give this great medicine a trial, as it is guaranteed and trial bottles are free at Snipes & Kinersley's Drug Store. Regular size 50c and \$1.00.

Sealed Proposals.

Bids will be received by the Water Commission for digging a ditch, from Liberty street to the residence of Dr. Shackelford, on Fourth street, sufficient to lay a four inch pipe, and for filling the ditch after the pipe has been laid, at the office of the Water Commission in this city, until noon of May 31, 1895. For plans and specifications and full information apply to the superintendent of the water works.

DALLES CITY WATER COM'RS.

The Dalles, May 24, 1895.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists.

A Splendid Offer.

Our clubbing arrangements with the San Francisco Examiner entitles those subscribing for that paper in connection with THE CHRONICLE to all the benefits of their premium offer, that is a numbered receipt and choice of premium pictures. The price of the Examiner is \$1.75, the price of THE CHRONICLE \$1.50, and we send you both with all privileges as above stated for one year for \$2.25.

Do you want THE CHRONICLE and San Francisco Examiner for a year? If so send us \$2.25 and you can have them, 150 papers for \$2.25 or less than a cent and a half a piece. If you would rather have the New York World, we will send you that and the SEMI-WEEKLY CHRONICLE one year for \$2.25. The World is also a semi-weekly so you will get 208 papers for \$2.25.

In the spring, the human body needs assistance to throw off the stagnation produced by winter diet. As the temperature rises under the growing heat of the sun's rays we feel tired, half-sick and low in spirits, because the blood is sluggish and full of impurities. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is a reliable spring remedy to invigorate the body and give tone to the digestion. Price \$1.00 per bottle. For sale by Snipes-Kinersley Drug Co.

Possibilities For Making a Fortune Lost! REGAINED.

There are many people who spend the last half of their lives weighted down under the burden of disease. With ill health, life drags on; opportunities for travel and pleasure are lost; possibilities for making a fortune in business are thrown away. They stand passively by and see others, with no better natural abilities or advantages, carry off the prizes in life, having won them because they tried for them.

Half of success in life, is in daring to try. Are you a little nervous?

Nervousness is prostrating and is followed by sleeplessness, exhaustion, hysteria, mental depression.

Nervous prostration is followed by nervous debility, nervous debility left alone, soon becomes paresis, (softening of the brain) a complete breaking down of the system.

Insanity, and death.

There are troubles in life, enough to burden us down, that are unavoidable; without disease, especially, when a little care, a little medicine, and you are rid of it.

Albert Denno, 17 Engrew Ave. Rutland, Vt., under date of April 2, 1894, writes: "Dr. Miles' Nervine is a wonderful medicine, my wife has taken it after having La-Grippe and it has helped her very much when everything else had failed."

Mrs. Anna Pennell, wife of the proprietor of the North Side Brush Works, 623 1/2 St., Milwaukee, Wis., writes, May 3, 1894: "I had been suffering for years from headaches, neuralgia, sleeplessness and a general nervous prostration, unfitting me for social and household duties, and at times I was completely prostrated with pain. I tried several physicians and many remedies, but received no benefit until I used Dr. Miles' Restorative Nervine, when I found almost immediate relief and in a brief time have become quite my former self. I have since recommended the Nervine to others who have used it with the same good results."

Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.00 per bottle, or it will be sent prepaid on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels: RICHMOND, VA., Oct. 2, 1894.

Indiana Bicycle Co., Indianapolis, Ind.: GENTLEMEN—The Waverley Scorchers and Belle came to hand yesterday. We are afraid you have sent us the high priced wheel by mistake. You can't mean to tell us that this wheel retails for \$85? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last [and you know that is a right good number], we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel; however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MERRICK & CO.
