THE CUBAN REVOLUTION

Enthusiastic Patriots Flushed With Hopes of Success.

TAMPA, Fla., June 14.—The following proclamation has just been received from Cuba:

"To the Cuban People: Maximo Gomez is in command with 2000 men. The Marquis of Santa Lucia, with the cry of 'Cuba Libre', has joined him, with 1500 men. Twenty of the most noted men of Puerto Principe, accompany the worthy son of Camaguey. There is no hope for Spain. Remidos has protected the landing of Roloff and his 280 men. He brings munitions of war and 5000 pounds of dynamite. The landing of Yeco and Searphin Sanchez is confirmed. They bring American pyrotechnics. Santo Spiritus has already seven armed bands. General Macco, with 6000 machetros, is destroying and burning everything he finds in his way. Liberal Spaniards have nothing to fear. Lives and property will be respected while assistance is not rendered the government. If Spain had hunted for a general whose mission was to annihilate the Spanish Army, there is no one who would have better suited than Martinez Campos, who does not let the poor and tired soldier have any rest. They die of hunger, for they are without food or clothing, under a burning sun in this deadly climate. The autonomist party says that insurrection in arms is necessary to force the government to favor autonomy. Shame to these false patriots who live on miserable bread that the despot throws them. Soldiers from Maton, a Spanish province, have come over to the insurgent ranks. The daily expenses of the Spanish run up to \$150,000. Martinez Campos has lost already 10,000 men. Soldiers in the city of Manzanillo die in the streets of fever and dysentery. Famine spreads through the province of Cuba. At Baracoa and Guantanamo there are 18,000 insurgents in arms. Liberal Spaniards, sons of Riego and Pino, hurrah for liberty. To arms and down with metropolitan government and tyranny. Hurrah for Maximo Gomez. Signed, Revolution-Committee of Havana.

Determined Filibusters.

NEW YORK, June 14.—The boat George W. Childs, commanded by Captain Swan, sailed from Philadelphia, May 18, with a filibustering expedition, bound for a point near Santiago de Cuba. She put into Key West June 6 and sailed the next day for the Bahia islands, where she was to take on 100 men and 2,000,000 charges of ammunition. The Childs is said to have been watched by the Spanish cruiser Infanta, but succeeded in making her escape. An attempt will be made to land the men and supplies in Cuba as near as possible, to Santiago de Cuba. The plan is to take Marti to Jamaica, whence he is expected to proceed to the United States. If the late Washington dispatch is true the mission has probably already been accomplished.

Insurgents Again Victorious.

KEY WEST, June 14.—A dispatch received here from Cuba says the engagement between the Spanish troops, and the Cuban rebels near the city of Moron resulted in a victory for the insurgents and they captured the town. The loss on each side was small.

Further advices state that the government officials in Cuba still maintain a strict censorship over all telegrams and letters.

Filibusters Reported Landed.

HAVANA, June 14.—Information has just reached here that the Cuban filibustering expedition on the George W. Childs, under the command of General Carlos Roloff and General Serafin Sanchez, which slipped away from the Florida coast last Thursday, landed a party with arms and munitions of war at a point near Agudores, in the province of Santiago de Cuba.

De Witt's Colic and Cholera Cure never disappoints, never fails to give immediate relief. It cures just as sure as you take it. For Sale by Snipes-Kinnersly Drug Co.

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated work room to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Blakeley & Houghton, Druggists.
