

SWEET GIRL GRADUATES.

Concluded From Second Page. The nature and composition of our heavenly gift of the bright sunlight. Her closing thought was that the graduates are reflections thrown off by our alma mater. They are to go on giving to the world a portion of that reflected light.

Eighteen violet capped girls rendered "The Violets," in a captivating way and the piece that followed, entitled "A Story of Some Belle" was one of the most pleasing on the program. The stage was full of young ladies, who recited in perfect unison and with deep expression, while the piano accompaniments were played pianissimo.

A duet upon two pianos by Mary McInerney and Letitia McCann was exceedingly well rendered and showed great ability for persons so young. The last graduate to deliver her essay was Miss Cassie Thourbourn. Her subject was "Records from the Hand of Change" and the young lady treated it in a skillful and artistic style.

At the close of the essays Rev. A. Bronsgeest read the names of those receiving the various honors and as their names were called each recipient stooped to receive a medal and have a white wreath pinned on by Archbishop Gross. The first medal, given by Mrs. Kate Handley, was awarded to Miss Ada Smith for proficiency in prose composition.

After a farewell chorus, sung by a large class of young ladies, Archbishop Gross of Portland delivered an address that was very witty, and given in a hearty manner. The archbishop paid a high tribute to womanhood, but deprecated any attempt to enlarge her sphere further than God intended it should be.

The Currant Creek Road.

Mr. W. M. Loughmiller of Waldron called at THE CHRONICLE office today and gave a most favorable report of the new Currant Creek road. He drove a four-horse team hitched to a wagon, loaded with over two tons of wool, up the grade in less than six hours. The grade is six miles long, but the horses were not sweating when they reached the top. The only complaint Mr. Loughmiller had to make was that there were not sufficient turning-out places along the road. This, by the aid of a small appropriation, could be easily remedied.

Happenings in Antelope.

TO THE EDITOR:—The school district bond election held on June 8th, to vote on a proposition to bond the district for \$3000 carried by a unanimous vote.

Born, to the wife of Bert Rogers, June 12th, an 8-pound boy.

Rev. Mr. Baily, a Baptist minister from Prineville, delivered, last Tuesday night, one of the best sermons ever heard in Antelope.

There is talk of reorganizing the Union Sunday school, at which all denominations or those of no denomination will be welcome. There was such an organization two years ago, which was very successful and drew large crowds for a year, but the Methodist church was organized and there was no place for the Union to meet. The need of such an organization is strongly felt.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakely & Houghton Druggists.

Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is admirably adapted to make "a little health go a long way." One in Four.

One person in four has a weak or diseased heart that entirely unfit them for business and social life, or is simply a little annoying. Disease is never at a standstill. When the trouble first commenced, "Oh! well, it don't amount to much," and you let it go, let the disease insidiously get the mastery of you. You lose all courage; the slightest exertion tires you; your feet, ankles and legs swell; you lean to your left side. Finally, you become so bad that you cannot lie down without smothering, and are compelled to get what sleep you can in a chair. You are urged to avoid this.

Waverley BICYCLES.

Are the Highest of all High Grades. Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels: RICHMOND, VA., Oct. 2, 1894.

Indiana Bicycle Co., Indianapolis, Ind.: GENTLEMEN—The Waverley Scorchers and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheels by mistake. You can't mean to tell us that this wheel retails for \$50? We must say that it is, without exception, the greatest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for all Waverley's have sold this year and last [and you know that is a right good number], we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MEEBCK & Co.

A general rundown and impoverished condition of the blood, and if not corrected, Catarrh, Bronchitis, and even Consumption may be the result. S. S. S. promptly corrects all these evil effects.

Mr. J. A. Rice, Ottawa, Kan., writes: For three years I was troubled with Malaria, which caused my appetite to fall, and I was so reduced in flesh, that life lost its charms. I tried mercurial and potash remedies, but could get no relief. I then decided to try a few bottles of this wonderful medicine made a complete and permanent cure, and I now enjoy better health than ever.
