The Regulator carried 300 sacks of flour billed to Vancouver this morning. The shipment was made by the Diamond mills, and shows how a market is being found abroad for the products of our town. The flouring mill is only one of the many other industries that The Dalles should call its own.

This will be one of the features of the celebration. Mr. Saltmarsh has many friends, who are confident he will make a good record for himself while filling the honorable position of alderman.

A VERY QUIET ELECTION.

Very Little Interest Shown Yesterday--Only One Ticket in the Field--A Full Report.

All day yesterday the judges and clerks sat in the different polling places and begged people to vote. As only one ticket had been printed there was no excitement connected with the election. Some voted from sheer force of habit and others simply to make a good showing for the town. The highest vote was that given Mr. Burget for treasurer, who received 278 votes without a single one being cast against him. This is a compliment to a good man. The votes given George Ruch and Ed Phirman were complimentary on the part of their friends and there was no contest on the part of these gentlemen. There was a good deal of joking going on around the polls and everybody seemed good natured and disposed to get as much fun out of the day as possible. Most all of the minor scratching was done with a humorous view just to let the people know there was some originality on the part of the voter. Following is the complete vote by wards:

THE DALLES WILL CELEBRATE.

An Enthusiastic Meeting Last Night at the City Hall--A Committee Appointed to Canvas the Town.

Pursuant to the notices in THE CHRONICLE a large number of representative citizens met in the city hall last night and discussed plans for the coming Fourth of July. Everyone present took a deep interest in the meeting and the unanimous opinion was expressed that The Dalles not only could but should make preparations to observe the day in a proper spirit. Mayor Menefee called the meeting to order and was at once

chosen its chairman. Mr. John C. Hertz was elected secretary. After much discussion pro and con a motion was made and carried that the chairman appoint a committee of citizens to canvas the town and see how much money could be raised and what arrangements were possible to be made. The chairman appointed to serve on this executive committee Messrs. Ernest Jacobsen, Hugh Chrisman, John Hampshire, H. J. Maier, Judd S. Fish, John C. Hertz and Chas. Stephens. The mayor was appointed honorary member to serve with the committee.
 At the close of the meeting the executive committee held an informal meeting and decided to canvas the town today. They are meeting with good success and everything promises fair to make the day a grand success. The gentlemen in charge are all capable business men and have the proper enthusiasm. The Dalles invites a large attendance from the country and will do all in its power to give its guests a merry time.

Death of Hon. T. S. Lang.

No one was surprised today when the death of Hon. T. S. Lang was announced. Since Thursday he has lain in an unconscious condition, while he steadily grew weaker and weaker. On that day Mr. Lang started to go into the yard but finding himself in too weak a condition, returned to the house and lay down upon the bed, from which he never again was to rise. Since Sunday evening he has taken no nourishment, and the hour of death was known to be but a short while distant. This morning there was a marked change for the worse and shortly before 1 o'clock the spirit of Thomas S. Lang passed away.

Mr. Lang was born June 16, 1826, and was just two days past 69 years old. He had been a distinguished personage in the political life of Maine before coming to Oregon about the middle of the '70s. Mr. Lang first engaged in stock raising, and for several years was editor of the Wasco County Sun. His articles, especially upon the tariff question, attracted wide attention all over the Northwest and he was known as an authority from the protection standpoint.

Thomas Stackpole Lang was a man of most generous impulses, and those who had his friendship received loyal devotion. To the Indian was he especially a friend, and the remaining members of once powerful tribes went to Mr. Lang in their troubles, with the calm assurance that he would help them.

The death of this gentleman will be deeply regretted by the citizens of this

state, many of them men high in position. Although for the last year or two his life has been in such a precarious condition that active duties had been very much laid aside, yet he had long been a familiar figure in The Dalles, and his loss will be sincerely mourned. He leaves a wife and two daughters, a son having died many years ago.

At a later date we will give a biographical sketch of Mr. Lang. The notice of the funeral will be announced tomorrow.

Regarding John Hawthorne.

Deputy Sheriff Kelly received a telegraphic message from United States Marshal Grady asking him if a subpoena could be served upon Peter Klamath at Warm Springs. Mr. Kelly wired back to send the subpoena and when it arrived he dispatched Frank Gabel as a special deputy to serve the subpoena. Mr. Gabel started at once on horseback for Warm Springs and will reach there this evening. A subpoena was also served upon Mrs. Mary Hawthorne on behalf of the defense. The trial occurs in Portland, June 21st, and it seems to be a general impression that an acquittal will be the result. Sheriff Driver will be a witness in the case. Hawthorne is bearing his confinement well and is supplied with every necessity and luxury. It is understood that John F. Caples has been retained to plead for Hawthorne and if that be the case his cause will be eloquently presented.
