

Kingsley Notes.

Mr. James Kelly was in our burg last Monday. He reports grain looking well. Miss Mary Cox of The Dalles is visiting relatives and friends in Kingsley.

Thos. Bolton, the king of Irish comedians, was seen on our streets this week. Kingsley now boasts of a butcher wagon. Thus we glide.

Willis Hendrix was shaking hands with his friends in Kingsley last week. Call again, Willis.

Don't forget the school entertainment at the hall Friday evening. Wm. Clark and John Lowe have sold out and will start for Idaho about the 1st of July.

Several horses are in training for the July races. The Tygh Ridge boys are blooded. Wm. Donaldson is taking a rest, and in the meantime nursing a sore finger.

Last Friday night a social dance was given at the Hendrix hall. We are informed it was a very enjoyable affair. Grand preparations are being made for the Fourth of July celebration at the Hendrix place, near Kingsley.

Mr. Richard Gorman, who has been attending school at Mt. Angel, has returned home. Glad to see you, Dick.

Tygh Hill Road.

TO THE EDITOR:—As other roads are being boomed we think that our Tygh hill road should receive its share. It is now being put in excellent shape by Supervisor Frank Swift, who deserves praise in the way he is superintending the work. This road is not traveled extensively by the Crook and Sherman county freighters, but is used by the taxpayers, who paid their taxes that helped to build it, and therefore are entitled to assistance from the county.

If the county feels disposed to assist in this good work, with the gift of a few hundred dollars used under the superintendency of the supervisor, it would put the hill in better shape than it has been since it was built. There is some subscription work coming in, and while the ball is rolling let the county help and Tygh hill road will be a credit to Wasco county.

Good Templars Last Evening. To THE EDITOR:—Last evening the lodge had a pleasant evening and under good of the order a pleasant program was gone through with. Miss Graham read a comic piece entitled, "She Just Wanted to Know," which described an old lady in a large store and the trouble and discomfort she brought to the clerks.

Mrs. Varney followed with a beautiful solo upon the piano. The program ended with a recitation by Martha Schouling, entitled "Because She Loved Him."

All Good Templars are cordially welcomed at the lodge every Monday evening. We meet in Fraternity hall at 8 o'clock. All who wish to take an active part in the temperance cause and are not now members are invited to join.

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merriam's confectionery establishment.

Some months ago, on leaving the heated work room to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains.

He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Blakeley & Houghton, Druggists.

Whooping Cough. There is no danger from this disease Chamberlain's Cough Remedy is freely given. It liquefies the tough mucus and aids its expectoration. There is not the least danger in giving the remedy to children or babies, as it contains no injurious substance. For sale by Blakeley & Houghton, Druggists.

There is one medicine that will cure immediately. We refer to De Witt's Colic and Cholera Cure for all Summer Complaints. No delay, no disappointment, no failure. Snipes-Kinersly Drug Co.

Very bad policy to neglect symptoms of trouble in the kidneys. If allowed to develop they cause much suffering and sorrow. One in Four.

One person in four has a weak or diseased heart that entirely unfit them for business and social life, or is simply a little annoying. Disease is never at a standstill.

When the trouble first commenced, "Oh! well, it don't amount to much," and you let it go, let the disease insidiously get the mastery of you. You lose all courage; the slightest exertion tires you; your feet, ankles and legs swell; you cannot lie on your left side. Finally, you become so bad that you cannot lie down without smothering, and are compelled to get what sleep you can in a chair. You are urged to avoid this.

Have you the least little ambition left? Mrs. Eliza Cassidy, a mill employee of Lowell, Mass., had slight heart troubles many years ago. She neglected it for years. Her son tells the story best in his letters.

Waverley Bicycles.

Are the Highest of all High Grades.

Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels: RICHMOND, VA., Oct. 2, 1904.

Indiana Bicycle Co., Indianapolis, Ind. GENTLEMEN—The Waverley Scooter and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$50? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.

MALARIAL POISON

Results from atmospheric conditions, unclean premises, imperfect ventilation and more frequently from the deadly SEWER GAS. A general rundown and impoverished condition of the blood ensues, and if not corrected, Catarrh, Bronchitis, and even Consumption may be the result. S. S. S. promptly corrects all these evil effects.

Mr. J. A. Rice, Ottawa, Kan., writes: For three years I was troubled with Malaria, which caused my appetite to fail, and I was so reduced in flesh, that life lost its charms. I tried mercurial and potash remedies, but could get no relief. I then decided to try a few bottles of this wonderful medicine made a complete and permanent cure, and I now enjoy better health than ever.
