THE KIEL CANAL DEMONSTRATION

Commodore Bance Appointed to Succeed Admiral Meade.—Telegraphic Notes.

The Kiel Canal.

KIEL, June 19.—There was a heavy downfall of rain all this morning, and for a time it seemed likely to jeopardize the success of the fete attending the opening of the Baltic canal. Happily the clouds cleared away and a brilliant sunshine accompanied by a pleasant breeze followed. As a result the streets were alive with people, and everywhere the greatest animation prevailed. Many streets are decorated with triumphal arches, and with greeting to the emperor, the whole city presents a strikingly effective appearance. Flags of all nations were hoisted along the Alster at noon and sentries, at the doors of the principal hotels, to guard the imperial guests. Naturally the chief center of attraction was the seaport, where the display of warships attracted many thousand spectators. Those of the United States, Great Britain, Italy and Austria, were especially admired. At 8 a. m. the war vessels of 14 nations were represented and hoisted their flags to strains of anthems of their respective countries. Official introductions of foreign admirals and commanders to the port captain and the military commandant of Kiel, occurred on the Mars and concluded with an official interchange of visits. The Mars hoisted the flag of Admiral Knorr, who subsequently, accompanied by his commanders, visited the foreign squadrons, and many officers of various nations started for Hamburg to meet the emperor.

BIG FIRE AT SEATTLE

Property of the Consolidated Street Railway Burning.

SEATTLE, June 20.—The power-house of the Seattle Consolidated Street Railway Company, operating the Second-street, North Seattle, Green Lake, Third-street, Lake Union and South Seattle electric car lines, was destroyed by fire early this (Thursday) morning, with all its valuable contents. The building, which was of brick, occupied half a block on Pine street between Fifth and Sixth. The fire burst from the whole south side of the building and the entire building was in flames before an alarm was turned in.

There were 22 cars in the building, besides much valuable machinery, comprising one of the largest electric plants in the Pacific Northwest. The loss is estimated at \$200,000.

Growing Uneasy.

NEW YORK, June 19.—The Pacific Mail Steamship Company has filed a petition with Judge Brown, of the United States district court, asking for exemption from liability for all damage occasioned by the wreck of the Collins, and offers to surrender to the court for the benefit of those having claims against the company its interest in the wrecked vessel and all freight money earned in the last fatal voyage. Samuel H. Lyman was today appointed trustee to receive the transfer of the interest and hold it for the benefit of creditors who might prove claims. The court directed an order commanding all persons claiming damages by reason of the wreck to present their claims to Commissioner Thomas Alexander on or before October 1 next.

Female Highway Robber.

SAN JOSE, Cal., June 19.—Nora Belderain is in prison in this city charged with highway robbery. The woman

hired a horse and buggy from Louis Pfau in this city and drove to Los Gatos, where she picked up two young men. They started for Santa Cruz, and when about six miles on the road a farmer by the name of Hanger appeared on the road. As soon as Miss Belderain saw him she jumped out of the buggy, and whipping out a revolver, commanded him to throw up his hands, which Hanger did. She then went through his pockets and secured 40 cents, all the young fellow had.

A Californian's Luck.

SAN FRANCISCO, June 19.—Colonel A. E. Cochran, of San Diego, is about to become the possessor of an immense fortune through a North Carolina land agent. His attorneys, Senator Thomas J. Jarvis and ex-Attorney-General C. F. O. Davis, of South Carolina, have notified him to this effect. The grant, which is in the vicinity of Asheville, is at least 25 miles long and 11 miles wide, and comprises 100,160 acres. The land was granted to Colonel Cochran's grandfather, William Cochran, by George III, in 1745.

Italian Employee of the Congress Mine in No Danger.

PHOENIX, Ariz., June 19.—This morning a telegram was sent by the Italian consul at Denver to Governor Hughes, asking him to protect the Italian laborers in the Congress mine, 80 miles north of Phoenix; also that he has telegraphed Secretary Olney the situation, and asked him interference to protect their lives. A later telegram from Olney arrived, saying: "Protect the Italians miners at the Congress mine."

Guilty McLaughlin.

NEW YORK, June 19.—Police Inspector McLaughlin has been sentenced to two years and six months' imprisonment in Sing Sing. One week was allowed him to settle up his affairs. The police commissioners last night reinstated McLaughlin to his rank in the police force, from which the board dismissed him upon the finding of the jury that he was guilty of extortion in that office.

Another Imported Pugilist.

SPRINGFIELD, Ill., June 19.—Johnny Connors, the 105 pound pugilist, has accepted a challenge of Mike Small, 102 pounds, of England, for a finish fight for an amount to be decided upon later. Connors has notified the Coney Island Club and the Suffolk Club, of Boston, that he will meet Small before either of those clubs or will go to England and fight him.

The Korean Legation.

WASHINGTON, June 19.—The Korean government has made an allowance of \$8000 yen (about \$7000) to sustain a Korean legation at Washington. This is likely to be followed at no distant day by the appointment of a new minister or the return of the old minister, who has been in Seoul some months.

Ascot Races Marred.

ASCOT, England, June 19.—The second day of the Ascot meeting was marred by rain. All American horses were scratched. There were 20 starters for the Royal Hunt cup over the new mile (7 furlongs and 13 yards). Clorane won; Victor Wilde second Irish Car third.

Kennett Held for Manslaughter.

LOS ANGELES, Cal., June 18.—The examination of Ferdinand B. Kennett, slayer of Detective Lawson, was completed before Justice Young this afternoon. He was held for manslaughter and bail was put at \$20,000.

Emperor at Hamburg.

HAMBURG, June 19.—The imperial train arrived here at 4:12 p. m. Emperor William, who was in the best of spirits, inspected the guard of honor at the railroad station, and drove to Rathaus amid the incessant cheering.

To Succeed Meade.

WASHINGTON, June 19.—Commodore Bance has been appointed to the command of the North Pacific squadron, to succeed Admiral Meade.
