

DO YOU EXPECT To Become a Mother? If so, then permit us to say that Dr. Pierce's Favorite Prescription is indeed a true "Mother's Friend," for it makes Childbirth Easy by preparing the system for parturition, thus assisting Nature and shortening "Labor." The painful ordeal of childbirth is robbed of its terrors, and the dangers thereof greatly lessened, to both mother and child. The period of confinement is also greatly shortened, the mother strengthened and built up, and an abundant secretion of nourishment for the child promoted.

PAINLESS CHILD BIRTH.

Mrs. Emma Hurst, of Glenview, N. Y., says: "I read about Dr. Pierce's Favorite Prescription being so good for a woman with child, so I got two bottles last September, and December 18th I had a twelve pound baby girl. When I was confined I was not sick in any way. I did not suffer any pain, and when the child was born I walked into another room and went to bed. I kept my Extract of Smart-Weed on hand all the time. It was very cold weather and our room was very cold but I did not take any cold, and never had any after-pain or any other pain. It was all due to God and Dr. Pierce's Favorite Prescription and Compound Extract of Smart-Weed. This is the eighth living child and the largest of them all. I suffered everything that flesh could suffer with the other babies. I always had a doctor and then he could not help me very much, but this time my mother and my husband were alone with me. My baby was only seven days old when I got up and dressed and left my room and stayed up all day."

Mrs. Hurst.

Mr. Fuller returned to the valley last Tuesday by steamer Regulator.

The people of Mosier have a new cemetery. They selected a place on Mr. Lamb's farm, and he freely donated them the ground. It is nicely situated, and is worthy of its name, Lark Grove cemetery. The people met last Saturday afternoon and fenced and cleaned it up.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:

Richmond, Va., Oct. 2, 1894. Indiana Bicycle Co., Indianapolis, Ind.: GENTLEMEN—The Waverley Scorcher and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$55? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MURPHY & Co.
