

A SURGEON'S KNIFE gives you a feeling of horror and dread. There is no longer necessity for its use in many diseases formerly regarded as incurable without cutting. The **Triumph of Conservative Surgery** is well illustrated by the fact that **RUPTURE** or **Breach** is now readily cured without the use of a knife and without pain. Chumsy, chafing trusses can be thrown away! They never cure but often induce inflammation, strangulation and death.

TUMORS Ovarian, Fibroid (Uterine) and many others, are now removed without the perils of cutting operations.

PILE TUMORS, however large, other diseases of the lower bowel, are permanently cured without pain or resort to the knife.

STONE in the bladder, no matter how large, is crushed, pulverized, washed out and perfectly removed without cutting.

STRICTURE of Urinary Passage is cutting in hundreds of cases. For pamphlet, references and all particulars, send to cents (in stamps) to World's Dispensary Medical Association, 665 Main Street, Buffalo, N. Y.

MOTHERS and those soon to become mothers, should know that Dr. Pierce's Favorite Prescription robs childbirth of its tortures, terrors and dangers to both mother and child, by aiding nature in preparing the system for parturition. Thereby labor and the period of confinement are greatly shortened. It also promotes the secretion of an abundance of nourishment for the child.

Mrs. DORA A. GORHAM, of Oakley, Oregon Co., Ore., writes: "When I began taking Dr. Pierce's Favorite Prescription, I was not able to stand on my feet without suffering almost death. Now I do all my housework, washing, cooking, sewing and everything for my family of eight. I am stouter now than I have been in six years. Your 'Favorite Prescription' is the best to take before confinement, or at least it proved so with me. I never suffered so little with any of my children as I did with my last."

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Tutum, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Tutum is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated work room to run across the street on a rainy day, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was welcomed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Blakeley & Houghton, Druggists.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:

RICHMOND, VA., Oct. 2, 1894.

Indiana Bicycle Co., Indianapolis, Ind.

GENTLEMEN—The Waverley Scooter and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$85? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last [and you know that is a right good number], we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.

Yours truly,
