

THE DALLES GETS IT

A Saving of Thirty-Six Hundred Dollars to Music Loving Families of This City.

Two Carloads of Fine Pianos and Organs to Be Sold in The Dalles This Week from the Factory Direct.

I am pleased to announce to the citizens of The Dalles and surrounding country that two carloads of elegant Kimball pianos and organs will be sold here this week.

To persons who have been wanting a strictly first class instrument and have not been willing, or felt able, to pay the prices asked by small dealers and agents, I have a statement of extraordinary interest to make. Tomorrow morning at the old Chronicle building, opposite French & Co's bank, an opportunity will be afforded you such as you have never seen and will likely never see again in The Dalles, to get a piano at such a low price and on such easy terms.

How is this? you ask. Let me tell you.

We are shipping two carloads of pianos and organs to this city, as many instruments as any music house would sell in one year in the usual way. The rent of a good store, water, light, heat, incidental expenses and the salary of a competent salesman, and the business can not be run for less than \$300 per month.

At the end of the year it would have cost \$3600 to sell these instruments.

Now notice: We ship them here direct from our factory in full carload lots at about half the usual freight. We deduct that \$3600 from the net cash price of these instruments, and give it to you to come and get them quick, stop expenses and let us go. We will be just as well off as if we stayed here one year and sold them for \$3600 more, and will save all that valuable time. You will be \$3600 better off, for you will gain that amount in cash. It is a straight proposition and any business man can see the point. It can be done in no other way. The dealer who sells only two or three pianos a month must put that \$300 on his prices. This magnificent stock of new pianos and organs is from the great factories of which W. W. Kimball Co., of Chicago, which factories consists of five 5-story buildings with floor space of over 11 acres, and have a capacity of 30 pianos and 60 organs per day. This stock is incomparably the finest, most elegant and beautiful that ever came to this city, and offers an opportunity of a fine selection at your very door.

The Kimball piano has a world-wide reputation. It is used and indorsed by such musicians of national and international reputation as Adeline Patti, Lillian Nordica, Minnie Hauk, Sig. Ardit, Julius Parotti and many others too numerous to mention, also by all the orchestral leaders, viz., Gilmore, Sousa, Ruscheweyh, Herold and Liesegang. At the World's Fair the Kimball piano and organ took everything in the way of high honors and diplomas that was worth having, as the official records of awards show.

The guarantee of the Kimball Co., which represents millions, and whose capital is only exceeded by a few of the largest banks in the United States, goes with every instrument sold, and is as good as a government bond. The banks of the country are our references.

This shipment comprises a great variety of styles, sizes and prices of pianos in Mahogany, oak, walnut and rosewood cases, with handsomely engraved panels and carved tassels. Organs in satin walnut, oak and black walnut cases with French plate mirrors, double octave couplers, fortes and knee swells, all have two or more full sets of reeds.

If the people of The Dalles could realize what phenomenal bargains they are offered they would be in line at 9 o'clock tomorrow morning, at the old Chronicle building, to get one of these elegant instruments.

Out of 4,000 people in this beautiful city, I should have at least 100 customers for these two carloads of instruments. Come promptly for they will go quickly at the prices and terms I am offering. I can't stay long to sell instruments at these prices and on these terms old pianos and organs will be accepted at their market value in part payment for new pianos.

I also desire to say a word to the music profession.

While it is customary with some retail dealers to pay commissions to teachers and musicians to recommend this or that piano to their pupils or friends, I regret to say that on these pianos and organs, retailed at manufacturers wholesale prices with cost of laying them down here added, it is absolutely impossible to pay commissions to any one.

In conclusion, I will say again, if you want an instrument and expect to get one of this shipment, come to the old Chronicle building, opposite French &

Co's bank and get your choice. Store open every night during this sale till 9 o'clock. J. V. MOORE, Representative Kimball Factories.

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merrian's confectionery establishment. Some months ago, on leaving the heated work room to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Blakeley & Houghton, Druggists.

The constitution that has been broken down or weakened by long standing disorders in the liver and kidneys, is ill fitted to withstand the encroachment of disease. Such a person takes cold easily, cannot stand fatigue, and in cases of epidemics, is the first to fall a victim. The proper course is to remove the cause of weakness by treating the liver and kidneys. Dr. J. H. McLean's Liver and Kidney Balm will reach the seat of trouble and restore the diseased organs to healthy functional activity. Increased nourishment of the body will follow and the patient will rapidly regain health and strength. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

When your heart pains you and unusual palpitation is frequent, accompanied sometimes with shortness of breath and low spirits you are suffering from a disordered state of the liver, digestion is imperfect and there is wind on the stomach. If allowed to remain the trouble will ultimately reach the kidneys and then become dangerous to life. Steps should be taken to stay its progress on the appearance of the first symptoms. Dr. J. H. McLean's Liver and Kidney Balm is especially adapted for disorders of this kind. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

You cannot work well unless you feel well. No one can feel well with a disordered liver or diseased kidney. Diseases in the organs should receive prompt attention, as neglect will lead to much misery and sorrow. Dr. J. H. McLean's Liver and Kidney Balm should be taken as soon as the first symptoms of trouble are manifest. It is well known to all dealers in medicine as a safe and reliable cure for diseases in the liver or kidneys. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

Overwork, either physical or mental will produce weakness and loss of energy. Too many business or family cares, overwork in the harvest field, an excess of woman's work and worry will produce months of misery. To prevent this, the exhausted system should be reinforced immediately. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is an appropriate remedy. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

Whooping Cough. There is no danger from this disease Chamberlain's Cough Remedy is freely given. It liquefies the tough mucus and aids its expectoration. RICHMOND, VA., Oct. 2, 1894.

GENTLEMEN—The Waverley Scorcher and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$80? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.
