### Parliamentary Crisis Imminent.

#### ABOUT ENGLAND AND FRANCE

Their Relations Said to be Strained. Trouble Probable Between Russia and Japan Over Corea.

LONDON, June 26.—Conservative leaders seem to have opened Pandora's box of troubles in forcing the Rosebery government to resign. The latter have clearly the best of the situation. Lord Salisbury is compelled to make a cabinet with a hostile majority, and as events are now tending, will be obliged to go before the country with at least some indication of policy about the present burning social question.

The news of most interest in America is that Joseph Chamberlain having precipitated the present situation, has been disappointed in his ambitions. He demanded the chancellorship of the exchequer, but Lord Salisbury refused it, and gave him the secretaryship of state for the colonies, which he has accepted. This post is lower in point of official status than the home office, the war department or the admiralty.

The fact that Lord Dufferin has come from Paris has excited some uneasiness quite apart from home politics. It transpires that the present state of relations between this country and France is serious, if not threatening. It has been suggested that Lord Dufferin has been asked to undertake the lord lieutenantancy of Ireland, but the fact is that he cannot be permitted to leave Paris until the Anglo-French relations are much improved.

Late last night a report was circulated that Mr. Chamberlain had withdrawn his consent to accept the colonial secretaryship and had applied for the war office. But his appointment to that office would be immediately challenged, as he and his brother are largely interested in cartridge manufactures, which have contracts with the government.

According to the latest information dissolution will take place next week. The members of the McCarthy party have nearly all returned to Ireland to make preparations for the struggle. Redmond has stated that he will contest every seat in Ireland, which declaration might be interpreted that he is receiving other than Irish financial support. McCarthyite calculation is that his party will win three seats from Redmond and five from Ulster Tories, while they may themselves lose two; so that they expect a net gain of six. This is provided Healy does not raise a flag of revolt, which up to the present he has shown signs of doing.

LONDON, June 26.—Replying to Henry Labouchere, member for Northampton in the house of commons today, Right Hon. Akers Douglas, the conservative whip, said his party was anxious for the dissolution of parliament at the earliest possible moment, and hoped to be able to make a statement on the subject Monday next. He moved new writs for an election be issued in the cases of East Manchester, West Bristol, St. George's, Haover Square and West Birmingham, represented respectively by A. J. Balfour, the new first lord of the treasury; Sir Michael Hicks-Beach, chancellor of the exchequer; George J. Goschen, first lord of the admiralty, and Joseph Chamberlain, first secretary of state for the colonies, who have to be re-elected upon their appointment as cabinet ministers. The mention of Chamberlain's name was received with cries of "Judas" from the Irish benches.

Smothered by Fire-damp. Boonx, Ia., June 26.—John Marshall,

Jr., son of one of the proprietors of the Crowe & Marshall Coal Company, who was dipping water in the bottom of a shaft which the company was sinking, was observed to stop work and lean against the side of the shaft. A workman insisted on going after him, and was lowered into the shaft, but collapsed when he reached the bottom and was hauled out. Then John Thunell went down to save the young man. Here reached the bottom and took hold of Marshall to draw him into the cage, when he was overcome by fire-damp and fell out of the cage. It was half an hour before the air could be purified so that the bodies could be recovered.

#### Fruit War in Chicago.

CHICAGO, June 26.—South Water street had another sensational development yesterday in the fight begun recently by the Fruit Buyers' Association to stop California growers from selling fruit to the peddling trade at all auction houses.

A meeting of the association was held and a plan formulated whereby a new auction house and fruit exchange will be established and kept within control of the association. A license to incorporate the new concern has been secured, and a meeting of the association to elect officers and a board of directors will be held July 5. A representative has been sent to California to confer with growers, and from six to 10 agents will be placed in different parts of that state. The new combine will be one of the most gigantic ever formed on the fruit trade of the West.

The Greek and Italian peddling class will not be allowed within the doors of the new exchange, but what the fruit-buyers call reputable merchants will have free access.

Nearly all large fruit firms, as well as the grocers, are back of the new enterprise, and abundant capital is said to be forthcoming to give the concern practically a control of the disbursement of California fruit here.

Very bad policy to neglect symptoms of trouble in the kidneys. If allowed to develop they cause much suffering and sorrow. Bright's Disease, Diabetes and Dropsy owe their great prevalence and fatality to neglect of the first warning symptom. Dr. J. H. McLean's Liver and Kidney Balm is a certain cure for any disease or weakness of the kidneys. A trial will convince you of its great potency. Price \$1.00 per bottle. For sale by Snipes-Kinnersly Drug Co.

#### The Crime of a Drunken Man.

CHICAGO, June 26.—During a quarrel at an early hour this morning Joseph Synskonski, who was intoxicated, shot and fatally wounded John Hyzmski, and then shot and slightly wounded Frank Clinger and Andrew Lokowisk. Synskonski was arrested.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists.

#### Guilty of Embezzlement.

OAKLAND, Cal., June 26.—The jury in the case of Walter R. Lambert, ex-clerk of the police court, charged with embezzlement, found him guilty today. Lambert skipped to Honolulu and was arrested on his return. He was formerly a political boss in Oakland.

#### CONCERNING PIANOS.

Kimball's Methods a Menace to the Entire Trade.

(Chicago Musical News.)

The following advertisement has been given a prominent position in the daily papers of Washington, D. C., and has been printed in the Chicago Musical News and the American Hebrew News, of Portland. We desire to call the attention of the public to it.

The unfairness of the assertions it contains needs no emphasizing, for they will appear at once to the sense of right inherent in every legitimate dealer in pianos all over the country:

Next Tuesday will be a special bargain day on pianos at our store. We have found some grand bargains in new Upright Pianos (not the celebrated Kimball pianos), and propose to give the public a chance to secure new pianos next Tuesday at manufacturers' wholesale prices.

The prices Tuesday next for these new elegant Upright pianos will be only \$149 and \$159 each. Part time given if desired. These pianos will be on exhibit at our store all day Monday, but no sales will be made from this lot until Tuesday, and will continue that day only.

W. W. KIMBALL, Co., Metzerott Building, Cor. 12th and F. Sts.

The Kimball Company may regard such methods as fair and honorable, but they are open to the severest criticism in attempting to destroy the piano trade in Washington after many years of honorable work to promote it.

The unfairness of the card lies in the assertion that the pianos which are to be sold at sacrificial prices are not made by the Kimball company. Therein is the poison.

This whole scheme is perpetrated to give the Kimball pianos a position to which their merits do not entitle them. Although the Kimball advertisement declares these are not Kimball pianos which are to be slaughtered it does not enhance the value of their own instruments.

Those who are familiar with the Kimball pianos know perfectly well that the makers can afford to sell them at just such ruinous prices as are quoted for other instruments in their possession at Washington.

What is there in the Kimball piano to justify this step? Nothing.

The Kimball company make one of the cheapest pianos in the United States.

And after the Kimball piano is made ready for the market it is not then worth a place above a low rank.

When you come to think of it, can you name any genuine, first-class house that is selling the Kimball pianos?

The Kimball managers may consider they have made a brilliant stroke, but they are merely using gigantic power to foist a cheap make on the market.

The question is also one of a broader conception than mere local purview. Such advertisements as these cut at the root of the piano industry for they mislead private buyers.

We shall not let this subject stop here. It is fraught with grave danger to the entire trade, and although the Kimball company is composed of schrewd schemers, they may find they have far overstepped the bounds of legitimate business dealing.

E. JACOBSEN & Co., I. O. NICKELSEN.

While in Stockton Cal., some time ago, Thos. F. Langan, of Los Banos, that state, was taken very severely cramps and diarrhoea. He chance to meet Mr. C. M. Carter, who was similarly afflicted. He says: "I told him of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and we went to the Holden Drug Store and procured a bottle of it. It gave Mr. Carter prompt relief and I can vouch for its having cured me." For sale by Blakeley & Houghton, Druggists.

#### Another Oriental War Predicted.

LONDON, June 26.—Special dispatches from Shanghai say that well-informed officials express the opinion that war between Russia and Japan over Corea will break out before the end of three months.

#### Whooping Cough.

There is no danger from this disease Chamberlain's Cough Remedy is freely given. It liquefies the tough mucus and aids its expectoration. It also lessens the severity and frequency of paroxysms of coughing, and insures a speedy recovery. There is not the least danger in giving the remedy to children or babies, as it contains no injurious substance. For sale by Blakeley & Houghton, Druggists.
