If You Do, and Act on the Suggestion, You Will Never Regret It.

I would kindly suggest to those who may be considering the advisability of presenting the home with a piano, that if they will avail themselves of the unprecedented opportunities offered at this sale in that line, they will have made the bargain of a lifetime, and I can safely say that you will have saved enough in the transaction to fairly educate the family in music.

I am offering at this sale the very best pianos that money, brains and experience can produce; the class and character of which no man can dispute, and fully one-half lower than the regular retail price for the same class of goods the world over. The guarantee of the W. W. Kimball company, a firm worth millions, goes with every Kimball piano.

The Kimball pianos are in greater demand than any piano the world has ever produced, which is abundant proof of their excellence. No piano, of any name, at any price, will wear any better or retain its original beauty of tone any longer.

More than 600 Kimball pianos are in use in Oregon, at least two to one of any other make, and every possessor is happy; they could not be otherwise.

If you expect to get one of the instruments offered at this sale, you should call at the old Chronicle building at once.

MAGIFICENT STREET PARADE.

Every Department of the Great Syndicate Shows Superior.

The Emporia (Kansas) GAZETTE has the following to say of the Great Syndicate shows and Paris Hippodrome which is to appear in The Dalles on Saturday, July 6.

"The New Syndicate Shows came to town this morning, and as usual when that popular attraction is advertised the streets were lined with people at 11 o'clock as the parade moved down Commercial street. It was one of the most creditable pageants ever witnessed in the city, and the crowd all along the line from Seventh and Third avenues was amused and interested with the display.

"The tents were crowded at the performance which began at 2 o'clock this afternoon, and the entertainment showed a marked improvement over the usual circus performances, many new features being introduced in the circus performance. The menagerie was also very extensive and far superior to most wild beast exhibitions.

The Granda Rapid (Mich.) LEADER has to say of the New Great Syndicate Shows and Paris Hippodrome which will exhibit in The Dalles.

"It was a very large crowd that attended the circus performance given by the New Great Syndicate Shows last evening. Fully 3,500 people occupied the seats of the main tent and departed at the close of the entertainment well satisfied with the exhibition they had witnessed. The character of the entire show, from beginning to end, in every department, is pleasing and above reproach. It is from start to finish far beyond the ordinary circus and in quality is the peer of any in the land."

"The New Syndicate Shows form as large and complete a circus and menagerie as has ever visited Victoria. It created the most favorable impression." -Victoria (B. C.) Colonist.

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated work room to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Blakeley & Houghton, Druggists.

Waverley Bicycles. Are the Highest of all High Grades. Warranted Superior to any Bicycle built in the World, Regardless of Price. Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels: RICHMOND, VA., Oct. 2, 1894. Indiana Bicycle Co., Indianapolis, Ind. I received from you a Waverley Scooter and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$35. We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agent. Yours truly, WALTER C. MESSNER & Co. ILLUSTRATED CATALOGUE FREE.
