

## A CROSS INSULT.

To The Intelligence of The Citizens of The Dalles.

The article published over the signatures of I. C. Nickelsen and E. Jacobsen & Co., local pianos and organ agents of The Dalles is a tissue of falsehood from start to finish and is an insult to the intelligence of musical public and the citizens of The Dalles. Why? Because in publishing such an article these local agents are assuming that the musicians and citizens of The Dalles are a lot of ignoramus and that they do not know the great Kimball Co. of Chicago, and that they haven't sufficient intelligence to recognize a fine piano when they see one. Don't measure other peoples' wheat with your own bushels "brothers-in-arms." Remember that "Fools rush in where angels fear to tread."

Now for a few more cold facts not like those of a few days ago, which you have failed to crack. The Kimball piano and organ are handled by reliable dealers in Minneapolis, Butte, Tacoma, Salt Lake, Denver, Omaha, Los Angeles and Sacramento. The Kimball Co. have opened a house in the Marquam building in Portland, under my management, and handle the trade of Oregon itself. Why? Because there is no dealer, firm or corporation in the music business in the state of Oregon with sufficient capital to handle the Kimball, and the Kimball Co. were literally forced to open a house in Portland, or let this trade go to seed. We have two agents, and a dealer or firm who wants to handle the Kimball have to buy them outright. The Kimball is too well known for us to ship them out to agents to be paid for when sold. Now there, if you want to compete with the Kimball, Knabe or Chickering and we will place our Kimball alongside of it and compete with it anywhere and at any time, in tone, touch, material, construction, finish, durability and price. Bring on some first class, high grade piano or shut up.

The Kimball is a modern, up-to-date piano, handled on modern business principals and sold at moderate prices and on easy terms. The Kimball seems to be the common enemy; its the Kimball against the field. The clubs are always found under the best apple tree.

W. K. KIMBALL & Co., Pacific Coast Representative.

Robert Louis Stevenson's last story, "St. Ives," was left at his death practically completed, so it is stated by those who have seen the manuscript. Many chapters had even received the author's final revision. Stevenson had been at work upon this novel for more than a year, and the first half of it had been entirely rewritten several times.

The novel is said to deal with the adventures of a Frenchman captured in the Peninsula war and shut up in Edinburgh Castle. A love affair between him and a Scottish maiden; a duel on the maiden's account between him and a fellow-prisoner; and his escape from the prison, are a few of the episodes that promise a romance of as absorbing interest as any Stevenson has produced.

"St. Ives" will be published serially in McClure's Magazine: the price of which, by the way, is to be immediately reduced to 10 cents a copy.

Fine Goods and Low Prices Will Surely Tell.

Kimball still rolling out; more go out today and others will follow. What does it mean? It means that the people of The Dalles know a fine piano or organ when they see it and have the money to pick up a bargain when they find one. Don't think you are the only person thinking of buying one of these pianos or organs for we have prospective purchasers for everything in the store and if you delay making up your mind too long, some one else may get the instrument you want.

The constitution that has been broken down or weakened by long standing disorders in the liver and kidneys, is ill fitted to withstand the encroachment of disease. Such a person takes cold easily, cannot stand fatigue, and in cases of epidemics, is the first to fall a victim. The proper course is to remove the cause of weakness by treating the liver and kidneys. Dr. J. H. McLean's Liver and Kidney Balm will reach the seat of trouble and restore the diseased organs to healthy functional activity. Increased nourishment of the body will follow and the patient will rapidly regain health and strength. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

Pay the County Debt.

All county warrants registered prior to Nov. 1st, 1891, will be paid if presented at my office, corner 3d and Washington streets, The Dalles, Or. Interest ceases after May 25, 1895.

Wm. MICHELL, County Treasurer.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had con-

sumption and that there was no hope for her, but two bottles Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else, then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles at the Snipes-Kinersly Drug Store. Regular size 50c. and \$1.00.

An account of the rapid extension and immense business of the telegraph and cable systems of the world, and of the co-operation which enables one to telegraph across whole continents without change of language and for a price that can always be told in advance, will appear in McClure's Magazine for July, with many pictures.

Great interest is now taken in reports from the wheat growing regions and everything which tells of the grain prospects is of interest. Mr. Ezra Sexton, of Sherman county, has just come to The Dalles and says that so far the outlook can be called good in Sherman. The fall grain looks well and while some of the spring wheat has been damaged, there is still a great deal uninjured and an average crop may be secured. The volunteer is badly damaged, as in all probability it should be, as no one can call letting grain volunteer a thrifty way of farming. The wheat which was planted and ploughed deep is now looking the best.

Very bad policy to neglect symptoms of trouble in the kidneys. If allowed to develop they cause much suffering and sorrow. Bright's Disease, Diabetes and Dropsy owe their great prevalence and fatality to neglect of the first warning symptom. Dr. J. H. McLean's Liver and Kidney Balm is a certain cure for any disease or weakness of the kidneys. A trial will convince you of its great potency. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

The publishers of McClure's Magazine announce, to begin with the July number, a reduction of price to ten cents a copy and a dollar a year. They explain that they are able to make a magazine of the highest quality at this price, and that they propose to give the public the benefit of this ability.

Persons who are subject to diarrhoea will find a speedy cure in De Witt's Colic and Cholera Cure. Use no other. It is the best that can be made or that money can procure. It leaves the system in natural condition after its use. We sell it. For sale by Snipes-Kinersly Drug Co.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels: RICHMOND, VA., Oct. 2, 1894.

Indiana Bicycle Co., Indianapolis, Ind. GENTLEMEN—The Waverley Scorch-r and Be's came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$55? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 21 lbs., for of all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so-called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MERRICK & Co.
