

## A TERRIBLE RUSH

**TWENTY-SEVEN PIANO SALES IN ONE DAY.**

The Citizens of The Dalles Have the Same Opportunity--Will They Improve It?

A perfect jam would be putting it mild, in the great rush for pianos at the manufacturer's wholesale sale of the D. S. Johnston stock of pianos at 935 C street now being retailed by the manufacturer's.

Twenty-seven piano sales yesterday was the exact number made up to 9:30 in the evening, and at which time the store was still crowded with customers.

Taken from the cashier's books or sales slips on file for the day, we checked off the following purchasers of "Kimball" pianos alone:

H. Allan, M. D., 817 South Eleventh street.

S. J. Maxwell, secretary vice-president Northern Pacific railway.

H. E. Knox, chief Engineer, T. R. & Co.

W. E. Buckhart, dentist supply company.

J. A. Lawrence, 715 South I' hardware.

Mrs. S. M. Jackson, 723 North J street.

Rev. E. E. Morris, 2508 Yakima avenue.

Mrs. Geo. J. Osgood, Wheeler, Osgood & Co.

Mrs. Mary A. Fuller, 908 street.

L. B. McCoy, city officer.

Rev. L. H. Schuh.

S. E. Hill, vice-president Cascade oatmeal company.

Mr. A. S. Read, city officer.

Mrs. Maggie Bullock, 3010 Carr street.

Stephen O'Brien attorney.

Chas. Towne, proprietor Puget Sound Lumberman.

Mr. C. S. Torkeleon, architect.

F. M. Leibfried, deputy county auditor.

Miss Mae Browne, teacher, Dayton, Washington.

Wm. Ives, feed and wood dealer.

Jas. McCormick, Gros Bros. Co.

Besides these, there were four others for birthday or anniversary presents which names, by request are withheld.

The total amount of sales for the day amounted to \$6700--ever one-third cash, which shows that Tacoma is strictly "in it," and that the City of Destiny has lots of idle cash to invest, when favorable opportunities present themselves.

At the rate pianos were taken yesterday, the whole stock of 125 or more instruments will be disposed of this week.

It is astonishing what bargains are being had at this sale.--Tacoma Ledger.

The above article from the Tacoma Ledger gives some idea of the volume of business the Kimball Co. are doing on the Pacific coast, and shows the class of people who buy Kimball pianos and organs. This also explains why small dealers, agents and sub-agents are in such a state of excitement. When you get a pig by the ear he is sure to squeal. Kimball Co. have got him by the ear, and he is squealing.

If you want the finest piano or organ that money, brains and experience can build, one that is used and endorsed by the leading musicians of the day, call and see us and we will fix you out with one at manufacturer's wholesale price plus expenses of laying them down here, which is less than agents and sub-agents have been asking you for second class instruments. If it don't suit you to pay cash we will accept a cash payment down and you can pay the balance monthly or quarterly. If you want to know anything about us, go to your banker. The banks of the United States are our reference.

You cannot work well unless you feel well. No one can feel well with a disordered liver or diseased kidney. Diseases in the organs should receive prompt attention, as neglect will lead to much misery and sorrow. Dr. J. H. McLean's Liver and Kidney Balm should be taken as soon as the first symptoms of trouble are manifest. It is well known to all dealers in medicine as a safe and reliable cure for diseases in the liver or kidneys. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakeley & Houghton Druggists.

Karl's Clover Root will purify your blood, clear your complexion, regulate your bowels and make your head clear as a bell. 25c., 50c., and \$1.00.

## A GROSS INSULT.

To The Intelligence of The Citizens of The Dalles.

The article published over the signatures of I. C. Nickelsen and E. Jacobsen & Co., local pianos and organ agents of The Dalles is a tissue of falsehood from start to finish and is an insult to the intelligence of musical public and the citizens of The Dalles. Why? Because in publishing such an article these local agents are assuming that the musicians and citizens of The Dalles are a lot of ignoramuses and that they do not know the great Kimball Co. of Chicago, and that they haven't sufficient intelligence to recognize a fine piano when they see one. Don't measure other peoples wheat with your own bushels "brothers-in-arms." Remember that "Fools rush in where angels fear to tread."

Now for a few more cold facts--nuts like those of a few days ago, which you have failed to crack. The Kimball piano and organ are handled by reliable dealers in Minneapolis, Butte, Tacoma, Salt Lake, Denver, Omaha, Los Angeles and Sacramento. The Kimball Co. have opened a house in the Marquam building in Portland, under my management, and handle the trade of Oregon itself. Why? Because there is no dealer, firm or corporation in the music business in the state of Oregon with sufficient capital to handle the Kimball, and the Kimball Co. were literally forced to open a house in Portland, or let this trade go to seed. We have no agents, and a dealer or firm who wants to handle the Kimball have to buy them outright. The Kimball is too well known for us to ship them out to agents to be paid for when sold. Now then, if you want to compete with the Kimball, bring on your Steinway, Weber, Knabe or Chickering and we will place our Kimball alongside of it and compete with it anywhere and at any time, in tone, touch, material, construction, finish, durability and price. Bring on some first class, high grade piano or organ up.

The Kimball is a modern, up-to-date piano, handled on modern business principals and sold at moderate prices and on easy terms. The Kimball seems to be the common enemy; its the Kimball against the field. "The clubs are always found under the best apple tree."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,

It gave Mr. Carter prompt relief and I can vouch for its having cured me." For sale by Blakeley & Houghton, Druggists.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:

RICHMOND, Va., Oct. 2, 1894.

Indiana Bicycle Co., Indianapolis, Ind.

GENTLEMEN--The Waverley Searcher and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$55? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.

Yours truly, WALTER C. MERCER & Co.
