McClure Magazine for July will contain an illustrated article by Sir Robert Ball, Professor of Astronomy in the University of Cambridge, England, showing how recent scientific discoveries tend to bear out easily speculation in favor of the existence of life on other planets than the earth.

Among the numerous persons who have been cured of rheumatism by Chamberlain's Pain Balm, mention should be made of Mrs. Emily Thorne, of Toledo, Wash., who says: "I have never been able to procure any medicine that would relieve me of rheumatism like Chamberlain's Pain Balm."

Ladies who experience a sense of weakness, and sometimes lameness of the back should use Dr. J. H. McLean's Strengthening Cordial and Blood Purifier, it will supply the much needed strength and overcome all weakening irregularities.

The dramatic story of the rise of the Tweed "Ring" to such power that it was able to steal over fourteen million dollars, and then of its complete exposure and overthrow, will be told in McClure Magazine for July.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life.

Who is Colonel Moore?

Who Col. Moore is needs no explanation. He is the wholesale representative

tive of the millions-of-dollars company, manufacturers of a cheap piano. Wonder if he has ever smelled powder. He thinks that he knows how to handle explosives, but does not understand how to fire them.

If your pianos have merit, why don't you, Col. Moore, accept our challenge? You have claimed in print, and signified your willingness to meet us;

Very bad policy to neglect symptoms of trouble in the kidneys. If allowed to develop they cause much suffering and sorrow. Bright's Disease, Diabetes and Dropsy owe their great prevalence and fatality to neglect of the first warning symptom.

Overwork, either physical or mental will produce weakness and loss of energy. Too many business or family cares, overwork in the harvest field, an excess of woman's work and worry will produce months of misery.

The Columbia Ice Company will deliver ice to any part of the city. Thankful for past favors we solicit a continuance of the same.
