

The Latest From Fruit.

Saturday's bulletin to Mr. W. F. Pinkham, manager of the Fruit Union at The Dalles, gives the latest advices regarding the fruit situation. The markets for cherries today are still lower, selling for 65 to 75 cents in Montana and Spokane. At Denyer cherries bring 75 to 90 cents; Omaha, 75 cents. Home grown raspberries get \$1.50 to \$2 for 24-pound crates. Colorado strawberries, \$2. Missouri blackberries are coming in large quantities and with an immense crop of home grown berries prices will rule low. California peaches and apricots are selling from 65 cents to \$1.25. 200 boxes of cherries shipped by Offner of Walla Walla, sold this morning for 50 cents per box. Portland shipping cherries are selling for 3 cents. The demand is not very brisk and the prices will not advance. The cherry season seems about over and people are buying other fruits. The further shipment of Royal Annes is not advised. Black Republicans, if not injured by the rain, will carry well but prices rule low.

The Syndicate circus was well attended Saturday at both the afternoon and evening performance. Large crowds were in from the country and the streets of The Dalles were never more crowded with people. The circus was much enjoyed by the spectators and was well worth more than the price of admission. Some of the attractions were by far the best ever in The Dalles. Especially fine were the bicycle riders, some of whose feats were marvelous. They were as much at ease on their wheels as though walking on the ground and would ride around the platform in all kinds of difficult manners. The Japanese performers were also remarkably good and performed many new and difficult acts. Taken altogether the circus gave good satisfaction and would be well attended should it return.

There has been some talk on the streets and other places concerning the building of a telephone from The Dalles southward to Dufur, Kingley and possibly points at greater distance. In an interview with Mr. J. W. Condon, the manager of the company, that gentleman stated that his company stood ready to build the line as soon as a suitable inducement shall be given by dwellers along the route. The expense of the undertaking would be very large and unless a bonus were given the scheme could not well be considered. A telephone line to these places would be a great convenience to business men and it is hoped sufficient inducements can be given to insure its establishment.

A gentleman, who is in town for a short time, was one of the passengers on the Southern Pacific train which was robbed. He said it was a novel experience, but one that he did not wish repeated. The suspense of waiting to see what was going to happen was the worst. This gentleman hid his money and valuables, all but \$1, and when the robber came along offered to give him a check. The gentlemanly brigand declined with thanks, took the \$1 and passed to the next victim. The bombs exploding on the outside made an infernal noise and scared the passengers more than any part of the performance.

One of Prineville's best young men fell a victim to the slippery ways of circus men Saturday, and counts his loss at \$4. It was the change racket that did the work, a one dollar bill being substituted for a five, and in the hurry the recipient did not notice the deception until too late to raise a fuss. But the Prineville visitor got off luckily, a hard-working citizen of The Dalles concluded he had too much money, and unloaded \$100 in a gambling game. He is an employee of the railroad company, and should have known better. Several similar financial fatalities occurred.

Two Lives Saved. Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else, then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which there are samples, that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles at the Snipes-Kinersly Drug Store. Regular size 50c. and \$1.00.

Very bad policy to neglect symptoms of trouble in the kidneys. If allowed to develop they cause much suffering and sorrow. Bright's Disease, Diabetes and Dropsy owe their great prevalence and fatality to neglect of the first warning symptom. Dr. J. H. McLean's Liver and Kidney Balm is a certain cure for any disease or weakness of the kidneys. A trial will convince you of its great potency. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

A Household Treasure.

D. W. Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottle at Snipes-Kinersly Drug Co.'s Drug Store. Regular size 50c. and \$1.00.

The constitution that has been broken down or weakened by long standing disorders in the liver and kidneys, is ill fitted to withstand the encroachment of disease. Such a person takes cold easily, cannot stand fatigue, and in cases of epidemics, is the first to fall a victim. The proper course is to remove the cause of weakness by treating the liver and kidneys. Dr. J. H. McLean's Liver and Kidney Balm will reach the seat of trouble and restore the diseased organs to healthy functional activity. Increased nourishment of the body will follow and the patient will rapidly regain health and strength. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

"We had an epidemic of dysentery in this vicinity last summer," says Samuel S. Pollock, of Bricefield, Cal. "I was taken with it and suffered severely until some one called my attention to Chamberlain's Colic, Cholera and Diarrhea Remedy. I procured a bottle and felt better after the first dose. Before one-half of the bottle had been used I was well. I recommended it to my friends and their experience was the same. We all unite in saying it is the best." For sale by Blakeley & Houghton Druggists.

Among the numerous persons who have been cured of rheumatism by Chamberlain's Pain Balm, mention should be made of Mrs. Emily Thorne, of Toledo, Wash., who says: "I have never been able to procure any medicine that would relieve me of rheumatism like Chamberlain's Pain Balm. I have also used it for lame back with great success. It is the best liniment I have ever used, and I take pleasure in recommending it to my friends." For sale by Blakeley & Houghton, Druggists.

Overwork, either physical or mental will produce weakness and loss of energy. Too many business or family cares, overwork in the harvest field, an excess of woman's work and worry will produce months of misery. To prevent this, the exhausted system should be reinforced immediately. Dr. J. H. McLean's Strengthening Cordial and Blood Purifier is an appropriate remedy. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

Waverley BICYCLES.

Highest all Grades.

Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels: RICHMOND, VA., Oct. 2, 1894. Indiana Bicycle Co., Indianapolis, Ind. GENTLEMEN—The Waverley Scooter and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for 35? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 21 lbs., for of all Waverleys we have sold this year and last [and you know that is a right good number], we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MERRICK & Co.
