tol.E." The Dalles, Oregon.

NO ONE GOOD."

law, and we are still confident that the a clear sky, and the world is as well off. aforesaid law is largely to blame for the slow development of the resources of our great state. We have often questioned the wisdom of the usury laws, and there is much to be said in favor of leaving Union, would contribute a heap of the use of money to be regulated, like pleasure to us poor trash who can't afthe use of any other property, to compe- ford to go to the seashore or mountains tition. Because of the mortgage tax law, during the summer. We believe the loaning companies withdrew from Ore. owner of the lot would give us the loan gon almost entirely, and many farmers of it. Who will give the band-stand and business men were badly crippled and obtain the consent of the musicians? by the lack of capital. Washington farmers were able to borrow largely upon farm lands, while Oregon farmers struggled along with poorer improvements and fewer appliances. But what was relation which The Dalles bears to the our disadvantage is now a cause of congratulation. We have few mortgages, kindly feeling displayed to The Dalles of the state; receiverships in foreclusure have had a hard struggle to hold our farms and to secure the appliances with which to cultivate them; we have had to economize and pinch, but the lessons of economy, so unpleasantly taught, but so well learned, are worth more than all the advantages of excessive borrowing.

a benefit on the state, although in a very different way than what they expected. They are deserving of no credit, and railroad going east. And the good but we may congratulate ourselves upon results shown in these facilities, are seen but we may congratulate ourselves upon our good luck in not having big mortgages, beld by non-resident, and in
many cases insolvent mortgage companies, to distress us. Foreign capital
is a good thing—an important thing in is a good thing-an important thing in a new country-but mortgages, as a general thing, are a curse to farmers.

THE REDUCTION IN INSURANCE

no hearts; the reduction is simply, and only, for the purpose of holding alive

tendency.

A RETURN TO PRIMITIVE WAYS.

Jefferson merchants haul their freight from coats at Salem. The people have begun to realize that the country makes the railroad instead of the reverse.— Eugene Guard.

tunities. The Dalles has gone through and social life of The Dalles. the experience, and knows that concentrated effort and unselfish work will accomplish what was deemed impossible. town who made them possible. In another article the Guard says that the "example of The Dalles should strengthare working for steamer competition."

Everybody that comes from the Cas- himself. cades Locks gives the same cheerful report. Over 400 men are at work, forty last night and installed the following of whom are on the night shift. The officers: Sachem, F. H. Wakefield; upper bulkhead is being removed and junior sagamore, W. I. Marders; when this is done the whole undertaking prophet, Ad Keller. As this was the will seem to an unexperienced eye midsummer meeting, no other officers nearly completed. A bridge will be were installed. John Michell and W. built across the canal, instead of the H. Butts were chosen delegates to the bulkhead, to allow the cars to pass from grand powwow, which meets at Astoria one side to the other. Every bit of work | the latter part of this month. that is done now counts. It is said that pr. Miles' NERVE PLASTERS cure RHEUMA-FISM. WEAK BACKS. At druggists. only 25c.

Dalles and Eastern Oregon. The people are so well satisfied with the Regulator line that they will always have the support of our people. But there will be business enough for other boats also.

The Mazamas were promised perfect weather by the Oregonian; but for once a newspaper made a mistake. The allress all communication to "THE CHRON- important ascent of Mt. Adams yesterday was badly hazed, and mirrors were of little use, except for toilet purposes. THURSDAY, - . JULY 11, 1895 But if the expedition failed because of want of weather, we are nevertheless "IT'S AN ILL WIND THAT BLOWS hopeful that the world will revolve the same as ever. The campers were disappointed, but the crops were less dam-We used to deplore the mortgage tax aged than they would have been under

A Well Written Article.

The following from the Mitchell Monitor is a well-written exposition of the surrounding country. In view of the except such as are owned by residents by the country, whose trade it is possible for The Dalles to secure, and in seproceedings are seldom requested; we carring it benefit those who bring their W. A. Johnston, wool and wheat to our markets, every men to give all fac lities for making the bond between our city and its neighbors

he advantages of excessive borrowing.

The advantages which The Dalles possesses as a base of supplies for inland merchants, and as a shipping point for stockmen and rauch re, are obvious that city has fine shipping facilities, by the line of boats that run to Portland, anyone that this must be our trading point for some time to come. We cannot afford to throw away this certainty of the highest prices for our products to try experiments with other cities. For THE REDUCTION IN INSURANCE RATES.

Insurance business in the Northwest is topsy-turvy, and the companies are is topsy-turvy, and the companies are rushing pell mell to bind policy-holders to retain present policies, by conceding to them a twenty per cent rebate. It strikes the ordinary insurer that this is about right, and the present rate should continue. But this deduction is in no sense out of the kindness of the hearts and make it free the work would be sense out of the kindness of the hearts and make it free, the work would be of the companies, for corporations have little freighters are making nowadays.

This morning about 5 o'clock, Jailer But the war is here, and is expensive to was awakened by a knocking at the the agents and temporarily expensive to door. He got up and found a young the insurers; but, like all wars, it is rellow who asked for a meal.
