## SHERMAN POSITIVE.

He Will Not be a Candidate for President.

HIS FORMER AMBITION HAS GONE.

New Steamship Line Between Mexico and the United States--Other News.

New York, July 15.—A Herald special from Mansfield, O., says: "No I am not a candidate for the presidency, and if all the people of the United States should join together and offer it to me, I would not accept the position. I am too old. No man of 72 has the right to undertake the work and responsibility which comes to the chief executive of the United States. It is a position of wear and tear, and it should have a younger man."

"These were the words of Senator John Sherman as we sat together in a little summer house just back of his Ohio house yesterday. I had asked the senator point blank the question as to whether he again would become a candidate. That was his reply. It came from his lips in firm and decisive tones, and I could see that his presidential ambitions had passed forever."

IMPORTANT CONCESSION GRANTED.

New Steamship Line Between Mexico and This Country.

CITY OF MEXICO, July 15.—The secretary of communications has granted an important concession for a new steamship company, to be called "The Munson Steamship Line to Cuba and Mexico," which will ply between ports along the Atlantic coast of the United States and points along the Mexican coast.

New York and Philadelphia are named as the probable terminal points, but it is expressly stated that the company is permitted to select other stations. The contract names the Mexican ports of Tampico, Vera Cruz and Progreso, and may also touch coming and going at Texcoco, Alvarado and Tiscotalpan. There must be in the Mexican capital an agent with full powers to decide questions that may arise between the Mexican government and the company, besides agents at the Mexican ports, at which the steamers will touch. The company is given power to increase the number of its steamers touching Mexican ports to ply between Progreso and Cuba whenever it shall be convenient.

Wish Recognition.

PITTSBURG, July 15.—A stranger who registered at the St. James, under the fictitious name of H. Forepaugh, Alabama, was in Sanitago, Cuba, two weeks ago, before the Spanish government put in force the rule requiring all foreigners on the islands to have passports. Mr. Forepaugh seems to be well acquainted with the movements of the Cuban insurgents. He stated that on a vessel on which he sailed were 33 Cuban planters bound for Washington to intercede with the cabinet and president that the Cuban insurgents be recognized as belligerents by the United States. Some of the planters, Mr. Forepaugh says, went to Buzzard's Bay to see the president.

The Swiss President Chosen.

New York, July 15.—A special to the Herald from Buenos Ayres says:

A correspondent in Rio Janeiro telegraphs that the president of the Swiss republic will act as arbitrator between France and Brazil in the disputed question of the boundary limits of the territory of Amapa. Dr. Bianco will go to Geneva, Switzerland, on the part of Brazil.

Ecuador's Minister to Peru Resigns.

New York, July 15.—A correspondent in Guayaquil, Ecuador, telegraphs that Pallares Artella, Ecuador's minister in Lima, Peru, has resigned. Senor Artella

was appointed by the Quito government. He gives as a reason for his resignation that he can no longer recognize the weak and reduced government, as he characterizes it.

The Peruvian government is taking steps to recognize formally the government constituted in Guayaquil by General Alfaro.

Marvelous results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rivers junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Snipes-Kinersly Drug Co's Store. Regular size 50c. and \$1.00.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address:
