## WORSE FOR LIBERALS

### John Morley is Defeated in Newcastle.

### THE CHINESE WIN A FIGHT

### The Cuban Rebels Suffer Defeat—Work Will be Commenced on the Panama Canal.

LONDON, July 18.—The liberals received news of another serious blow when it was announced that John Morley, chief secretary for Ireland, under the Rosebery government, had been defeated at Newcastle-on-Tyne, where both conservative candidates were successful. The result is: C. F. Hammon, conservative, 12,833; W. G. Crundas, conservative, 12,170; John Morley, liberal, 11,802; J. Craig, liberal, 11,154; F. Hamill, labor, 2302. At the election in 1892 the total conservative vote was 13,823 to 25,063 polled during the election just ended, a gain of 11,230.

In Southport, Lancashire, S. W. Wright and Hon. George Curzon, conservative, sitting member, received 5161 votes; Sir H. S. Naylor-Leyland liberal, 4399.

Herbert Gladstone is elected by the following vote: Colonel North, conservative, 6218; H. J. Gladstone, liberal, sitting member, 6314.

At 3 o'clock this morning the following was the result of the elections: Conservatives, 253; unionists, 43, total, 396. Liberals, 70; McCarthyites, 34; Parnellites, 6; labor, 2; total, 112.

### THE PANAMA CANAL.

### Work Will be Recommended in August, it is Said.

COLON, July 18.—The entire Isthmian press is more than ever satisfied that the construction of the Panama canal is as good as an accomplished fact. The recent visit of the Nicaragua canal commission from the United States tended to stir up the rivalry to the Nicaraguan scheme.

The announcement is made that the work will begin here on a grand scale in August.

### Another Dark Cloud.

NEW YORK, July 18.—A dispatch to the Herald from Berlin says: It is considered in well-informed circles here that the scandalous murder of Stambouloff has added another dark cloud to a horizon already sufficiently dark. Franco-Russian intrigues in Abyssinia, the request made by the czar's government to Japan for her withdrawal of troops from Chinese territory, the reinforcement of the Russian fleet in the Far East, and the arrogance of the French chauvinism, are all factors rendering the present situation precarious.

### General Alfaro Starts on His Long-Contemplated Expedition.

PANAMA, July 18.—Advices from Guayaquil, Ecuador, say that General Alfaro has at last carried out his long-contemplated design, and started on his march for the interior of Ecuador. General Alfaro has under his command 1500 troops, and more are being mobilized to bring up the rear. A branch of the Red Cross society has been organized in Guayaquil and accompanies General Alfaro.

### Black Flags Victorious.

HONG KONG, July 18.—A large force of Black Flags recently attacked the Japanese troops at Kokoham, on the island of Formosa, and fought with desperate courage. The Japanese were only saved from defeat by superior discipline, and were finally compelled to retreat before the onslaught of the Chinese. When these advices left the island the Black Flags were advancing to attack Reckham.

### Cuban Rebels Defeated.

HAVANA, July 18.—Marshal de Campos

has arrived at Bayamo. Campos, and 200 cavalry, sustained fierce fighting and passed the enemy to the number of 3000 between Manzanillo and Bayamo. Many insurgents were killed and wounded. It is reported that Antonio Maceo, seriously wounded, was made a prisoner. The rebel chief Maso has sent his family to Santo Domingo.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address:

Mr. G. Caillouette, druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail, and was given up and told I could not live. Having Dr. King's New Discovery in my store, I sent for a bottle and began its use, and from the first dose began to get better, and after using three bottles was up and about again.
