### TRIAL OF DURRANT

San Francisco is Greatly Interested.

HUNDREDS SEEK ADMITTANCE

The Prisoner Wants a Change of Venue--Holmes May be Extradited--Other News.

SAN FRANCISCO, July 22.—Hundreds of people surrounded the county jail this morning, eager to see William Henry Theodore Durrant taken to the new city hall to be tried for the murder of Blanche Lamont and Minnie Williams, in Emanuel church last April. It was supposed that Durrant would be kept in jail until near the time for commencing the trial. The waiting crowds were disappointed. At 8:45 Sheriff Whalen sent his private buggy to the county jail. Durrant and Chief Jailer Sattler entered this open buggy and started alone for the city hall. No one saw them start except the deputy jailers. Durrant was not handcuffed and the pair attracted no attention as they drove quietly through the streets. The early hour disappointed watchers at both ends of the journey. After Durrant had passed into the courtroom where he was taken for safety, crowds began to gather at the jail and all the streets in the vicinity were black with people until long after the hour for opening the court. People early filled the corridors leading to the courtroom of Superior Judge Murphy, before whom Durrant is to be tried.

The defendant was represented by Attorneys Deuprey, Dickinson, and Thompson. District Attorney Barnes personally appeared for the prosecution, accompanied by Assistant District Attorney Peixotto. Captain of Detectives Lees and all the detectives under him were in or about the courtroom. When Judge Murphy said, "The case of W. H. T. Durrant, murder," Barnes said, "I am ready for the people." Attorney Dickinson, for the defendant, then formally moved for a change of venue, stating that if it should appear that it would be impossible to secure an unbiased jury, or should a state of feeling be developed as would render a fair trial improbable, he would reserve the right to renew his action, which he asked the judge now to pass upon. In support of his action, Dickinson said he would sub-

mit affidavits of the defendant. The judge insisted that the affidavits should be read, although counsel said that the reading would occupy today and tomorrow. Attorney Deuprey then began to read Durrant's affidavit, which stated that owing to publications in the local press the minds of the public are inflamed against the defendant, and the press and the people are violently prejudiced against him, so that he believed he could not have a fair trial. In support of this statement, Deuprey read as part of the affidavit excerpts from three morning and three evening papers, published in San Francisco, including practically everything that has been written about the Durrant murder.

**The Discovery Saved His Life.**

Mr. G. Carlonette, druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail, and was given up and told I could not live. Having Dr. King's New Discovery in my store, I sent for a bottle and began its use, and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Snipes & Kinersly's.

**Holmes to be Extradited.**

**Strikers Win Their Cause.**

MILWAUKEE, July 22.—The strike at Kenosha, Wis., was settled without the aid of the state board of arbitration. The men's demand for a return to the old wages which prevailed before the panic has been agreed to by the manufacturers.

"We had an epidemic of dysentery in this vicinity last summer," says Samuel S. Pollock, of Briceland, Cal. "I was taken with it and suffered severely until some one called my attention to Chamberlain's Colic, Cholera and Diarrhea Remedy. I procured a bottle and felt better after the first dose. Before one-half of the bottle had been used I was well. I recommended it to my friends and their experience was the same. We all unite in saying it is the best."
