

TO PUT ON
needed flesh, no matter how you've lost it, take Dr. Pierce's Golden Medical Discovery. It works wonders. By restoring the normal action of the deranged organs and functions, it builds the flesh up to a safe and healthy standard—promptly, pleasantly and naturally. The weak, emaciated, thin, pale and puny are made strong, plump, round and rosy. Nothing so effective as a strength restorer and flesh maker is known to medical science; this puts on healthy flesh not the fat of cod liver oil and its filthy compounds. It rouses every organ of the body to activity, purifies, enriches and vitalizes the blood so that the body feels refreshed and strengthened. If you are too thin, too weak, too nervous, it may be that the food assimilation is at fault. A certain amount of bile is necessary for the reception of the fat foods in the blood. Too often the liver holds back this element which would help digestion. Dr. Pierce's Golden Medical Discovery stimulates, tones up and invigorates the liver, nourishes the blood, and the muscles, stomach and nerves get the rich blood they require.

Spent Hundreds of Dollars with no Benefit.
M. J. COLEMAN of 33 Sargent St., Roxbury, Mass., writes: "After suffering from dyspepsia and constipation with untold agony for at least 18 months, I am more than pleased to say that after using Dr. Pierce's Golden Medical Discovery and Pleasant Pellets for one month, I was entirely cured, and from that day to this I do not know, thank God, what even a slight headache is. I paid a doctor on Tremont St., Boston, in one day for his advice only (the sum of \$200) with \$250 for medicine, and derived no benefit. I got more relief in one hour from your medicines, as far as my stomach was concerned, than from all the other medicine I used."
If any person who reads this is suffering from dyspepsia or constipation and will use your medicine as I have done, he will never regret it."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional

cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address:

DID YOU EVER
hear tell of a purchaser wanting to buy an imitation? Why do men who try to sell such articles speak of the act as "working them off"? Simply because people want the best, and it takes work and likewise deception to sell them the worst. This unpleasant experience may befall the housekeeper who determines to

TRY COTTOLENE

The healthfulness, flavor, and economy of this wonderful cooking product has won for it the widest popularity, which in turn has attracted the attention of business parasites who are "working off" imitations and counterfeits. CONCERNING PIANOS.
Kimball's Methods a Menace to the Entire Trade.

[Chicago Musical News.]
The following advertisement has been given a prominent position in the daily papers of Washington, D. C., and has been printed in the Chicago Musical News and the American Hebrew News, of Portland. We desire to call the attention of the public to it.

The unfairness of the assertions it contains needs no emphasizing, for they will appear at once to the sense of right inherent in every legitimate dealer in pianos all over the country:

Next Tuesday will be a special bargain day on pianos at our store. We have found some grand bargains in new Upright Pianos (not the celebrated Kimball pianos), and propose to give the public a chance to secure new pianos next Tuesday at manufacturers' wholesale prices.

The prices Tuesday next for these new elegant Upright pianos will be only \$149 and \$159 each. Part time given if desired. These pianos will be on exhibit at our store all day Monday, but no sales will be made from this lot until Tuesday, and will continue that day only.

W. W. KIMBALL, Co.,
Metzerott Building, Cor. 12th and F. Sts.
The Kimball Company may regard such methods as fair and honorable, but they are open to the severest criticism in attempting to destroy the piano trade in Washington after many years of honorable work to promote it.

The unfairness of the card lies in the assertion that the pianos which are to be sold at sacrificial prices are not made by the Kimball company. Therein is the poison.

This whole scheme is perpetrated to give the Kimball pianos a position to which their merits do not entitle them. Although the Kimball advertisement declares these are not Kimball pianos which are to be slaughtered it does not enhance the value of their own instruments.

Those who are familiar with the Kimball pianos know perfectly well that the makers can afford to sell them at just such ruinous prices as are quoted for other instruments in their possession at Washington.

What is there in the Kimball piano to justify this step? Nothing.

The Kimball company make one of the cheapest pianos in the United States.

And after the Kimball piano is made ready for the market it is not then worth a place above a low rank.

When you come to think of it, can you name any genuine, first-class house that is selling the Kimball pianos?

The Kimball managers may consider they have made a brilliant stroke, but they are merely using gigantic power to foist a cheap make on the market.

The question is also one of a broader conception than mere local purview. Such advertisements as these cut at the root of the piano industry for they mislead private buyers.

We shall not let this subject stop here. It is fraught with grave danger to the entire trade, and, although the Kimball company is composed of schreud schemers, they may find they have far overstepped the bounds of legitimate business dealing.
