

### Antelope Items.

To THE EDITOR:—Wm. Newton, an old and respected citizen of Antelope, died at his home Saturday, from dropsy of the heart and was buried this morning at Bake Oven.

Mr. Bolton and family, Mr. Hinkle and family and Mr. Kelsay's family of Buck Hollow went fishing and camping on Pine Hollow. They report a good time and a catch of about 300 fine trout.

E. M. Shutt has been spending the week in Portland, a delegate to the grand lodge, A. O. U. W.

Paul Kretz of The Dalles has just completed the painting of the large residence of Mr. Brogan and is now painting and papering the residence of Thos. Harper.

Thos. Harper was badly hurt by a kick from a vicious horse he was shoeing, but he is able to be around again.

Chester, son of W. Bolton, is quite sick with brain fever. We hope to hear of his speedy recovery.

Rev. Hinton held services Saturday night, Sunday and Sunday night at the schoolhouse. Mr. Hinton contemplates organizing a Baptist mission at Antelope and building a church. Antelope has the unenviable reputation of being the largest village in Oregon without a church building of any kind.

The carpenters are at work building a 40-foot addition to the Antelope feed barn owned by W. D. Jones.

The ground is being broken for the new Antelope public hall and opera house, being built by Chas. Durham, the sawmill man. It will be 30x90 feet, two stories. The lower floor is to be fitted up for a dance hall and the upper floor for a lodge room and opera, with a fine stage. Arthur Stewart, the well known contractor and builder of Antelope, has the contract for its construction, which insures a fine building.

Mrs. Doc. Kinney and Mrs. Grant Ashby spent Sunday in town.

Miss Laura Kelsay is spending a few days in town, the guest of Mrs. Wallace. Ed. Murphy has arrived home from the valley, making the trip on horseback.

We were informed that Mr. J. Hollingshead contemplates forming a partnership in the mercantile business with Mr. Oaks, the Mitchell merchant.

Hay harvest is nearly over in this vicinity. C. V. Lane, who has been very sick for some time, is improving with fair prospects for recovery.

Mrs. Rodgers has so far recovered as to move out to her own home.

Alex. Kirchheimer has received his appointment as fire insurance agent and will fill a long felt want in this vicinity.

Mrs. Stockers' residence had a close call by fire one day last week, but prompt action saved the house with but small loss.

W. D. Jones and Arthur Stewart made a business trip to the Trout and Willow creek sawmills last week.

Frank Irvine and Sam Patterson went hunting one day on Juniper Ridge and returned with thirty-one fine grouse.

Going to the mountains to camp, hunt and fish is the order of the day this hot weather.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address:

Before one-half of the bottle had been used I was well. I recommended it to my friends and their experience was the same. We all unite in saying it is the best."
