ROBBED A FARO BANK.

Bold Work of a Mexican Outlaw and His Companion.

RATON, N. M., July 24.—Martinez, the escaped Trinidad murderer, and a companion held up a saloon here last night, compelling eight men to stand still while they swept \$500 off the faro table into a sack. They backed out, keeping the gamblers covered with revolvers and escaped to a part of the country where Martinez has many friends' and the officers are afraid to follow them.

Sentenced to Twenty Years.

TRENTON, N. J., July 24.—John S. Collins, the negro who shot and killed student Frederick Ohi at Princeton last June, and was convicted of murder in the second degree, was today sentenced to 20 years of hard labor in the state prison. He was required to plead to an indictment for atrocious assault upon Barrett Cochran, another student, who he shot at the same time. His counsel entered a plea non vult contendere. Upon this plea Collins was sentenced to 10 years more, but the court decided to allow the sentence to run concurrently.

Five Men Under Arrest.

WAUSKONATORIO, July 24.—Five men are under arrest on suspicion of being connected with the hold-up on the Lake Shore at Reese's station last night. Two tramps who were on the train jumped off when the shooting began, ran back to Archibald and notified the Lake

Shore people, and in less than three hours a special train carrying the sheriff and a posse, with detectives, arrived at the scene of the robbery and began to scour the country.

May Have Gone to Japan.

DENVER, July 24.—It is believed that Frederick L. Smith, the missing manager of the John W. Knox Jewelry Company, and son-in-law of Mr. Knox, has gone to Japan. Benedict & Phelps, attorneys for Knox, say Smith ran the company into debt \$40,000, but just how does not appear.

They also say he raised \$25,000 before his departure, putting up the company's diamonds as collateral.

Still Looking for Brady.

WOODLAND, Cal., July 24.—Officers are still scouring the country in pursuit of Train-Robber Brady. The hunt was maintained all night about ranches but no trace of Brady or his companion could be found. Detectives are now searching the neighborhood of Madison, Davidville and Gray's Bend. They think they are hot on the bandit's trail.

A Blaze in San Francisco Does Much Damage.

SAN FRANCISCO, July 24.—Fire this morning on Commercial street started in a coffee-roaster owned by Tillmam & Bendel, and consumed the building and a stock of coffee and spices, a stock of liquors adjoining, a cigar factory and a tailor shop. The loss is \$50,000, fully insured.

Went up with a Rush.

CHICAGO, July 24.—Wheat went up with a wild rush today, closing almost 5 cents higher than yesterday, at 71 1/2. The principal cause for the sensational advance was the slight movement in wheat, which, with higher foreign markets, scared the shorts into a wild scramble for cover.

Two Girls Drowned.

FORT COLLINS, Colo., July 24.—Kate O'Laughlin and Fannie Shafere, each about 14 years old, waded into the water while fishing at Berry's lake today, and sinking in a drop hole, were both drowned. They belonged to prominent families in this town.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Miss Whitney's Engagement.

NEW YORK, July 25.—A dispatch from Newport, R. I., to the Evening World, reports the engagement of Miss Pauline Whitney, daughter of ex-Secretary Whitney, to Mr. Almerac Paget, of St. Paul, Minn., a member of an English family, and brother of Colonel Arthur Paget.

"We had an epidemic of dysentery in this vicinity last summer," says Samuel S. Pollock, of Briceland, Cal. "I was taken with it and suffered severely until some one called my attention to Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle and felt better after the first dose. Before one-half of the bottle had been used I was well. I recommended it to my friends and their experience was the same. We all unite in saying it is the best." For sale by Blakeley & Houghton Druggists.

Expedition to Aid Cubans.

Among the numerous persons who have been cured of rheumatism by Chamberlain's Pain Balm, mention should be made of Mrs. Emily Thorne, of Toledo, Wash., who says: "I have never been able to procure any medicine that would relieve me of rheumatism like Chamberlain's Pain Balm. I have also used it for lame back with great success. It is the best liniment I have ever used, and I take pleasure in recommending it to my friends." For sale by Blakeley & Houghton, Druggists.
