### TROOPS ON THE WAY

**Soldiers Leave Cheyenne For The Front.**

**GREAT EXCITEMENT PREVAILS**

**Murderer Attracts Suspicion to Himself—Twenty Whites Reported Killed—Other News.**

POCATELLO, Idaho, July 25.—Reports from Market Lake say that the Rexburg paper of today reports that nine white people were killed by the Bannocks near Jackson's Hole, but there is no way to confirm the report, and it is not believed.

A courier is expected at Market Lake early from the vicinity of Jackson's Hole with the latest news. There has been nothing received at Market Lake for three days of an authentic nature.

Forty-four cars of United States cavalry left Cheyenne tonight for Market Lake with provisions, tents, etc. They will reach Pocatello tomorrow. It is certain that all of the passes are closely guarded in and out of Jackson's Hole, which accounts for the meager news.

The troops will be immediately piloted by Wind river, and it is likely trouble will be made after their arrival. It is feared that the Indians will take advantage of the few numbers of settlers and commit wholesale murders before the soldiers can interfere.

Four hundred Lemhi Indians are reported to have joined the Bannocks on all river, and are preparing to make an onslaught upon the whites. It is probable that Governor McConnell will be called upon to aid in suppressing violence. Several tourists are in Pocatello waiting results before making their departure for Yellowstone Park. Indian agent Tetor is at Fort Hall agency awaiting the arrival of the cavalry from Cheyenne.

**None But Ayer's at the Worlds Fair.**

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparilla sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

**How a Murderer Attracted Suspicion to Himself.**

CITY OF MEXICO, July 25.—Jesus Ibera, the slayer of Pedro Mendoza, is under arrest for the deed, which was committed last Saturday. The homicide from the day of the event, went daily to the place of the tragedy, gave a glance of horror at the ground, and then would go his way sadly and thoughtfully. His attraction for the spot finally diverted suspicion to him and caused his arrest.

**Racing in Irish Waters.**

KINGSTON, July 25.—The Alisa and Britannia started today at 8:30 a. m. in the second day's racing of the Royal Irish Yacht Club regatta, over the same course as yesterday.

The Niagara and Dakota started at noon in the for 20-raters.

The race for 20-raters was stopped at the end of the first round. Time—Niagara, 1 hour 49 minutes; Dakota, 2 hours 3 minutes 50 seconds.

**Twenty Whites Reported Killed by Indians Tuesday Evening.**

BOISE, Idaho, July 25.—The mail driver at Market Lake reports that a courier has arrived at Rexburg, Idaho, from Jackson's Hole with the report that a fight occurred Tuesday evening, and 20 white men were killed. If true, it is strange the courier has not yet reached here.

**The King Cheered.**

BRUSSELS, July 25.—The king walked out on foot on the crowded streets today

and was greatly cheered, in strong contrast to the reception which he met with after presenting the colors to the civil guard yesterday.

**Rains Put Out Forest Fires.**

TRAVELER CITY, Mich., July 25.—A heavy rain, the first of any consequence in two months, has fallen here, effectually checking the smouldering forest fire.

**Failure at Fort Worth.**

FORT WORTH, July 25.—W. H. Taylor, a prominent drygoods merchant, has failed. The assets are \$103,000; liabilities \$43,000.

**Bishop of Winchester Dead.**

LONDON, July 25.—Right Rev. Anthony Wilson Thorold, D. D., bishop of Winchester, is dead, in his 71st year.

**Fire at Ottumwa.**

OTTUMWA, Ia., July 25.—Fire today destroyed 10 buildings, including the Bank of Melrose.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

"We had an epidemic of dysentery in this vicinity last summer," says Samuel S. Pollock, of Briceland, Cal. "I was taken with it and suffered severely until some one called my attention to Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle and felt better after the first dose. Before one-half of the bottle had been used I was well. I recommended it to my friends and their experience was the same. We all unite in saying it is the best." For sale by Blakeley & Houghton Druggists.

There is one medicine that will cure immediately. We refer to De Witt's Colic and Cholera Cure for all Summer Complaints. No delay, no disappointment, no failure. Snipes-Kinersly Drug Co.
