DREADFUL MASSACRE

The Bannock Indians Shed American Blood.

SOLDIERS LATE IN COMING

Every Inhabitant of Jackson's Hole Reported Murdered—Worse News Feared.

POCATELLO, Idaho, July 26.—William Ross, of the firm of Ross, Grey & Wyatt, has just arrived at Market Lake from St. Anthony, and reports everybody in Jackson's Hole killed this morning. It is considered authentic news, and excitement is intense. The United States troops from Cheyenne will arrive in the city in the morning at 6 o'clock, and will leave at once for Market Lake, and hence by wagon road for the Fall river country. Courier Sargent arrived in Market Lake this morning from the vicinity of Jackson's Hole. He left a companion in the country, who intended proceeding into the Hole if possible and return with the news. He is expected at Market Lake tonight. Sargent reports all the passes guarded, and is afraid his companion will not be able to obtain an entrance.

License on Banks.
CHICAGO, July 27.—City Collector Mass has found a way to make banks help support the city government. According to an old ordinance, which has never been enforced, among those compelled to pay license fees to the city for the privilege of doing business, are "banks, brokers, commission merchants, grain and produce dealers, real estate and insurance agents." National banks are exempt, but notices have gone to all the

others. The fee is \$25 a year. This means an additional revenue of \$20,000.

Among the numerous persons who have been cured of rheumatism by Chamberlain's Pain Balm, mention should be made of Mrs. Emily Thorne, of Toledo, Wash., who says: "I have never been able to procure any medicine that would relieve me of rheumatism like Chamberlain's Pain Balm. I have also used it for lame back with great success. It is the best liniment I have ever used, and I take pleasure in recommending it to my friends." For sale by Blakeley & Houghton, Druggists.

In His Own House.
HOBOKEN, N. J., July 26.—After a battle of three-quarters of an hour, during which he stood off three officers trying to arrest him last night for beating his wife, John Spellishy, of Union Hill, was killed in his own house. Spellishy was the most desperate man in New Jersey.

"We had an epidemic of dysentery in this vicinity last summer," says Samuel S. Pollock, of Briceland, Cal. "I was taken with it and suffered severely until some one called my attention to Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle and felt better after the first dose. Before one-half of the bottle had been used I was well. I recommended it to my friends and their experience was the same. We all unite in saying it is the best." For sale by Blakeley & Houghton Druggists.

Columbia Sailed for Home.
SOUTHAMPTON, July 26.—The United States cruiser Columbia sailed for New York at 12:30, on a speed test across the Atlantic.

Persons who are subject to diarrhoea will find a speedy cure in De Witt's Colic and Cholera Cure. Use no other. It is the best that can be made or that money can procure. It leaves the system in natural condition after its use. We sell it. For sale by Snipes-Kinersley Drug Co.

Persians Take a Hand.
PARIS, July 26.—A dispatch from Constantinople says sanguinary conflicts have taken place between the Turks and Persians on the Persian frontier.

Reader, did you ever take SIMMONS LIVER REGULATOR, the "KING OF LIVER MEDICINES?" Everybody needs a liver remedy. It is a sluggish or diseased liver that impairs digestion and causes constipation, when the waste that should be carried off remains in the body and poisons the whole system. That dull, heavy feeling is due to a torpid liver. Biliousness, Headache, Malaria and Indigestion are all liver diseases. Keep the liver active by an occasional dose of Simmons Liver Regulator and you'll get rid of these troubles, and give tone to the whole system. For a laxative Simmons Liver Regulator is BETTER THAN PILLS. It does not gripe, nor weaken, but greatly refreshes and strengthens.

Every package has the Red Z stamp on the wrapper. J. H. Zellan & Co., Philadelphia.

Has Struck a Rock.
St. Louis, Mo., July 29.—The democratic city central committee has split on the question of primaries for selection of delegates to the state silver convention at Pertie Springs, August 28. Ten committeemen refuse to participate in the primaries on the ground that they are not called as a democratic convention, but for the avowed purpose of promoting unlimited coinage of silver at a ratio of 16 to 1.
