

# NOT A SICK DAY For Over Thirty Years!

RESULT OF USING  
**AYER'S PILLS**

"Ayer's Cathartic Pills for over thirty years have kept me in good health, never having had a sick day in all that time. Before I was twenty I suffered almost continually—as a result of constipation—from dyspepsia, headaches, neuralgia, or boils and other eruptive diseases. When I became convinced

that nine-tenths of my troubles were caused by constipation, I began the use of Ayer's Pills, with the most satisfactory results, never having a single attack that did not readily yield to this remedy. My wife, who had been an invalid for years, also began to use Ayer's Pills, and her health was quickly restored. With my children I had noticed that nearly all their ailments were preceded by constipation, and I soon had the pleasure of knowing that with children as with parents, Ayer's Pills, if taken in season, avert all danger of sickness."—H. WETSTEIN, BYRON, Ill.

### The Massacre Again Reported.

CHICAGO, July 28.—Despite the denials from Washington in regard to the alleged massacre at Jackson's Hole, a local paper has the following special from Market Lake:

"Late this afternoon a courier from the Teton river valley reached Market Lake with a dispatch from some ranchmen who were barricaded in a ranch in the valley this side of Jackson's Hole. The message reads:

"Use influence to hurry the soldiers forward. The Indians are murdering, burning and pillaging. For God's sake, lose no time."

"The courier cannot tell what was the extent of the massacre at Jackson's Hole. He believes none escaped alive. The torch has been applied beyond the range, and the fires could not be seen at night."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address:

### A Durrant Witness Who was Induced to Leave the Town.

SAN FRANCISCO, July 27.—The detectives in the Durrant case are tracing the career of Charles F. Clark, a Boston wine drummer, who, the defense states, was induced to leave here in order that he would not appear as a witness for Durrant. It is said that Clark knows Durrant and was acquainted with Blanche Lamont. On the afternoon of the murder of Miss Lamont, Clark is supposed to have seen the girl in a car with a young man who closely resembled Durrant but was not he. If such testimony is produced at the trial, it would go far to offset statements of several witnesses at the preliminary examination, who swore that they saw Durrant and the girl together, on the afternoon she disappeared. Clark's deposition will be taken in Boston in Durrant's interest. The police detectives deny that they induced Clark to leave town, and that they never heard of him before.

### Water Injunction Denied.

DENVER, July 27.—In the district court today, Judge Butler denied the application for an injunction to restrain the Denver Union Water Company from shutting water off from the premises of people who have not paid their water bills. The judge said that if citizens had any criticisms to offer, they should be made to the council which neglected to pass an ordinance fixing rates in accordance with the contract with the company.

### A Remedy Against Grasshoppers.

This season, where the farmers and fruit growers have suffered from the annoyance of grasshoppers, every one is looking for some remedy against the pests. The following, which is said to be efficacious, is taken from the Pacific Tree and Vine, published in San Jose:

Grasshoppers in some counties have done damage. Bran, 10 pounds; arsenic, 1 pound, and Paris green 1 pound, mixed with a quart or two of molasses and water, enough to moisten well, a spoonful in a place, will do for the grasshoppers. Army worms must be fought with furrows, perpendicular side next the field to be protected, with straw in bottom, and fired every now and then.

We have some complaints of a mildew or blight on apple trees—the twigs turn white, wither and die. If the fruit is injured so as to be worthless, Bordeaux Mixture might be sprayed on at once, which would check the trouble, probably, and a healthy foliage grow this summer and fall. It is likely the same thing sprayed in early spring would entirely prevent it.

There comes a time to all of us, when we feel mean and "out of sorts" and in a condition to invite disease. It is then we need such a remedy as Dr. J. H. McLean's Strengthening Cordial and Blood Purifier. To persons exhausted by sickness or overwork its invigorating influence is surprising, promptly restoring health, energy and cheerful spirits. Price \$1.00 bottle. For sale by Snipes-Kinersly Drug Co.

## It's Right Against Common Sense

to suppose that an imitation offers the customer any guarantee like the original does. Take *Cottolene* for example.
