MORTON'S CHANCES

Thomas C. Platt Talks of Levi's Prospects.

NEW YORK WILL HELP HIM

The "Crime of a Century" Company Spends a Night in Jail—Riot Rages in Alabama.

New York, July 30.—The World today says: In the corridor of the Oriental hotel last night Senator Thomas C. Platt said to a reporter:

"I do not know that Governor Morton is a candidate for the presidency. If he is, he has not confided in me, and I have no other means of getting trustworthy information on the subject."

"If you should learn that he is a candidate, would you help him all you could?"

"Yes; I would do all I could to advance his cause."

"Do you think the delegation from this state would endorse him?"

"I don't see how they could do anything else. In fact, I have no doubt whatever that the delegation would endorse him heartily if he is a candidate."

Recent Discovery on White River, in Arizona.

YUMA, Ariz., July 30.—On White river, near Camp Apache, has been found a remarkable cave. For 500 feet the explorers were obliged to crawl on hands and knees, using candles and bull's-eye lanterns for light. They found between 300 and 400 human skeletons, indicating the remains of persons who had been smothered to death by smoke long years ago. Some of them were in crevices just large enough to admit a human body. The skeletons are of various sizes, some being very small. The skulls are of a brown color with the exception of a few, which are white.

The White Mountain Apaches are very superstitious about the cave, and say that within it there is a large lake of water, but intend to explore further. There are but two ways of entering it.

Work on the Mexican Railroad is Being Pushed.

CUERNAVACA, Mex., July 30.—The Mexico, Cuernavaca & Pacific railroad has just been completed to Las Tres Marias, a distance of 74 kilometers from the City of Mexico, and the construction of the line to this city is being vigorously pushed. Colonel J. H. Hampson, the president of the road, states that it will require an expenditure of over \$1,000,000 to complete the road to this city from its present terminus. He states that the prospects are bright for building the line to the port of Acapulco on the Pacific coast after this city has been reached.

Could Not Get Her Cargo Aboard.

COLON, July 30.—The Pacific Mail steamship from Panama for San Francisco could not get her through cargo aboard, it is reported, on account of the strike.

Most of the strikers at Panama are Colombians. They have issued a manifesto to proclaim as their motto "Unity and Strength."

Spent the Night in Jail.

SAN FRANCISCO, July 30.—The members of the theatrical company who were arrested last night for producing "The Crime of a Century" at a local theater in defiance of Judge Murphy's order, failed to get bail and spent the night in jail. An attempt was made to obtain bonds late last night. It is stated the prisoners will be released today.

Drowned in the Streets.

COLUMBUS, O., July 30.—A cyclone and cloudburst at Wellston today flooded the streets and cellars. It carried away the waterworks dam, drowning some Italians working on the street-railway cut before they could escape.

A Coal-Laden Schooner Became Water-Logged—Her Crew Saved.

LORRRAINE, O., July 30.—During a gale this morning the schooner Republic, in tow of the steam barge Swallow, coal lad-

en, became waterlogged and sank in 40 feet of water two miles off this port. The tug Cascade succeeded in rescuing the crew of eight men, clinging to the rigging.

Prominent Editor Dead.

NEW YORK, July 30.—Leo Munser, one of the proprietors of the Courier des Etats Unis, and its former managing editor, died suddenly and unexpectedly in Paris Sunday. Mr. Munser, prior to his retirement from active service, was one of the most prominent figures in Franco-American journalism.

"We had an epidemic of dysentery in this vicinity last summer," says Samuel S. Pollock, of Briceland, Cal. "I was taken with it and suffered severely until some one called my attention to Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle and felt better after the first dose. Before one-half of the bottle had been used I was well, I recommended it to my friends and their experience was the same. We all unite in saying it is the best." For sale by Blakeley & Houghton Drugists.

BIRMINGHAM, Ala., July 30.—A riot is raging at Brookside, fourteen miles west, between negroes and whites over the killing of a deputy sheriff by a negro. Four men are reported killed.
