

### NOT A SICK DAY For Over Thirty Years! RESULT OF USING AYER'S PILLS

"Ayer's Cathartic Pills for over thirty years have kept me in good health, never having had a sick day in all that time. Before I was twenty I suffered almost continually—as a result of constipation—from dyspepsia, headaches, neuralgia, or boils and other eruptive diseases. When I became convinced

that nine-tenths of my troubles were caused by constipation, I began the use of Ayer's Pills, with the most satisfactory results, never having a single attack that did not readily yield to this remedy. My wife, who had been an invalid for years, also began to use Ayer's Pills, and her health was quickly restored. With my children I had noticed that nearly all their ailments were preceded by constipation, and I soon had the pleasure of knowing that with children as with parents, Ayer's Pills, if taken in season, avert all danger of sickness."—H. WETSTEIN, BYRON, ILL.

#### WEATHER BUREAU.

Weather Crop Bulletin No 18 of the Oregon State Weather Service for Eastern Oregon.

Weather—Decidedly the warmest weather for the season occurred on Monday and Tuesday, the temperature reaching 104 deg. on Tuesday at Walla Walla; during the remainder of the week the weather was comparatively cool, with some cloudiness. On Tuesday light sprinkles of precipitation occurred.

Special grain report—Heading has commenced with vigor in all the Columbia river counties. Crops of fall-sown grain are turning out better than the expectations warranted. This condition is especially evident on low ground. Barley sown in the fall is a good crop, though the yield will be below the average. There is a smaller acreage of barley. Spring-sown grain crops are still suffering. Warm, dry weather has made a failure of them as a rule. The crops in Wasco and Sherman are very good, approaching near to the average. Recently great numbers of grasshoppers, have come over into Wasco and Sherman from the adjacent counties on the east, they have done much damage to crops in general, though all crops are advanced. The oat crop seems to have suffered the most. On low land, where the oats are green the grasshoppers have cut off the stalk as well as the blade. The average yield of fall-sown grain will also be reached in Walla Walla valley, but the spring-sown has suffered in that section. Wasco and Sherman counties and the Walla Walla valley will produce a good quality of fall-sown grain. In the other Columbia valley counties the berry grain will be shivered. Only grain on low ground will produce a good quality. In sections of Union and Baker counties some spring grain had been cut for hay, since the warm weather dispelled the hope that it would still fill and become a fair crop. A conservative estimate of the grain crop south and east of the Blue mountains is two-thirds of an average. A very good quality will be produced in Malheur, Klamath and Harney from the irrigated lands. Grasshoppers are still doing destructive work. Early frosts damaged more grain than the drouth in the elevated sections. There is an abundance of fruit, and the fruit shipments are very large. Peaches, plums and early apples are of finest quality. Fall apples will be abundant. Potatoes are still green, though if the warm, dry weather continues the potatoes will be small and the yield light. Haying continues with generally light yields. The spring wheat and oats which have been cut for hay, together with the old hay left over from last season, will improve the prospects for the winter. There are some very good fields of alfalfa. All ranges are suffering for rain. There is not grass sufficient on the range to supply the needs of stock. A rain even at this late date would benefit many crops and improve the range grass.

#### Revelation of Wealth.

The Winnipeg Journal is enthusiastic over the Great Wallace Shows. It says: "The parade made in the morning was a revelation of wealth and splendor that fairly dazzled the beholders. The cost of such a display must be simply appalling, the dens and wagons being covered with ivory and glittering gold, every horse a thoroughbred, and all animals caparisoned in silk and satin—a solid mile of them altogether. Everything about this immense organization seems perfect; the uniformly courteous and quiet deportment of all employees was widely commented upon and created the most favorable impression."

Reader, did you ever take SIMMONS LIVER REGULATOR, the "KING OF LIVER MEDICINES?" Everybody needs take a liver remedy. It is a sluggish or diseased liver that impairs digestion and causes constipation, when the waste that should be carried off remains in the body and poisons the whole system. That dull, heavy feeling is due to a torpid liver. Biliousness, Headache, Malaria and Indigestion are all liver diseases. Keep the liver active by an occasional dose of Simmons Liver Regulator and you'll get rid of these troubles, and give tone to the whole system. For a laxative Simmons Liver Regulator is BETTER THAN PILLS. It does not gripe, nor weaken, but greatly refreshes and strengthens.

Every package has the Red Z stamp on the wrapper. J. H. Zeilin & Co., Philadelphia.

#### Without Foundation.

MILWAUKEE, July 30.—According to the latest information, the missing Canadian yacht sensation is largely imaginary. The cries heard on the lake came from a man hanging to a small capized boat.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

#### None But Ayer's at the Worlds Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparilla sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels: RICHMOND, VA., Oct. 2, 1894.

Indiana Bicycle Co., Indianapolis, Ind. GENTLEMEN—The Waverley Scotch and Be's came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to sell us that this wheel retails for \$85? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MERRICK & Co.
