

NOT A SICK DAY For Over Thirty Years! RESULT OF USING AYER'S PILLS

"Ayer's Cathartic Pills for over thirty years have kept me in good health, never having had a sick day in all that time. Before I was twenty I suffered almost continually—as a result of constipation—from dyspepsia, headaches, neuralgia, or boils and other eruptive diseases. When I became convinced

that nine-tenths of my troubles were caused by constipation, I began the use of Ayer's Pills, with the most satisfactory results, never having a single attack that did not readily yield to this remedy. My wife, who had been an invalid for years, also began to use Ayer's Pills, and her health was quickly restored. With my children I had noticed that nearly all their ailments were preceded by constipation, and I soon had the pleasure of knowing that with children as with parents, Ayer's Pills, if taken in season, avert all danger of sickness."—H. WETSTEIN, Byron, Ill.

Crops in Sherman County.

Harvesting is running full blast in Sherman county and the farmers are at their busiest season. The acreage this season will not be as large as last year, but the decrease will not materially affect the amount of grain shipped from the county. Mr. D. C. Ireland, of the Moro Observer, has personally visited many localities and writes to his paper that the outlook for a good crop in Sherman as bright and the prospects for a good price cheering. While there may be some truth in the unfavorable reports from the eastern parts of the state because of dry weather in Umatilla, Morrow and Baker counties, he insists that Sherman county be left out of such a schedule. Sherman county will come up to the mark with a good yield and do her share in helping prosperity return.

Mr. C. G. Strong, principal of the public schools at Anderson, Cal., says: "I have used Chamberlain's Pain Balm and have found it an excellent remedy for lameness and slight wounds." Lameness usually results from a sprain, or other injury, or from rheumatism, for which Chamberlain's Pain Balm is especially intended and unequalled. It affords almost immediate relief and in a short time effects a permanent cure. For sale by Blakeley & Houghton Druggist.

The September number of The Forum will contain a notable paper by Professor Caesar Lombroso, the eminent Italian Criminologist, summing up the most noteworthy results that have been achieved in criminology.

"It is the best patent medicine in the world" is what Mr. E. M. Hartman, of Marquam, Oregon, says of Chamberlain's Colic, Cholera and Diarrhoea Remedy. "What leads me to make this assertion is from the fact that dysentery in its worst form was prevalent around here last summer and it never took over two or three doses of that remedy to effect a complete cure." For sale by Blakeley & Houghton Druggist.

"Chautauqua: Its Aims and Influence" is the title of an exhaustive article by Professor Albert S. Cook, of Yale University, in the August number of The Forum. He describes the Chautauqua system of education, explains its aims, and tells of the far-reaching influence it is exerting not only in the United States, but throughout the world.

Reports From the Car of Plums.

The bulletin from the first car of plums reached The Dalles this morning and is published below. There will probably be another report tomorrow telling how the balance of the car sold.

"U. P. Wickes' refrigerator car No. 31,872, from The Dalles, arrived at Milwaukee, Wis., in good condition. Four hundred crates sold today for 80 cents and balance of the car will be sold tomorrow. As the markets are well supplied with California plums and Michigan and Georgia peaches, prices would have ruled much lower to place the entire car on market. This is the first car of peach plums shipped from Oregon this season. Prices in other eastern markets generally ruling. Crawford peaches, 60 cents; German prunes, 80 cents; peach plums, 75 cents; Yellow Egg, 70 cents; Bartlett pears, \$2.

"Portland local markets, blackberries selling for 1 1/2 cents; peaches, good free stones, well packed, 60 to 75 cents; poor stock 25 to 30 cents. We would advise limited shipments of good, well packed peaches, locally, but it will not pay to ship to Eastern markets. Peach plums are worth nothing in Portland and are generally too ripe for Eastern markets. "Apples—40 to 50 cents, as a great many are now coming in from surrounding country and farmers peddling. Hungarian and other plums will soon be ready for shipment and also Bartlett pears and we would advise you to make arrangements for shipment immediately."

One night when Mr. Isaac Reese was stopping with me, says M. F. Hatch, a prominent merchant of Quartermaster, Washington, I heard him groaning. On going to his room I found him suffering from cramp colic. He was in such agony I feared he would die. I hastily gave him a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He was soon relieved and the first words he uttered were, "what was that stuff you gave me?" I informed him. A few days ago we were talking about the attack and he said he was never without that remedy now. I have used it in my family for several years. I know its worth and do not hesitate to recommend it to my friends and customers. For sale by Blakeley & Houghton Druggist.

Senators Protest.

MADRID, July 30.—Republican and Carlist senators and deputies have addressed a protest to the government against the payment of the Mora claim without the sanction of the cortes. The protest declares the government's precipitancy in settling the claim is unconstitutional and humiliating, and the conduct of the United States in taking advantage of the Cuban insurrection to press this claim is an exhibition of an unfriendly disposition.

The government has decided to pay the Mora claim in three installments. It is the intention afterward to induce the United States to recognize Spanish claims for damages to property in Florida, of Spanish citizens, incurred during the civil war.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparilla sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Mr. A. A. Snyder, Supt. Poor Farm, Winneheik Co., Ia., says:—Last winter Mr. Robert Leach used two boxes of DeWitt's Witch Hazel Salve and cured a large running sore on his leg. Had been under care of physicians for months without obtaining relief. Sure cure for Piles. Snipes-Kinersly Drug Co.

Waverley Bicycles.

Are the Highest of all High Grades.

Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels: RICHMOND, Va., Oct. 2, 1894. Indiana Bicycle Co., Indianapolis, Ind. GENTLEMEN—The Waverley Scooter and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$55? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents. Yours truly, WALTER C. MEECHER & Co.
