THEY CANNOT STOP IT

There is no Law Against the Coming Fight.

A FOREST FIRE IN MICHIGAN

The Populists of Ohio held a Convention--Coxey Proves the Centre Interest.

DALLES, Tex., Aug. 1.—Ex-City Judge Charles Feckler, regarded as one of the clearest legal minds in Dalles, stated the law governing prize-fighting as follows: "The last legislature adopted a new criminal code which made prize-fighting a misdemeanor, punishable with a fine not less than \$500 or more than \$1000, and an imprisonment of 30 days. This law went into operation July 20. That legislature also subsequently passed a civil code and it enacted that fight may take place by taking out a license for \$600. This law goes into effect September, 30 days before the Corbett-Fitzsimmons contest. There is no doubt the supreme court will hold it is or will be the law after the 1st day of September. The civil code was adopted last and, therefore, will take precedence over the other."

This opinion is concurred in by every lawyer in Dalles, who has read the law, and there is no power to prevent the Corbett-Fitzsimmons fight.

Attempt to Wreck a Train on a High Grade.

JACKSON, Mich., Aug. 1.—Monday night an attempt was made to wreck the Chicago express on the Michigan Central near Wattman, a small station near Kalamazoo. A young man named Warwick was walking along the track when he discovered a stick of bridge timber lying across the rails, only a few moments before time for the train. The matter was placed in the hands of Detective Parker, who learned that a

man named Herman Tyler had been talking of the affair a good deal and finally arrested him. Tyler pleaded guilty and was placed in Pawpaw jail. He said it was placed there because he thought suspicion would be directed toward one Freeman, and he wanted to get even with him for some fancied wrong. The locality where the attempt was made is on a high grade, and had the engine struck it a dreadful loss of life would have resulted.

MUCH LUMBER BURNED.

At Least 60,000,000 Feet Destroyed at Menominee Last Night.

MENOMINEE, Mich., Aug. 1.—It was at first thought that two men were killed in the big lumber fire here last night, but this has proved an error. Many were injured by flying timbers, those most seriously hurt being: Anderson Levine, head cut; Keate, chief of the department, nose broken; Stiles, postmaster, head cut; an unknown boy, legs broken and skull fractured.

As nearly all the territory about was covered with lumber and other inflammable material, the fire caught simultaneously at several points, and baffled the efforts of the firemen, licking up every stick of timber in the district, to the amount of fully 60,000,000 feet.

Populists in Convention.

COLUMBUS, O., Aug. 1.—The populist state convention met here today. The party in 1893 cast 15,500 votes, and last year 49,500. Hugh Preyer, the leading Ohio greenbacker, called the convention to order. Four women are present. The convention is a fine looking body. J. S. Coxey, the professed candidate for governor, is the center of interest.

George A. Groat is temporary chairman.

In his speech, Groat steered between the factions represented. Silver was not mentioned. His party, he said, was the one to right the wrongs of the people.

A Colorado Railroad Will Have to be Rebuilt.

FLORENCE, Colo., Aug. 1.—The Florence & Cripple Creek railroad tracks have been washed away for 15 miles from a point 18 miles south of Cripple Creek, and the roadbed will have to be practi-

cally rebuilt. For a distance of three miles north of Adelaide canyon it is impassable. President Johnston has put a large force of men at work, and expects to have repairs completed in 10 days.

Is Not an A. P. A.

Boston, Mass., Aug. 1.—The Traveler today publishes a letter from James Boyle, the private secretary of Governor McKinley, of Ohio, denying in the governor's name that the latter is a member of the American Protective Association. Rev. James Brady, of the People's church, at a public meeting a fortnight ago asserted that Governor McKinley was a member of the order mentioned, and believed in its principles.

CLEVELAND, Aug. 1.—M. A. Bradley, owner of the big steamer Alva, today received the following dispatch from Captain J. A. Holmes, master of the Alva: "Barge (whaleback) No. 117 ran into the Alva at the engine-room gangway, making a large hole three feet below the main deck. The engine-room is full of water. Will put a steam pump aboard to keep the cargo free."

It is a big thing to say but nevertheless true, that a great multitude of people have crowned Simmons Liver Regulator, the "King of Liver Medicines." There is nothing like it for Malaria, Rheumatism, Chills and Fever, Constipation, Biliousness, Sick Headache, Indigestion and all troubles arising from a sluggish or diseased liver. Simmons Liver Regulator is the prevention and cure for these ailments.

Fire at Durham.

DURHAM, N. C., Aug. 1.—Reams's large tobacco warehouse and operahouse, Blacknall's drug store, and Amet, Ellis & Stone's dry goods store, besides several small business houses, were burned today. The loss will aggregate \$100,000.
