### COXEY FOR GOVERNOR

Ohio Populists Name Their Candidates.

NOT ALTOGETHER HARMONY

Horr and Bryan are Invited to Salem—The Defender Ahead—English Church in Politics.

COLUMBUS, O., Aug. 2.—After two turbulent sessions today the Ohio populists succeeded in adopting a platform and naming a state ticket. They adjourned late this evening, but some of the more influential members of the party are not pleased with the results. General Coxe was triumphant in everything, and it was the predominance of Coxeism and his novel ideas that does not please some of the conservative populists. Aside from the indorsement of the Omaha platform, the indorsement of Coxe's non-interest-bearing bond scheme and good-roads bills, and the denouncing of the trial of Debs, are the principal points in the platform. The complete ticket: Jacob S. Coxe, governor; John H. Crofton, of Hamilton, lieutenant-governor; George Harper, of Green, treasurer; William Baker, of Licking, attorney-general; E. D. Stark, of Cuyahoga, supreme judge; William Agloyd, of Tuscarawa, public works; Thomas H. Hickman, of Morrow, clerk of the supreme court.

After the convention adjourned it was discovered no one had been nominated for the important position of auditor of state. The state central committee will supply the omission later.

**Killed by a Train.**

PENDLETON, Aug. 2.—A young man attempted to steal a ride on the brake-beam of the passenger train last night at Umatilla, going toward Portland. He failed to get a secure seat, and was dragged, holding to the brake rod. He

was picked up by the trainmen nearly dead, and sent back to Pendleton this morning. His legs were broken and crushed to a jelly by beating on the ties, and his body was burned by heat from friction. He gave the name of J. B. Hunt, but died on the train this morning before giving further particulars.

It has been discovered by the officials that he is the son of J. J. Hunt, a well-to-do hotel-keeper at Port Townsend. He was a youth of about 20 years.

**A Fight For Life.**

SALT LAKE, Aug.—The desperate horse thieves and murderers, Coughlin and George, were met by Salt Lake police officers today in City Creek canyon, seven miles east of Salt Lake, and a terrific battle ensued. During the fusillade the officers fired over 600 shots at the outlaws, who were protected in the rocky cliffs, behind which they crouched on their knees and returned the fire. The outlaws were finally driven from their fortress and mounted their horses. A well-directed shot by Capt. Shannon caused Coughlin's horse to fall, after which the thieves abandoned their horses and started off on foot, closely followed by the officers.

**Fredericks' Effects to Be Displayed in a Dime Museum.**

SAN FRANCISCO, Aug. 2.—The effects of the late William Fredericks, murderer of young Herrick, the bank cashier, are to be displayed in a dime museum. Several enterprising showmen have been after the articles and have made offers for them. They will be exhibited in San Francisco for a time and will then be sent East. That is the program if Attorney Colwell, who defended Fredericks, and owns the articles, gets his price. The articles consist of rings, pistols and the entire outfit used by the murderer when he went on his robbing expeditions.

**The Columbia River East Inside the Golden Gate.**

SAN FRANCISCO, Aug. 2.—The steamer Mineola, belonging to the Southern Pacific Company, came in through the Golden Gate last night having in tow a raft built on the Columbia river, and containing between 6,000,000 and 7,000,000 feet of lumber. The raft is made of piles, so closely bound together that not a single timber moves. Their are 405,000 running feet of these piles. It would have taken scores of ships to bring the lumber here, and the freight bill, figured at the usual rates, would have been \$22,500.

**A POSSIBLE MURDER.**  
A Man's Body Found in a Field—Remains Unidentified.

STREATOR, Ill., Aug. 2.—A possible murder came to light here last evening when a farmer living six miles north of here discovered the dead body of a man lying in a field near his house. It is believed that the remains are those of a man named James Downer, long a resident of Streator. Mr. Downer has been missing for a few days, and at the time of his last appearance he had \$180 in his possession. There was no money found on the body, however, and the supposition is that Downer was murdered and robbed by some person who was aware that he had the money with him. His father has been sent for to see if he can identify the body.

**Fresh Troops for Madagascar.**

TOULON, Aug. 2.—Orders have been received by the commandant here to prepare for the immediate dispatch of fresh detachments of troops to Madagascar to replace the invalid troops who were re-deemed home.

It is a big thing to say but nevertheless true, that a great multitude of people have crowned Simmons Liver Regulator, the "King of Liver Medicines." There is nothing like it for Malaria, Rheumatism, Chills and Fever, Constipation, Biliousness, Sick Headache, Indigestion and all troubles arising from a sluggish or diseased liver.
