

**NOT A SICK DAY
For Over Thirty Years!**
RESULT OF USING
AYER'S PILLS

"Ayer's Cathartic Pills for over thirty years have kept me in good health, never having had a sick day in all that time. Before I was twenty I suffered almost continually—as a result of constipation—from dyspepsia, headaches, neuralgia, or boils and other eruptive diseases. When I became convinced

that nine-tenths of my troubles were caused by constipation, I began the use of Ayer's Pills, with the most satisfactory results, never having a single attack that did not readily yield to this remedy. My wife, who had been an invalid for years, also began to use Ayer's Pills, and her health was quickly restored. With my children I had noticed that nearly all their ailments were preceded by constipation, and I soon had the pleasure of knowing that with children as with parents, Ayer's Pills, if taken in season, avert all danger of sickness."—H. WERTSTEIN, Byron, Ill.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

The silica mines at Mosier are attracting considerable attention. There are immense bodies of it, and the only question to be determined is as to its value, and the demand. Specimens on exhibition seem to be of remarkable purity, and should bring the top price. The substance is of very fine grain and is used for polishing, but its principal use is in the manufacture of glass and the glazing of earthenware. It is composed of decomposed chaledony, which includes the opal and moonstone, and is simply the vitreous, white rocks, found so abundantly in the basalts of this neighborhood, and which have been decomposed by the action of silicic acids.

Some seven or eight men are engaged in mining it at the present time, but its value seems to be problematical.

For the Fruit Growers.

The latest reports from the East show that Oregon fruit is holding its own well in the East. The reports from the remaining car of plums will be received shortly. There was sold in Chicago yesterday U. P. car 31,883 from Roseburg, peach plums, O. F. Godfrey, 70 to 75 cents; W. C. Winston, 70 to 75 cents; J. W. Wright, 70 cents. In Denver, car 31,872, from The Dalles, peach plums were placed in cold storage on account of glutted market; on arrival, 250 crates sold today at 85 to 95 cents per crate. It is very gratifying to be able to realize enough for peach plums to net the shippers from 1/2 to 1 cent per pound. It shows that with proper handling, we can make profitable the shipping of this heretofore worthless fruit. No other cars that have left Oregon have sold as yet, but we will give reports so that comparisons can be made. Peas still remain very steady in Eastern markets and California crop is selling very short. Other California plums are selling from 70 cents to \$1.25, dark colored fruit bringing highest prices. Peaches still a glut east and there is no encouragement for Eastern shipments.

Portland—Local market very unsteady on Oregon fruits, except peaches, good free stones, selling 60 to 70 cents; second grade from 25 to 55 cents. Considerable shipments of peaches can be handled. Don't ship apples or plums. Apples go begging at 25 cents per box; plums 1/2 cent per pound to nothing. In Portland market, peaches, pears, tomatoes, watermelons and cantaloupes can be sold to advantage.

One night when Mr. Isaac Reese was stopping with me, says M. F. Hatch, a prominent merchant of Quartermaster, Washington, I heard him groaning. On going to his room I found him suffering from cramp colic. He was in such agony I feared he would die. I hastily gave him a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He was soon relieved and the first words he uttered were, "what was that stuff you gave me?" I informed him. A few days ago we were talking about the attack and he said he was never without that remedy now. I have used it in my family for several years. I know its worth and do not hesitate to recommend it to my friends and customers. For sale by Blakeley & Houghton Druggist.

A Household Treasure.

D. W. Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottle at Snipes-Kinersly Drug Co.'s Drug Store. Regular size 50c. and \$1.00.

There comes a time to all of us, when we feel mean and "out of sorts" and in a condition to invite disease. It is then we need such a remedy as Dr. J. H. McLean's Strengthening Cordial and Blood Purifier. To persons exhausted by sickness or overwork its invigorating influence is surprising, promptly restoring health, energy and cheerful spirits. Price \$1.00 bottle. For sale by Snipes-Kinersly Drug Co.

There are so many accidents to live stock which cause delay and loss to the farmer in his work. In a large number of instances the delay would be but trifling if a remedy was promptly applied. Dr. J. H. McLean's Volcanic Oil Liniment has for many years been regarded as the farmer's friend. Its healing on flesh of domestic animals is immediate and permanent. Price 25c, 50c and \$1.00 per bottle. For sale at Snipes-Kinersly Drug Co.

Economical and Speedy Cures by
CUTICURA REMEDIES

Now no Trace of Disease.
Hair Thick, Child Fat, Good, and
Hearty.

When four days old my babe broke out over one side of his head and body with watery blisters, which turned to a complete scab. We called the family doctor, and he said that "he could heal them up," but "the baby would never have any more hair on his head," and we were completely discouraged. We were told to try CUTICURA REMEDIES and did so. We used two boxes of CUTICURA, two cakes of CUTICURA SOAP, and he now is all right. The hair is on thick, and you would never think there was anything the matter with him, he is so fat, good, and hearty, and I do not know how to praise CUTICURA REMEDIES enough for the good they did my child. Mrs. WM. H. SCOTT, Luzerne, Pa.

Mr. C. G. Strong, principal of the public schools at Anderson, Cal., says: "I have used Chamberlain's Pain Balm and have found it an excellent remedy for lameness and slight wounds." Lameness usually results from a sprain, or other injury, or from rheumatism, for which Chamberlain's Pain Balm is especially intended and unequalled. It affords almost immediate relief and in a short time effects a permanent cure. For sale by Blakeley & Houghton Druggist.

"It is the best patent medicine in the world" is what Mr. E. M. Hartman, of Marquam, Oregon, says of Chamberlain's Colic, Cholera and Diarrhoea Remedy. "What leads me to make this assertion is from the fact that dysentery in its worst form was prevalent around here last summer and it never took over two or three doses of that remedy to effect a complete cure." For sale by Blakeley & Houghton Druggist.

About Petered Out.
MEMPHIS Aug. 2.—The Little Rock end of the Holmes' murder case is about petered out. None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparilla sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's Fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:

RICHMOND, VA., Oct. 2, 1894.

GENTLEMEN—The Waverley Scorcher and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$50? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for all Waverleys we have sold this year and last (and you know that is a right good number), we have never had a single frame- or fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.
