

CANCER CURED -AND A- LIFE SAVED By the Persistent Use of Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me, that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

SALOONS TO CLOSE AT MIDNIGHT The Council Orders Such an Ordinance to Be Drawn—Full Report of the Meeting Saturday Night.

The meeting of the city council Saturday night was unusually interesting. The fact that petitions would be presented, looking towards closing the saloons, had attracted interested spectators. When the roll was called Mayor Menece and Councilmen Hood, Nolan, Saltmarsh, Ross, Johns and Thompson were found present. Messrs. Crowe, Eshelman and Wood came in shortly after, making the entire council present. Several petitions signed by a large number of citizens were read looking towards the closing of the saloons and the subject provoked warm debate. Mr. Nolan moved that the matter be referred to the committee on health and police and that the council would go into caucus and informally discuss the question. Mr. Saltmarsh seconded the motion, which was afterward amended that the committee report Friday night. After quite a lengthy discussion the question was put by the mayor and the motion declared lost. Mr. Hood then moved that the recorder be instructed to draw an ordinance requiring all saloons to close at midnight. After a second by Johns the question was put before the council. Some good speeches were made pro and con. Every member of the council declared himself either on one side or the other. When the vote was called five councilmen voted in favor of the motion and four against it and the recorder was instructed to prepare the ordinance.

After the reading and approval of the previous minutes a petition from C. W. Denton to furnish wood for the city, was read and placed on file.

The committees on health and police and public streets made verbal reports. Mr. Hood from the select committee appointed to interview the commission, reported that the commission would carry an open account with the city for water rent and not present the bill until the future state of our finances would permit.

The question of Mr. Gehres' water rent about which there was some dispute, was referred to the committee on fire and water. The reports of the treasurer, marshal and recorder were read and placed on file.

On motion of Mr. Thompson, seconded by Mr. Hood, a committee consisting of Nolan and Crowe was appointed to revise the ordinance regarding shows and circuses.

The matter of an ordinance regarding the licensing of bill posters and persons distributing advertising matter, was indefinitely postponed.

A motion was carried that all bills recommended by the finance committee be paid.

The council unanimously passed a motion instructing the marshal to enforce all city ordinances.

The recorder was instructed to buy two copies of the session laws of 1895. Mr. Phelps, the recorder, was granted a week's leave of absence.

The claim of J. H. Blakeney for a trip to Klindt's and hauling hose cart, \$3.50, was referred to committee on fire and water.

The bill of Geo. Munger, \$5, for painting hose cart was referred to the same committee.

The claim of Dufar & Hill for \$20 services in drafting city ordinances, was referred to the mayor.

As this was all the business before the council, a motion to adjourn was carried and the councilmen dispersed.

None But Ayer's at the Worlds Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparilla sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is heretofore its merits."

There comes a time to all of us, when we feel mean and "out of sorts" and in a condition to invite disease. It is then we need such a remedy as Dr. J. H. McLean's Strengthening Cordial and Blood Purifier. To persons exhausted by sickness or overwork its invigorating influence is surprising, promptly restoring health, energy and cheerful spirits. Price \$1.00 bottle. For sale by Snipes-Kinersly Drug Co.

There are so many accidents to live stock which cause delay and loss to the farmer in his work. In a large number of instances the delay would be but trifling if a remedy was promptly applied. Dr. J. Waverley BICYCLES.

Are the Highest of all High Grades. Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels: RICHMOND, VA., Oct. 2, 1894. Indiana Bicycle Co., Indianapolis, Ind.

GENTLEMEN—The Waverley Scorcher and Belle came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$50? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverleys we have sold this year and last (and you know that it is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.
