

**CANCER CURED**  
—AND A—  
**LIFE SAVED**  
By the Persistent Use of  
**Ayer's Sarsaparilla**

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

**HORNETTE.**

Antelope, Aug. 6th.

Pains in the small of the back indicate a diseased condition of the kidneys. Owing to the dangerous nature of the diseases which attack these organs it is important that measures should be taken to remove the trouble before it has become too firmly fixed. Prudence would suggest the prompt use of Dr. J. H. McLean's Liver and Kidney Balm which has specific action on the liver and kidneys and will cause an early restoration to healthy conditions. Price \$1.00 per bottle.

Children, especially infants are soon run down with Cholera, Cholera Infantum or "Summer Complaint." Don't wait to determine, but give DeWitt's Colic & Cholera Care promptly, you can rely on it. Use no other. Snipes-Kinersly Drug Co.

**WEATHER BUREAU.**

Weather Crop Bulletin No 19 of the Oregon State Weather Service for Eastern Oregon.

Weather: Cloudy and threatening weather with light sprinkles of rain were the features of the weather during the first portions of the week, while during the latter part no rain fell and the weather became decidedly warm. The few sprinkles of rain occurred in widely separated sections, and were so light as to be unimportant.

Special fruit report: Fruit shipments from Walla Walla, The Dalles and Hood River are the largest ever known; this is considered the index of the situation. Flattering reports come from many sections concerning the increase of acreage, care of the trees, amount and quality of the products and increase of shipments or the demand. Our correspondent at The Dalles writes: "All kinds of fruit are in a No. 1 condition; apples are nearly, if not quite, free from codlin moth and are large and nice for export; fruit pests have practically been destroyed through the agency of the spray pump." Peaches, apricots, apples, plums and prunes are very good crops and of superior quality. In many sections the new orchards have commenced to bear; this is especially so in Union county, and in that county fruit crops is placed slightly below the average, with the exception of the prune crop, which will mature a full yield. Peach plums are ripening and are in market. The Walla Walla county grape promises a good crop. Owing to the drouth complaints come from some sections of fruit failing to mature and falling from the trees. In Malheur county the shipments of fruit are lighter than they are in other sections. It is likely in this county the home demand will consume most of the crop. While fruit pests are present in all sections, it is generally conceded that fruit has not materially suffered by them. The cherry crop has been harvested. In Wasco county the fruitgrowers are setting out many strawberry plants; the acreage of strawberries will be greatly increased.

Wheat, oats and barley are being harvested with progress, and many fields are completed. Harvest of spring grain will soon commence, but in many sections south of Umatilla, Morrow and in sections south of the Blue mountains spring grain, if cut at all, will be used for hay. The Walla Walla valley and portions of Wasco and Sherman counties will produce excellent yields of good quality. In other sections of the Columbia river valley there will be much small grain and some badly shriveled. So far there has not been a great amount of threshing done. In all of the streams the water is lower than is usual at this time of the season. Pastures are still drying and grass is becoming scarce; for this season stock is getting thin. Grasshoppers are still numerous and destructive.

None But Ayer's at the Worlds Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparilla sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

There comes a time to all of us, when we feel mean and "out of sorts" and in a condition to invite disease. It is then we need such a remedy as Dr. J. H. McLean's Strengthening Cordial and Blood Purifier. To persons exhausted by sickness or overwork its invigorating influence is surprising, promptly restoring health, energy and cheerful spirits. Price \$1.00 bottle. For sale by Snipes-Kinersly Drug Co.

There are so many accidents to live stock which cause delay and loss to the farmer in his work. In a large number of instances the delay would be but trifling if a remedy was promptly applied. Dr. J. H. McLean's Volcanic Oil Liniment has for many years been regarded as the farmer's friend. Its healing on flesh of domestic animals is immediate and permanent. Price 25c, 50c and \$1.00 per bottle. For sale at Snipes-Kinersly Drug Co.

Diarrhea should be stopped promptly. It soon becomes chronic. DeWitt's Colic and Cholera Cure is effective, safe and certain. Hundreds of testimonials bear witness to the virtue of this great medicine. It can always be depended upon, its use saves time and money. Snipes-Kinersly Drug Co.

Cholera Morbus is a dangerous complaint, and often is fatal in its results. To avoid this you should use DeWitt's Colic & Cholera Cure, as soon as the first symptoms appear. Snipes-Kinersly Drug Co.

Mr. C. G. Strong, principal of the public schools at Anderson, Cal., says: "I have used Chamberlain's Pain Balm and have found it an excellent remedy for lameness and slight wounds." Lameness usually results from a sprain, or other injury, or from rheumatism, for which Chamberlain's Pain Balm is especially intended and unequalled. It affords almost immediate relief and in a short time effects a permanent cure. For sale by Biakely & Houghton Drug-gist.

**Waverley BICYCLES.**

Are the Highest of all High Grades.

Warranted Superior to any Bicycle built in the World, Regardless of Price.

Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:

RICHMOND, Va., Oct. 2, 1894.  
Indiana Bicycle Co., Indianapolis, Ind.:  
GENTLEMEN—The Waverley Scorcher and Be'le came to hand yesterday. We are afraid you have sent us the high priced wheel by mistake. You can't mean to tell us that this wheel retails for \$55? We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverley's we have sold this year and last (and you know that is a right good number), we have never had a single frame nor fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.  
Yours truly, WALTER C. MERCEB & Co.
