FIRE IN PENDLETON

Disasterous Holocaust Visits the City.

FIVE LIVES REPORTED LOST

The Fireman Do Heroic Work--Mrs. F. T. Barnum Marries Again--A Steamship Wreck.

PENDLETON, Or., Aug. 8.—Fire last Wednesday consumed the Transfer hotel, and several adjoining buildings on Main street, one block from the Oregon Railway and Navigation depot. The loss is about \$15,000; the insurance half that amount. Four bodies have been recovered from the ruins, and one man besides is still missing. Frank Breeding and Old Wolf, an Indian, were two of those recovered. The others missing are G. Cacking, William Streunsen and J. D. Taylor. It is thought the fifth body may be found. The fire originated in the upper floor of the Transfer house, when a man dropped a match near some gasoline. There were 29 guests. The family of the landlord consisted of six persons.

The Atlantic and Pacific Wreck.

DENVER, Aug. 8.—A special to the Times from Albuquerque, N. M., says No. 2, the passenger train from the west, was wrecked on the Continental Divide, about 130 miles from here, late yesterday afternoon. The train ran into a washout and the two combination baggage and express coaches, a day coach and a tourist sleeper flew the track and tumbled over.

The Rev. E. C. Wheeler, the Baptist evangelist, who had been in California with his car Emanuel, was on the platform of the tourist car when the washout was struck. He was thrown off and the car fell on top of him, crushing out his life. He and his wife were on their way to visit relatives in Winona, Minn. The following are injured: L. M. Alexander, Fresno, Cal., cut on the left cheek, hand and arm; R. T. Donaldson, Enterprise, Mo., back sprained; C. Watson, Fort Wingate, scalp wound, left ankle sprained and back wrenched; G. A. Whitaker, Barstow, Cal., slight scalp wound; Mrs. L. C. Tolhurst, Cleveland, O., bruised about the arms and shoulders; L. H. Palmer, Topeka, Kan., scalp wound about two inches long; Carl Taylor, Scalesmound, Ill., cut on the legs; Mrs. Bertha Coppe, New York, back broken and shoulder bruised. The body of Mr. Wheeler and the wounded were brought here, arriving at 10:40 a. m.

THE BUILDING COLLAPSED.

An Eight Story Structure Not Yet Finished, Falls.

NEW YORK, Aug. 8.—An eight-story building in course of construction on the corner of West Third street and South Fifth avenue, fell this morning. Several men were killed and others seriously wounded. Charles Smith was taken from under a pile of brick horribly cut about the head and body. It is said 82 men were working in the building.

The structure was to be an office and warehouse building, the property of John Ireland, a real estate dealer. It is supposed one of the supports in the upper stories fell, crushing the lower floors.

Prince of Wales Yacht Beaten Today by Cowes.

COWES, Aug. 8.—The sailing committee of the Royal yacht squadron has sustained the protest lodged yesterday against Palmer's schooner-yacht Zampa by the Amphitrite, on the ground that the Zampa carried nine hands more than the regulations allowed her. Palmer did not deny this, but claimed that he could not have raced his yacht without additional men.

The Ailsa was the winner of the Cowes own cup. Times: Ailsa, 4 hours, 25 minutes, 27 seconds; Britannia, 4 hours, 30 minutes, 27 seconds.

War in Chinatown.

SAN FRANCISCO, Aug. 8.—A trade war has broken out in Chinatown which threatens to destroy the Six Companies.

The laboring class is arrayed against the merchants. The trouble grows out of the murder that occurred in Chinatown three weeks ago. The murdered man belonged to one company. Its members bitterly pursued the murderer who belonged to another company. He escaped, or at least it is thought he escaped. Another murder followed for revenge. More complications ensued, the different companies took sides, and now Chinatown is having one of the liveliest wars it has ever had. Some of the smaller companies have gone so far as to refuse to pay the regulation tribute or tax to the Six Companies.

Grand Vizier Resigns.

CONSTANTINOPLE, Aug. 8.—The grand vizier is again reported as having recently resigned owing to the opposition of the palace to the proposal of the powers, which proposals said Pasha favors. The sultan, it is stated, has not accepted his resignation.

Advice from Moosh say the Turkish authorities are placing obstacles in the way of the distribution of further relief by the Armenian committee, and it is expected the funds collected for the succor of the suffering Armenians will be placed in the hands of the American missionaries.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address:

Steamship Wrecked.

SYDNEY, Aug. 8.—A steamship was wrecked on Seal Rocks, off Cape Hawk, yesterday morning during a gale. The passengers, who numbered 70, of whom 55 were Chinese, were asleep when the ship grounded. Only three European passengers and the second mate were saved. The others are missing, but it is believed possible that they succeeded in taking to the boats that were afterward blown out to sea, and may be heard from later.

Fast Bicycle Track.

SAN FRANCISCO, Aug. 8.—California is to have the fastest bicycle track in the world. It will be built at San Mateo, the most desirable place for the construction of a fast bicycle path in the country on account of its splendid climate and the fact that it is surrounded by hills which shut off the wind to a very great extent. The promoters of the new enterprise also intend to erect a hotel near the track and expect to put \$35,000 into the enterprise.

Mrs. Barnum Married.

NEW YORK, Aug. 8.—Mrs. P. T. Barnum, widow of the great showman, was married in this city to Demetrius Callais Bey, who is said to be a Greek, although bearing a Turkish title. The ceremony took place last evening and was private. There was manifested on the part of those immediately concerned a disposition to keep the affair a profound secret. The bride and groom are at the Plaza hotel for the present, but sail for Europe soon.

One night when Mr. Isaac Reese was stopping with me, says M. F. Hatch, a prominent merchant of Quartermaster, Washington, I heard him groaning. On going to his room I found him suffering from cramp colic. He was in such agony I feared he would die. I hastily gave him a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He was soon relieved and the first words he uttered were, "what was that stuff you gave me?" I informed him. A few days ago we were talking about the attack and he said he was never without that remedy now. I have used it in my family for several years. I know its worth and do not hesitate to recommend it to my friends and customers. For sale by Blakeley & Houghton Druggist.
