FOUR WERE BURNED

Bodies of Pendleton's Victims Recovered.

CRIMINAL NEGLIGENCE CHARGED

Bookkeeper Allison Arrested for Allowing Frank Breeding to Remain Asleep.

PENDLETON, Or., Aug. 9.—The mystery regarding the number of persons burned in the fire Wednesday night has been cleared by Night Clerk Wilson, of the Transfer house, discovering that he made a mistake in registering one guest. He wrote J. D. Taylor, instead of J. D. Tilton. Tilton is here, and Taylor is thus proven an imaginary man. This leaves four men to be accounted for, all four bodies having been recovered.

At the express office was found today a telescope valise, sent from the Cascade Locks to Pendleton by George H. Clackings. It was examined, and inside were found envelopes addressed to him at the Cascade Locks, and a silk badge of the lodge of Knights of Pythias at the Locks. A telegram was received here by the Elk's lodge, inquiring if Clackings, the secretary of the Cascade Locks Elks, was burned in the fire. No doubt remains now that Clackings was from the Locks and a member of these orders.

A man named Graham was also found, who said he came to Pendleton with Clackings, who had money to invest in some business, if he found a suitable opening.

The coroner's verdict was such as to warrant the officers to arrest Fred Allison, who allowed Frank Breeding to burn in the back room of the saloon without making an effort to save him. His examination occurs this afternoon on the charge of criminal negligence.

The story about the baby burning has been proven untrue. There is also no truth in the report that a man was seen during the fire lying in the hotel in a pool of blood. The reports were started on account of Bettinger being seen on the sidewalk after leaping from a window close to the flames. Whether the fire was incendiary is yet unknown.

Pulled a Lion's Tooth.

CHICAGO, Aug. 9.—Two thousand people saw a lion's tooth pulled last night in Lincoln Park. Major, the largest lion in the park, has been suffering from toothache lately. Wednesday Keeper Devoy found a molar was ulcerated, and Dr. Berner, a veterinary surgeon, was sent for. Upon his arrival the lion was bound in his cage and the doctor began to spray the inflamed gums to deaden the sense of feeling. Up to this time Major had kept up a growling, but the moment he realized that his sore tooth was to be cared for, he became a model patient. He lay motionless while the doctor cut around the tooth and got his forceps in position. When all was ready the doctor braced himself and pulled. Major roared like thunder but the doctor pulled the tooth.

Will Appeal to the President.

SAN FRANCISCO, Aug. 9.—The attorneys who defended Hansen, St. Clair and Sparf, in the United States courts, when these three sailors were tried for the murder of Mate Fitzgerald, of the bark Heaper, have begun preparations for an appeal to President Cleveland on behalf for Hansen. They are quite sanguine in their faith that sufficient cause can be shown to influence the president to at least commute Hansen's punishment to imprisonment for life. Hansen was re-sentenced a few days ago to be hanged at San Quentin, October 18, and St. Clair also has been condemned to death on the gallows. Sparf was acquitted in May.

A Number of Fatalities in Philadelphia This Morning.

PHILADELPHIA, Aug. 9.—A wagon, driven by William Hason, was struck by a Pennsylvania railroad locomotive at the grade crossing this morning. The vehicle was smashed, and Hason was instantly killed. Edward Miskell and John Hason were seriously injured internally.

About the same time in another part of the city Martin Ervin, while crossing

the tracks of the Baltimore & Ohio railroad, was struck by a locomotive and instantly killed.

Willie Stanley, 6 years old, was ground to pieces under the wheels of a fast flying trolley car in West Philadelphia.

Exercising Their Rights.

LEXINGTON, Ky., Aug. 9.—Last evening the ladies of Lexington met in mass meeting and selected four candidates, one from each ward of the city, for the board of education, to be elected next November. This is the first time women have been given the right to vote in Kentucky, but their suffrage is restricted to voting for members of the board of education. The meeting was harmonious. It was presided over by Miss Laura Clay, daughter of the ex-minister to Russia, General Cassius M. Clay.

But Twelve Jurors.

SAN FRANCISCO, Aug. 9.—The district attorney has decided to try Theodore Durrant for murder with 12 jurors, instead of securing 14, as at first contemplated. The managing and city editor of the Chronicle and Examiner were in court this morning to plead to the charge of contempt of court in publishing interviews with sworn jurors in the case. Judge Murphy ignored their presence, however, and proceeded with the examination of jurors.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address:

One night when Mr. Isaac Reese was stopping with me, says M. F. Hatch, a prominent merchant of Quartermaster, Washington, I heard him groaning. On going to his room I found him suffering from cramp colic. He was in such agony I feared he would die. I hastily gave him a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He was soon relieved and the first words he uttered were, "what was that stuff you gave me?" I informed him. A few days ago we were talking about the attack and he said he was never without that remedy now. I have used it in my family for several years. I know its worth and do not hesitate to recommend it to my friends and customers. For sale by Blakeley & Houghton Druggist.
