WAS NEATLY PLANNED

and Charles Vinson the Murderers of John Bergman--No Clue to the Perpetrators--Died Game.

ELLENSBURG, Wash., Aug. 14.—At 12 o'clock last night the fire bell rang and a crowd congregated at the county jail in a few minutes. The battering on the door of the cage for an hour and a half resounded on the still night air, and at 1:30 Samuel Vinson and his son, Charles, the murderers of Sunday, were led out by a mob. Ropes around their necks, the victims were walked three blocks, and a silver popular tree, eight inches in diameter, was chosen. Ropes were thrown over the first limbs, and the father and son were hauled up by many willing hands. Their feet were not over four feet from the ground, and the two men were choked to death, with their feet within six inches of each other. Promptly at 12 the bell rang, and almost simultaneously the guards were disarmed, and the outer jail doors were passed. The steel cage was stubborn, but the mob was determined. At last the wretches were secured, they assumed dogged silence. The old man never spoke, but Charlie pulled back and struggled some. Both were hustled off, however, and several telegraph wires were tried without succeeding in finding a suitable place. When near the fatal tree, young Vinson spoke his words, saying:

"I hate it on my mother's account. You'll be sorry for this." The last word uttered as the tightening of the rope choked off his breath. The father was hung up a moment before his son, and as one in the crowd said, as Charles swung up:

"Your pa is up there; go up and see him." Both men were allowed to hang for some time, and the crowd slowly dispersed without firing a shot into the dies. There were six other prisoners in the jail, but none were molested, and body but the two murderers were hurting the proceedings.

STORY OF THE MURDER.
Charles Vinson, who gave away the snarobbers in the Northern Pacific kidnap last April, with his father, was drunk and raising disturbances all day Sunday. That evening about 6:45 they entered the Teutonia saloon and picked quarrel, during which Charles shot like Kohllopp, one of the proprietors. The ball entered his right breast, and the victim died half an hour later.

John Bergman, well known as "Dutch John," went to the defense of Kohllopp, when the elder Vinson stabbed him in the right breast, inflicting a horrible wound, which proved fatal yesterday. After Kohllopp was shot he grappled young Vinson, threw him to the floor and dealt him several blows, but was forced to desist by failing strength.

Both men immediately arrested and put in the steel cage in the county jail. Statement ran very high, but the officials took extra precautions about the case.

The Vinson were regarded as worthless. Charles having served one term in the penitentiary. Both were quarrelsome, and always went armed and ready to pick a fight.

Waller's Case Not Dropped.
PARIS, Aug. 13.—There is absolutely nothing in the sensational story circulated by a New York newspaper to

the effect that United States Ambassador Eustis has dropped the case of John L. Waller, formerly United States consul at Tamatave, island of Madagascar, recently sentenced to a period of 20 years' imprisonment by a court-martial. On the contrary, Eustis is pursuing the matter most energetically and hopes soon to arrive at a satisfactory result.

SAM FOREMAN'S DEATH.

Some Believe He Did Not Commit Suicide, but was Murdered.

PENDLETON, Or., Aug. 13.—Investigation has been going on for some time into the facts connected with the death of Samuel H. Foreman, a Pendleton citizen, who is supposed to have committed suicide at Burns, Harney county, two weeks ago. Some believe Foreman was murdered. It is claimed here that word came from Burns that Foreman was found in the hallway of the hotel, lying on his face, with two bullet-holes in his breast, while his own pistol was in his room, with all of the loads in it. It is also alleged that the pistol used in killing Foreman belonged to the man in the next room. Burns is far in the interior, communication being only by mail.

Two boys found a dirk near the scene of the Transfer house fire, covered with blood. A young man who is sick in a boarding-house has been discovered by the state's attorney, who says he heard Whetstone and Moore, the men accused of the murder, in the hotel, counting money and talking about the killing of George Clacking. These incidents attach importance to the charge of murder against the men. The examination has been continued another day.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else, then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which there are examples, that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles at the Snipes-Kinnersly Drug Co., s. Regular size 50c. and \$1.00.

The English Parliament.

LONDON, Aug. 13.—In the house of commons today the speaker, Mr. William C. Gully, took the chair at noon in a semi-official attire.

The gentlemen ushers of the Black Rod summoned the members to the house of lords, where a royal commission signified her majesty's confirmation of the elections. Speaker Gully later on, returning to the house of commons, took the chair in the full robes of his office. The members then proceeded to take the oath, the speaker going through that formality first of all.

Hanged for Murder.

YORK, England, Aug. 13.—Robert Hudson, a young and highly educated man, who ran through his own and his wife's fortunes, was hanged here today for the murder of his wife and child on Hemsley moor, Yorkshire, in June last. He cut their throats and shot and buried them on the moor. Before killing them Hudson advertised for another wife, under the name of Hunter.

Valuable Property Involved.

SAN FRANCISCO, Aug. 13.—A local paper says the heirs of Jose de Jesus Noe will soon bring suit to recover a vast tract of land near Golden Gate Park known as the San Miguel rancho. The property involved is estimated to be worth \$24,000,000. The suit will be based on the alleged illegality of the transfer of the land by Noe to William S. Horner in 1853.

Mr. A. A. Snyder, Supt. Poor Farm, Winneshiek Co., Ia., says:—Last winter Mr. Robert Leach used two boxes of DeWitt's Witch Hazel Salve and cured a large running sore on his leg. Had been under care of physicians for months without obtaining relief. Sore cured for Piles. Snipes-Kinnersly Drug Co.

CONSTANTINOPLE, Aug. 13.—The vol of Salonica telegraphed that a Bulgarian band, numbering about 1000 men attacked the village of Janakali, in the district of Kirdballi, and burned 200 houses. Armenians are also said to have killed 23 of the inhabitants of Janakali. The vol of Adrianople has sent a similar despatch, but he thinks the accounts are probably exaggerated.

"It is the best patent medicine in the world" is what Mr. E. M. Hartman, of Marquam, Oregon, says of Chamberlain's Colic, Cholera and Diarrhea Remedy.
