

THE BEST FAMILY MEDICINE
She Has Ever Known. Words of Praise from a New York Lady for
AYER'S PILLS

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equalled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent la grippe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known.—Mrs. MAY JOHNSON, 368 Rider Avenue, New York City.

Corn Takes a Rise.
CHICAGO, Aug. 13.—Corn has made a 2-cent advance today, shooting up to 38½¢ for September, after selling at 36¢ early. Short selling, it was stated, had been overdone and the cash demand finally made itself felt. All markets here, wheat, corn, and oats, appear to be on a cash basis.

It May Do as Much For You.
Mr. Fred Miller, of Irving, Ill. writes that he had a Severe Kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called Kidney cures but without any good result. About a year ago he began use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure of all Kidney and Liver troubles and often gives almost instant relief. One trial will prove our statement. Price only 50c. for large bottle. At Snipes-Kinersly Drug Co.'s.

Pains in the small of the back indicate a diseased condition of the kidneys. Owing to the dangerous nature of the diseases which attack those organs it is important that measures should be taken to remove the trouble before it has become too firmly fixed. Prudence would suggest the prompt use of Dr. J. H. McLean's Liver and Kidney Balm which has specific action on the liver and kidneys and will cause an early restoration to healthy conditions. Price \$1.00 per bottle.

Cherokee Claimants.
VINITA, I. T., Aug. 13.—Cherokee claimant inhabitants are gathering here for a meeting to take action to secure full legal rights in the nation. They claim that the Cherokee nation has long refused to give justice to them as provided by past treaties, and they propose to appeal to congress and the courts for redress.

There comes a time to all of us, when we feel mean and "out of sorts" and in a condition to invite disease. It is then we need such a remedy as Dr. J. H. McLean's Strengthening Cordial and Blood Purifier. To persons exhausted by sickness or overwork its invigorating influence is surprising, promptly restoring health, energy and cheerful spirits. Price \$1.00 bottle. For sale by Snipes-Kinersly Drug Co.

The Motion Denied.
NEW YORK, Aug. 13.—Justice O'Brien in the supreme court today, handed down a decision denying the motion for an injunction to restrain the reorganization committee of the Distilling & Cattle Feeding Company from purchasing or acquiring the property of the trust, advertised to be sold tomorrow.

Bucklen's Arnica salve.
The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Snipes & Kinersly.

WEATHER BUREAU.
Weather Crop Bulletin No 20 of the Oregon State Weather Service for Eastern Oregon.
Weather—The temperature rose to 110 degrees on Monday, August 5th. Since then it has fallen, but rose again Saturday and Sunday. The maximum temperature during the week ranged from 74 to 100 deg., and the minimum from 44 to 72 degrees. There was an entire absence of rainfall except on Tuesday, the 6th, when a few drops of rain fell in the northeastern counties. The atmosphere has been hazy, with increasing smoke, due to the forest fires in the western portion of the state.
Crops—Harvesting of the cereal crop continues. Headers are in operation in all sections. Threshing has commenced in some few localities. The wheat, when threshed, is turning out about as expected, i. e., fall-sown wheat has a good average yield, while volunteer and spring grain yields from 5 to 10 bushels per acre. The general crop for export will not be as large as last year. The greatest falling off in local yield appears to be in Morrow, Gilliam and Wasco counties.
Grasshoppers continue to prey in large numbers in Union and contiguous counties. They have done considerable damage, and yet are destroying the green vegetation.
The fruit is in good condition and is ripening rapidly. Many new sections have developed, where fruit can be successfully and profitably grown. Melons are especially prolific in Wasco county; in this county the apple and peach crop will be unusually large. Peaches are a large crop, where grown, in Gilliam county and reports from the Snake river fruit district indicate an unusually full crop of peaches and apples.
The dry weather has caused the range grass to dry up and milch cows have to be fed. The stock on the ranges have been in the mountains for the past two months, where it will continue to remain until the fall rains start the grass on the usual range. The food in the mountains is good and stock is reported to be in good condition.
August is usually very dry; seldom does any rain fall during the month. The conditions at present do not indicate other than usual weather for the next few weeks, which is warm, dry and smoky. The fore part of September usually some rain falls, which is sufficient to lay the dust and clear the atmosphere.
Mr. Pague has returned from his temporary tour of duty in San Francisco, and has assumed charge of the Portland, Or., office.
Suggestions as to the improvement of these bulletins, or means to extend the scope and usefulness of the weather bureau work are solicited from all who may in any way be interested.
Portland, Or., Aug. 13, 1895.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O., Sold by Druggists, 75c.

Diarrhoea should be stopped promptly. It soon becomes chronic. DeWitt's Colic and Cholera Cure is effective, safe and certain. Hundreds of testimonials bear witness to the virtue of this great medicine. It can always be depended upon, its use saves time and money. Snipes-Kinersly Drug Co.

None But Ayer's at the World's Fair.
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparilla sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Died Suddenly.
HALIFAX, Aug. 13.—A cablegram has been received announcing the sudden death in England of Miss Archibald, eldest daughter of the late Sir Edwin Archibald, for a quarter of a century British consul at New York.
There are a great many of the unfortunate ones in this world, greater in number than those who are blessed with good digestion. To some people the greatest misfortune is not to be able to eat everything set before them. "I suffered for years with Dyspepsia, and everything I ate disagreed with me. I was induced to try Simmons Liver Regulator and was cured. I now eat everything."—M. Bright, Madison Parish, La

Waverley Bicycles.
Are the Highest of all High Grades.
Warranted Superior to any Bicycle built in the World, Regardless of Price.
Read the following opinion of one of the most prominent American dealers who has sold hundreds of these wheels:
RICHMOND, VA., Oct. 2, 1894.
Indiana Bicycle Co., Indianapolis, Ind.
GENTLEMEN—The Waverley Scotch and Be'le came to hand yesterday. We are afraid you have sent us the high-priced wheel by mistake. You can't mean to tell us that this wheel retails for \$55. We must say that it is, without exception, the prettiest wheel we have ever seen, and, moreover, we have faith in it, although it weighs only 22 lbs., for of all Waverley wheels we have sold this year and last (and you know that is a right good number), we have never had a single frame or fork broken, either from accident or defect, and that is more than we can say of any other wheel, however high grade, so called, that we sell. We congratulate ourselves every day that we are the Waverley agents.
Yours truly,
