

# OVERWORK —INDUCED— Nervous Prostration

Complete Recovery by the Use of  
**Ayer's Sarsaparilla**

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much."—H. O. HINSON, Postmaster and Planter, Kinard's, S. C.

One night when Mr. Isaac Reese was stopping with me, says M. F. Hatch, a prominent merchant of Quartermaster, Washington, I heard him groaning. On going to his room I found him suffering from cramp colic. He was in such agony I feared he would die. I hastily gave him a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He was soon relieved and the first words he uttered were, "what was that stuff you gave me?" I informed him. A few days ago we were talking about the attack and he said he was never without that remedy now. I have used it in my family for several years. I know its worth and do not hesitate to recommend it to my friends and customers. For sale by Blakeley & Houghton Druggist.

There are a great many of the unfortunate ones in this world, greater in number than those who are blessed with good digestion. To some people the greatest misfortune is not to be able to eat everything set before them. "I suffered for years with Dyspepsia, and everything I ate disagreed with me. I was induced to try Simmons Liver Regulator and was cured. I now eat everything."—M. Bright, Madison Parish, La.

### NEWSY LETTER FROM ANTELOPE

What Our Correspondent Sees and Hears Among the People.

ANTELOPE, Aug. 13, 1895.

TO THE EDITOR.—Chester, the 5-year-old son of Mr. and Mrs. Wilbur Bolton, died Sunday of spinal meningitis. The little fellow made a brave struggle with the disease, having lingered several weeks. Dr. Pilkington, assisted by Dr. Howard of Fossil, did all that medical skill could do, and the best of nursing was given him, but of no avail. He passed peacefully to his last sleep. Chester was an unusually bright little boy, and was a favorite with all who knew him. His parents and several friends started with the remains Sunday evening for The Dalles, where they will be laid in their last resting place. As the sad procession passed the school house, a chorus of girls assembled, sang the two beautiful songs, "Nearer My God to Thee" and "We Will Never Say Good Bye in Heaven." The entire community sympathize with the bereaved family in their affliction.

The Antelope public school opened Monday, Aug. 12, for a ten month's term, with G. H. Dunn and Miss Lillie Hinton as teachers. This is Mr. Dunn's third year in this school and Miss Hinton is known as one of Wasco county's best teachers. The attendance was unusually large for the time of year and everything points to a prosperous and successful school year.

Miss Myrtle Parrin returned from a several week's outing in the mountains to attend school at the opening. Allen Grant moved into town Saturday to send his children to school.

Richard Hinton of Bakeoven, spent Sunday in town visiting friends.

C. V. Lane, who has been confined to his bed for six weeks past with heart dropsy, is able to be around again.

Mrs. Rodgers, who has been sick all summer, is slowly improving.

Mr. Durrell has sold his butcher shop to Ed. Miller, an experienced butcher, who will take possession Wednesday. Mr. Durrell goes to Salem to prepare his stock for the state fair, after which he will locate permanently in Spokane.

Dave Scott, who has been in the mountains with sheep all summer, is in town on business. He reports the grass and feed very short and dry.

Jack Tunny has purchased the harness and saddlery shop, lately belonging to Charles Parren.

Frank Irvine and his daughter, Bertha, returned Friday from a two weeks' business and pleasure trip to The Dalles and Portland.

Charles Durhan was in from his saw mill the last of the week looking after the interests of his new haul.

The Fossil stage driver is supplying Antelope with a nice lot of fruit from Pine Creek. HORNETTE.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

#### None But Ayer's at the Worlds Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparilla sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits." Children, especially infants are soon run down with Cholera, Cholera Infantum or "Summer Complaint." Don't wait to determine, but give DeWitt's Colic & Cholera Cure promptly, you can rely on it. Use no other. Snipes-Kinersly Drug Co.
