

TURNING GRAY AND THREATENED WITH BALDNESS

The Danger is Averted by Using **AYER'S HAIR VIGOR**

"Nearly forty years ago, after some weeks of sickness, my hair turned gray and began falling out so rapidly that I was threatened with immediate baldness. Hearing Ayer's Hair Vigor highly spoken of, I commenced using this prepara-

tion, and was so well satisfied with the result that I have never tried any other kind of dressing. It stopped the hair from falling out, stimulated a new growth of hair, and kept the scalp free from dandruff. Only an occasional application is now needed to keep my hair of good, natural color. I never hesitate to recommend any of Ayer's medicines to my friends."—Mrs. H. M. HAIGHT, Ayova, Neb.

Items From Antelope.

August 18, 1895.

TO THE EDITOR:—Our genial constable, W. Glisan, is spending a few weeks in the mountains, hunting and fishing.

The town has lately been infested with a lot of peddlers, with good, snide goods for sale. Those who refuse to buy and who patronize our home merchants are the best off.

Ben. Glisan is in from the mountains, where he has had a large band of sheep all summer. The sheep will not be brought in until later.

Mr. McMullen, our photographer, contemplates a trip to Mitchell and Prineville taking pictures, after which he will permanently locate his gallery in Antelope.

Miss Ethel Williamson, one of the Mitchell teachers, is in town, the guest of Thos. Harper.

Miss May Pridy of Trout creek is in town, the guest of Belle Reese.

Mr. Jack Harper, a Dalles carpenter, who has been erecting a fine residence in Antelope for Thos. Harper, returned to The Dalles Friday.

Paul Kreft of The Dalles, who has been doing considerable painting and paper-hanging in Antelope this spring, had the misfortune to have his front finger quite badly hurt, while leading a race horse.

Henry Covert is driving stage on the Mitchell route, having taken the place resigned by Ed. Miller, when he went into the butcher business.

The family of Z. Taylor are preparing to make a six weeks' visit to the Willamette valley.

Miss Neal, an Iowa school teacher who is stopping with the family of Mr. Wallace, made a visit to her uncle and brother on lower Trout creek this week.

Alex Kirchheimer has fitted up a neat office in his brother's residence, where he does insurance business and reads Blackstone.

Nate Baird, the founder of Antelope, left for a few weeks' visit to the mines, where he has extensive interests.

Mr. Farley, one of the Mitchell stage drivers, is quite sick. Mr. Harper is handling the reins temporarily.

Newt Burgess of Bakeoven was visiting in town several days the past week.

HORNETTE.

A Druggist's Semi-Annual Report.

Some four or five months ago the people of The Dalles were notified of a new drugstore to be opened next door to the First National Bank, and almost directly opposite A. M. Williams & Co.'s store. The general opinion then prevailed that two stores were plenty, and a third store must therefore starve. But surely we are yet alive, and daily assuring our patrons, as well as the public in general, of our success. The doctors of our prosperous city, who are well able to judge our work, all acknowledge the efficient work done on their prescriptions, for most assuredly there never was any better, neater, more accurate or precise work done in this city than is at present done at this store.

Our stock of drugs is getting more complete every day. As we learn the wants of the people, so do we add to our stock, never aiming to attain such an immense quantity as to give it a chance to get old; but always buy in such amounts as to enable us to order frequently, thereby keeping our stock always in a fresh and healthful condition.

We know the drug business, and perchance not much else; but we are judges as to the quality of drugs, and therefore must know what we sell you when you give us a call. Come and ask for information, if nothing else.

M. Z. DONNELL,
Prescription and all-around Druggist,
Deutsche Apotheke, Telephone No. 15.

One night when Mr. Isaac Reese was stopping with me, says M. F. Hatch, a prominent merchant of Quartermaster, Washington, I heard him groaning. On going to his room I found him suffering from cramp colic. He was in such agony I feared he would die. I hastily gave him a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He was soon relieved and the first words he uttered were, "what was that stuff you gave me?" I informed him. A few days ago we were talking about the attack and he said he was never without that remedy now. I have used it in my family for several years. I know its worth and do not hesitate to recommend it to my friends and customers. For sale by Blakeley & Houghton Druggist.

Three Were Drowned.

ST. JOHNS, N. C., Aug. 19.—Word was received here today that the schooner Osceola collided with the steamer Miramichi, near Blackbrook, Saturday. Five young women passengers on the Miramichi were knocked overboard and three drowned.

It May Do as Much For You.

Mr. Fred Miller, of Irving, Ill. writes that he had a Severe Kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called Kidney cures but without any good result. About a year ago he began use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure of all Kidney and Liver troubles and often gives almost instant relief. One trial will prove our statement. Price only 50c. for large bottle. At Snipes-Kinersly Drug Co.'s.

The Barracks Undermined.

LONDON, Aug. 20.—The Daily News has a dispatch from Vienna which says Trieste papers report that an explosion occurred in the artillery barracks at Toula, Russia, and that 300 men were killed, including many officers. The barracks were found to be completely undermined today. Many arrests have been made.

Pains in the small of the back indicate a diseased condition of the kidneys. Owing to the dangerous nature of the diseases which attack those organs it is important that measures should be taken to remove the trouble before it has become too firmly fixed. Prudence would suggest the prompt use of Dr. J. H. McLean's Liver and Kidney Balm which has specific action on the liver and kidneys and will cause an early restoration to healthy conditions. Price \$1.00 per bottle.

There comes a time to all of us, when we feel mean and "out of sorts" and in a condition to invite disease. It is then we need such a remedy as Dr. J. H. McLean's Strengthening Cordial and Blood Purifier. To persons exhausted by sickness or overwork its invigorating influence is surprising, promptly restoring health, energy and cheerful spirits. Price \$1.00 bottle. For sale by Snipes-Kinersly Drug Co.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Died From His Injuries.

ST. LOUIS, Aug. 19.—Alexander C. Sherwood, member of the state democratic executive committee from the thirteenth district, died early today from the effects of a fall in the jockey clubhouse at the fair grounds last night.

Memory is a little treacherous now and then, and causes one to forget some things worth remembering, unless one has an experience like that which came to Mr. D. E. East, Moffatt's Creek, Va., who says "I had been suffering for years with a torpid liver and found no relief until I took Simmons Liver Regulator when I was entirely relieved of my troubles. I never intend being without Simmons Liver Regulator."

Seventeen Were Drowned.

HAMBURG, Aug. 19.—A boat containing 25 passengers was run down and sunk today by the steamer Concordia, from Stade. Seventeen persons were drowned.

When baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.

None But Ayer's at the Worlds Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparilla sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."
