The Tom Thumb wedding and supper at the Methodist church next Monday will be an event well worth attending. The program which will be presented is very unique and the audience will be sure to be interested in the evening's entertainment. Remember the place and time—Methodist church, Monday, November 4th.

This morning about 3 o'clock the inhabitants of the city were awakened by the loud tones of the fire bell. The people who rushed out in the damp air

found that the danger of a conflagration was not very great. A lamp in the tailoring shop north of Ruch's grocery store had overturned and created a slight blaze. The fire was extinguished without the aid of the city department and those who had been aroused from slumber went home to resume their sleep.
